

WE MAKE CLEAN ENERGY HAPPEN®

NYSE: WMB

A Leader in Natural Gas Infrastructure

Williams (NYSE: WMB) owns and operates energy infrastructure that safely and reliably delivers the natural gas that is used every day to affordably heat our homes, cook our food and generate our electricity. As the world moves to a low-carbon future, Williams is well-positioned to leverage its natural gas-focused strategy while continuing to deliver consistently stable returns for shareholders. Williams is a FORTUNE 500 investment grade corporation headquartered in Tulsa, Oklahoma, with operations across the natural gas value chain spanning the United States.
