Item 5. Other Events

The Company has tendered and accepted for purchase debt securities of nine series issued by the Company and certain of its subsidiaries totaling approximately \$924.8 million in principal amount in response to the offers to purchase any and all outstanding securities of such series, which the Company announced on September 8, 1997.

As of September 8, 1997, the total outstanding principal amount of the securities was approximately \$1.2 billion. The amount tendered and accepted for purchase represents an average success rate of approximately 75 percent, which is at the upper end of the range the Company had anticipated.

The description, CUSIP number, outstanding principal amount prior to the offers to purchase, and the amount tendered and accepted for purchase for each series of securities involved are:
