Introduction

This Amendment No. 1 amends Items 3, 4, 5 and 7 and Schedule 1 of the Schedule 13D filed by The Williams Companies, Inc., Williams Energy Services, LLC, Williams Energy, L.L.C., MAPCO Inc., Williams Partners Holdings LLC and Williams Partners GP LLC (collectively, the "Reporting Persons") with the SEC on September 2, 2005 (the "Original Schedule 13D"). This statement relates to common units representing limited partner interests ("Common Units") of Williams Partners L.P., a Delaware limited partnership (the "Issuer"). Unless specifically amended hereby, the disclosure set forth in the Original Schedule 13D shall remain unchanged.

Item 3. Source and Amount of Funds or Other Consideration

The information previously provided in response to this Item 3 is hereby amended by adding the following:

On November 29, 2005, two Listed Persons, as set forth on Schedule 1, each acquired beneficial ownership of 2,326 Common Units as grants of restricted Common Units under the Williams Partners GP LLC Long-Term Incentive Plan as compensation for their service as a member of the board of directors of GP LLC.

On December 15, 2005, a Listed Person, as set forth on Schedule 1, acquired beneficial ownership of 1,494 Common Units as grants of restricted Common Units under the Williams Partners GP LLC Long-Term Incentive Plan as compensation for their service as a member of the board of directors of GP LLC.

Item 4. Purpose of Transaction

The information previously provided in response to this Item 4 is hereby amended by replacing the text thereof in its entirety with the following:

The Common Units reported in Item 3 above were acquired for investment purposes.

Pursuant to the Amended and Restated Limited Liability Company Agreement of GP LLC (the "GP LLC Agreement"), WES has the right to appoint the board of directors of GP LLC. Through the right to appoint the board of directors of GP LLC pursuant to the GP LLC Agreement, WES and, through its 100% direct ownership of WES, TWC have the ability to influence the management policies and control of the Issuer with the aim of increasing the value of the Issuer, and thus, the Reporting Persons' investment.

The Subordinated Units owned of record by WES, WE, Williams Pipeline and Holdings are convertible into Common Units on a one-for-one basis once certain financial tests set forth in the Issuer's Partnership

Agreement are met. Each of WES, WE, Williams Pipeline and Holdings may distribute the Common Units issued upon conversion of the Subordinated Units to their respective members, although they may elect to dispose of some or all of the Subordinated Units earlier in public or private transactions.

Pursuant to the terms of the Issuer's Partnership Agreement, among other conditions, GP LLC may not be removed from its position as general partner of the Issuer unless 66-2/3% of the outstanding Common and Subordinated Units, voting together as a single class, including units held by GP LLC and its affiliates, vote to approve such removal and the Issuer receives an opinion of counsel regarding limited liability and tax matters. Any removal of GP LLC is also subject to the approval of a successor general partner by the vote of the holders of a majority of the outstanding Common and Subordinated Units, voting as separate classes. The ownership of more than 33-1/3% of the outstanding units by GP LLC and its affiliates would give them the practical inability to prevent GP LLC's removal. As of the closing of the Offering and after the exercise of the Option, TWC indirectly owns a 100% interest in GP LLC and approximately 60% of the outstanding Common and Subordinated Units. Because the Reporting Persons control greater than 33-1/3% of the outstanding units, they can prevent the removal of GP LLC.

The Issuer's Partnership Agreement contains specific provisions that are intended to discourage a person or group from attempting to remove GP LLC as the Issuer's general partner or otherwise change the Issuer's management. If any person or group other than GP LLC and its affiliates acquires beneficial ownership of 20% or more of any class of units, that person or group loses voting rights on all of its units. This loss of voting rights does not apply to any person or group that acquires the units from GP LLC or its affiliates and any transferees of that person or group approved by GP LLC or to any person or group who acquires the units with the prior approval of the board of directors of GP LLC.

Under the Partnership Agreement, the Issuer has agreed to register for resale under the Securities Act and applicable state securities laws any Common Units, Subordinated Units or other partnership securities proposed to be sold by GP LLC or any of its affiliates or their assignees if an exemption from the registration requirements is not otherwise available. These registration rights continue for two years following any withdrawal or removal of GP LLC as the Issuer's general partner.

TWC may lend money to the Issuer from time to time in the future pursuant to the revolving credit facility described in Item 6 below to fund the Issuer's working capital borrowings. The decision to borrow money will be based on the Issuer's working capital needs in the future. Further, subject to the limitations contained therein, the Issuer may borrow money from time to time in the future pursuant to TWC's amended and restated credit agreement described in Item 6 below for general corporate purposes, including acquisitions.

On April 6, 2006, the Issuer entered into a Purchase and Sale Agreement (the "Purchase Agreement") with WES, Williams Field Services Group, LLC ("WFSG"), Williams Field Services Company, LLC ("WFSC"), GP LLC and Williams Partners Operating LLC, the operating subsidiary of the Issuer ("Williams OLLC"). Pursuant to the Purchase Agreement, WES, WFSG, WFSC and GP LLC will contribute to the Issuer a 25.1% membership interest in Williams Four Corners LLC ("Four Corners") for aggregate consideration of \$360.0 million. Prior to or at closing, WFSC will contribute to Four Corners its natural gas gathering, processing and treating assets in the San Juan Basin in New Mexico and Colorado. The closing of the Purchase Agreement is subject to the satisfaction of a number of conditions, including the Issuer's ability to obtain financing and the receipt of all necessary consents. On April 8, 2006, the Issuer filed a registration statement on Form S-1 registering the sale of 8,050,000 Common Units (the "Form S-1"). The Form S-1 stated that the net proceeds of the sale of the 8,050,000 Common Units, together with the net proceeds from a private placement of senior notes of the Issuer, would be used to, among other things, pay the aggregate consideration of \$360.0 million in exchange for the 25.1% membership interest in Four Corners. The proposed acquisition of the 25.1% membership interest in Four Corners and the proposed equity and debt offerings, if consummated by the Issuer, could materially change its present capitalization.

As of the date of this Schedule 13D, none of the Reporting Persons, and to the Reporting Persons' knowledge, none of the Listed Persons has any plans or proposals which relate to or would result in any of the following actions, except as disclosed herein and except that the Reporting Persons or their affiliates or the Listed Persons may, from time to time or at any time, subject to market and general economic conditions, the expiration of the 180-day lock-up agreement entered into by the Reporting Persons and certain of the Listed Persons in connection with the Offering and other factors, purchase additional Common Units in the open market, in privately negotiated transactions or otherwise, or sell at any time all or a portion of the Common Units or Subordinated Units now owned or hereafter acquired by them to one or more purchasers:

- the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
 - an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
 - a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
 - any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
 - any material change in the present capitalization or dividend policy of the Issuer;
 - any other material change in the Issuer's business or corporate structure including but not limited to, if the Issuer is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940;
 - changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
-

- causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- any action similar to any of those enumerated above.

Depending on the factors described in the preceding paragraph, and other factors that may arise in the future, the Listed Persons may be involved in such matters and, depending on the facts and circumstances at such time, may formulate a plan with respect to such matters. In addition, the Listed Persons may entertain discussions with, and proposals to, the Issuer, to other unitholders of the Issuer or to third parties.
