### WILLIAMS COMPANIES ANNOUNCES THE COMPLETION OF DEBT TENDER OFFERS

TULSA - The Williams Companies, Inc. announced today that debt securities of nine series issued by the company and some of its subsidiaries totaling \$918.8 million in principal amount (of which \$210 million remains subject to delivery and settlement) have been tendered and accepted for purchase in response to the offers to purchase any and all outstanding securities of such series, which at the time had a total outstanding principal amount of approximately \$1.3 billion.

The offers to purchase, announced on Sept. 8, expired at 5 p.m. Eastern time on Friday, Sept. 19. This amount tendered and accepted for purchase represents an average success rate of 75 percent, which is at the upper end of the range the company had anticipated.

The description, CUSIP number, outstanding principal amount prior to the offers to purchase and the amount tendered and accepted for purchase for  $\ensuremath{\mathsf{E}}$ each series of securities involved are:
