(d) The amount of interest payable for any period will be computed on the basis of a 360-day year consisting of twelve 30-day months. If the Trustee holds immediately available funds sufficient to pay the Redemption Price of the Notes, then, on such Tax Event Redemption Date, such Notes will cease to be outstanding and interest thereon will cease to accrue, whether or not such Notes have been received by the Company, and all other rights of the Holder in respect of the Notes shall terminate and lapse (other than the right to receive the Redemption Price upon delivery of such Notes but without interest on such Redemption Price).

Section 3.03. No Sinking Fund. The Notes are not entitled to the benefit of any sinking fund.

Section 3.04. Option To Put Notes Upon Failed Secondary Remarketing. (b) Payment of the Note Repayment Price shall be made through the Trustee, subject to the Trustee's receipt of payment from the Company in accordance with the terms of the Indenture, no later than 12:00 noon, New York City time, on the Put Option Exercise Date, and to such account as may be designated. If the Trustee holds immediately available funds sufficient to pay the Note Repayment Price of Notes presented for repayment, then, immediately prior to the close of business on the Put Option Exercise Date, such Notes will cease to be outstanding and Interest thereon will cease to accrue, whether or not such Notes have been received by the Company, and all other rights of the Holder in respect of the Notes, including the Holder's right to require the Company to repay such Notes, shall terminate and lapse (other than the right to receive the Note Repayment Price upon delivery of such Notes but without interest on such Note Repayment Price). Neither the Trustee nor the Company will be required to register or cause to be registered the transfer of any Note for which repayment has been elected.

Article 9
REMARKETING

Section 9.01. Initial Remarketing Procedures. The Company will request, not later than seven nor more than 15 calendar days prior to the Initial Remarketing Date that the Depositary notify the Holders of the Notes and the Holders of Income PACS and Growth PACS of the Initial Remarketing.

(b) Not later than 11:00 A.M., New York City time, on the second Business Day immediately preceding the Initial Remarketing Date, each Holder of the Notes not constituting components of Income PACS may elect to have Notes held by such Holder remarketed. Holders of Notes that are not a component of Income PACS shall give notice of their election to have such Notes remarketed to the Collateral Agent pursuant to the Pledge Agreement. Any such notice shall be irrevocable after 11:00 A.M., New York City time, on the second Business Day immediately preceding the Initial Remarketing Date and may not be conditioned upon the level at which the Reset Rate is established. Promptly after 11:30 A.M., New York City time, on such second Business Day, the Trustee, based on the notices received by it prior to such time (including notices from the Purchase Contract Agent as to Purchase Contracts for which Cash Settlement has been elected), shall notify the Company and the Remarketing Agent of the principal amount of Notes to be tendered for remarketing. Under Section 5.02 of the Purchase Contract Agreement, Notes that constitute components of Income PACS will be remarketed as provided therein and in this Section 9.01. The Notes constituting components of Income PACS shall be deemed tendered, notwithstanding any failure by the Holder of such Income PACS to deliver or properly deliver such Notes to the Remarketing Agent for purchase.

(c) The right of each Holder to have Notes (including any Notes that constitute components of Income PACS) tendered for purchase shall be limited to the extent that (i) the Remarketing Agent conducts a remarketing pursuant to the terms of the Remarketing Agreement, (ii) Notes tendered have not been called for redemption, (iii) the Remarketing Agent is able to find a purchaser or purchasers for tendered Notes at a price per Note such that the aggregate price for the Applicable Principal Amount of Notes is not less than 100% of the Treasury Portfolio Purchase Price, and (iv) such purchaser or purchasers deliver the purchase price therefor to the Remarketing Agent as and when required.

(d) On the Initial Remarketing Date, the Remarketing Agent shall use reasonable efforts to remarket, at a price per Note such that the aggregate price for the Applicable Principal Amount of Notes is equal to approximately 100.5% of the Treasury Portfolio Purchase Price, Notes tendered or deemed tendered for purchase.

(e) If there are no Income PACS outstanding and none of the Holders elect to have Notes held by them remarketed, the Reset Rate shall be the rate determined by the Reset Agent, subject to the terms of the

Remarketing Agreement, as the rate that would have been established had a remarketing been held on the Initial Remarketing Date.

(f) If the Remarketing Agent has determined that it will be able to remarket all Notes tendered or deemed tendered prior to 4:00 P.M., New York City time, on the Initial Remarketing Date, the Reset Agent, subject to the terms at the Remarketing Agreement, shall determine the Reset Rate.

(g) If, by 4:00 P.M., New York City time, on the Initial Remarketing Date, the Remarketing Agent is unable to remarket all Notes tendered or deemed tendered for purchase or if the Initial Remarketing shall not have occurred because a condition precedent to the Remarketing shall not have been fulfilled, a failed remarketing ("Failed Initial Remarketing") shall be deemed to have occurred and the Remarketing Agent shall so advise by telephone the Collateral Agent, Company, Trustee, and Depository.

(h) By approximately 4:30 P.M., New York City time, on the Initial Remarketing Date, provided that there has not been a Failed Initial Remarketing, the Remarketing Agent shall advise, by telephone (i) the Collateral Agent, the Company, Trustee, and Depository of the Reset Rate determined in the Initial Remarketing and the aggregate principal amount of Notes sold in the Initial Remarketing, (ii) each purchaser (or the Depository Participant thereof) of the Reset Rate and the aggregate principal amount of Notes such purchaser is to purchase and (iii) each purchaser to give instructions to its Depository Participant to pay the purchase price on November 16, 2004 in same day funds against delivery of the Notes purchased through the facilities of the Depository.

(i) In accordance with the Depository's normal procedures, on November 16, 2004, the transactions described above with respect to each Note tendered for purchase and sold in the Initial Remarketing shall be executed through the Depository, and the accounts of the respective Depository Participants shall be debited and credited and such Notes delivered by book entry as necessary to effect purchases and sales of such Notes. The Depository shall make payment in accordance with its normal procedures.

(j) If any Holder selling Notes in the Initial Remarketing fails to deliver such Notes, the Depository Participant of such selling Holder and of any other Person that was to have purchased Notes in the Initial Remarketing may deliver to any such other Person an aggregate principal amount of Notes that is less than the aggregate principal amount of Notes that otherwise was to be purchased by such Person. In such event, the aggregate principal amount of Notes to be so delivered shall be determined by such Depository Participant, and delivery of such lesser aggregate principal amount of Notes shall constitute good delivery.

(k) The Remarketing Agent is not obligated to purchase any Notes in the Initial Remarketing or otherwise. Neither the Trust, any Trustee, the Company nor the Remarketing Agent shall be obligated in any case to provide funds to make payment upon tender of Notes for remarketing.

(l) The tender and settlement procedures set forth in this Section 9.01, including provisions for payment by purchasers of Notes in the Initial Remarketing, shall be subject to modification, notwithstanding any provision to the contrary set forth herein, to the extent required by the Depository or if the book-entry system is no longer available for the Notes at the time of the Initial Remarketing, to facilitate the tendering and remarketing of Notes in certificated form. In addition, the Remarketing Agent may, notwithstanding any provision to the contrary set forth herein, modify the settlement procedures set forth herein in order to facilitate the settlement process.

(m) Anything herein to the contrary notwithstanding, the Reset Rate shall in no event exceed the maximum rate permitted by applicable law and, as provided in the Remarketing Agreement, neither the Remarketing Agent nor the Reset Agent shall have any obligation to determine whether there is any limitation under applicable law on the Reset Rate or, if there is any such limitation, the maximum permissible Reset Rate on the Notes and they shall rely solely upon written notice from the Company (which the Company agrees to provide prior to the tenth Business Day before November 16, 2004) as to whether or not there is any such limitation and, if so, the maximum permissible Reset Rate.

Section 9.02. Secondary Remarketing Procedures. (a) If a Failed Initial Remarketing has occurred, the Company will request, not later than seven nor more than 15 calendar days prior to the Secondary Remarketing Date that the Depository notify the Holders of the Notes and the Holders of Income PACS and Growth PACS of the Secondary Remarketing and of the procedures that must be followed if a Holder of Notes wishes to exercise such Holder's rights with respect to the Put Option if there is a Failed Secondary Remarketing.

(b) Not later than 5:00 P.M., New York City time, on the second Business Day immediately preceding the Secondary Remarketing Date, each Holder of the Notes may elect to have Notes held by such Holder remarketed. Under Section 5.02 of the Purchase Contract Agreement, Holders of Income

PACS that do not give notice of intention to make a Cash Settlement of their related Purchase Contracts or who give such notice but fail to pay the Purchase Price in cash as required by Section 5.02(b)(ii) of the Purchase Contract Agreement shall be deemed to have consented to the disposition of the Notes constituting a component of such Income PACS. Holders of Notes that are not a component of Income PACS shall give notice of their election to have such Notes remarketed to the Custodial Agent pursuant to the Pledge Agreement. Any such notice shall be irrevocable after 5:00 P.M., New York City time, on the second Business Day immediately preceding the Secondary Remarketing Date and may not be conditioned upon the level at which the Reset Rate is established. Promptly after 5:30 P.M., New York City time, on such second Business Day, the Trustee, based on the notices received by it prior to such time (including notices from the Purchase Contract Agent as to Purchase Contracts for which Cash Settlement has been elected), shall notify the Company and the Remarketing Agent of the principal amount of Notes to be tendered for remarketing.

(c) If any Holder of Income PACS does not give a notice of its intention to make a Cash Settlement or gives a notice of election to tender Notes as described in Section 9.02(b), the Notes of such Holder shall be deemed tendered, notwithstanding any failure by such Holder to deliver or properly deliver such Notes to the Remarketing Agent for purchase.

(d) The right of each Holder to have Notes (including any Notes that constitute components of Income PACS) tendered for purchase shall be limited to the extent that (i) the Remarketing Agent conducts a remarketing pursuant to the terms of the Remarketing Agreement, (ii) Notes tendered have not been called for redemption, (iii) the Remarketing Agent is able to find a purchaser or purchasers for tendered Notes at a price of not less than 100% of the principal amount thereof, and (iv) such purchaser or purchasers deliver the purchase price therefor to the Remarketing Agent as and when required.

(e) If a Failed Initial Remarketing has occurred, on the Secondary Remarketing Date, the Remarketing Agent shall use reasonable efforts to remarket, at a price equal to approximately 100.5% of the aggregate principal amount thereof, Notes tendered or deemed tendered for purchase.

(f) If none of the Holders elect or are deemed to have elected to have Notes held by them remarketed, the Reset Rate shall be the rate determined by the Reset Agent, subject to the terms of the Remarketing Agreement, as the rate that would have been established had a remarketing been held on the Secondary Remarketing Date.

(g) If the Remarketing Agent has determined that it will be able to remarket all Notes tendered or deemed tendered prior to 4:00 P.M., New York City time, on the Secondary Remarketing Date, the Reset Agent shall, subject to the terms of the Remarketing Agreement, determine the Reset Rate.

(h) If, by 4:00 P.M., New York City time, on the Secondary Remarketing Date, the Remarketing Agent is unable to remarket all Notes tendered or deemed tendered for purchase or if the Secondary Remarketing shall not have occurred because a condition precedent to the Secondary Remarketing shall not have been fulfilled, a failed remarketing ("Failed Secondary Remarketing") shall be deemed to have occurred, the interest rate on the Notes shall not be reset and the Remarketing Agent shall so advise by telephone the Collateral Agent, Company, Trustee, and Depositary.

(i) By approximately 4:30 P.M., New York City time, on the Secondary Remarketing Date, provided that there has not been a Failed Secondary Remarketing, the Remarketing Agent shall advise, by telephone (i) the Collateral Agent, the Company, Trustee, and Depositary of the Reset Rate determined in the Secondary Remarketing and the aggregate principal amount of Notes sold in the Secondary Remarketing, (ii) each purchaser (or the Depositary Participant thereof) of the Reset Rate and the aggregate principal amount of Notes such purchaser is to purchase and (iii) each purchaser to give instructions to its Depositary Participant to pay the purchase price on the Purchase Contract Settlement Date in same day funds against delivery of the Notes purchased through the facilities of the Depositary.

(j) In accordance with the Depositary's normal procedures, on the Purchase Contract Settlement Date, the transactions described above with respect to each Note tendered for purchase and sold in the Secondary Remarketing shall be executed through the Depositary, and the accounts of the respective Depositary Participants shall be debited and credited and such Notes delivered by book entry as necessary to effect purchases and sales of such Notes. The Depositary shall make payment in accordance with its normal procedures.

(k) If any Holder selling Notes in the Secondary Remarketing fails to deliver such Notes, the Depositary Participant of such selling Holder and of any other Person that was to have purchased Notes in the Secondary Remarketing may deliver to any such other Person an aggregate principal amount of Notes that is less than the aggregate principal amount of Notes that otherwise was to be purchased by such Person. In such event, the aggregate principal amount of Notes to be so delivered shall be determined

by such Depository Participant, and delivery of such lesser aggregate principal amount of Notes shall constitute good delivery.

(l) The Remarketing Agent is not obligated to purchase any Notes in the Secondary Remarketing or otherwise. Neither the Trust, any Trustee, the Company nor the Remarketing Agent shall be obligated in any case to provide funds to make payment upon tender of Notes for remarketing.

(m) The tender and settlement procedures set in this Section 9.02, including provisions for payment by purchasers of Notes in the Secondary Remarketing, shall be subject to modification, notwithstanding any provision to the contrary set forth herein, to the extent required by the Depository or if the book-entry system is no longer available for the Notes at the time of the Secondary Remarketing, to facilitate the tendering and remarketing of Notes in certificated form. In addition, the Remarketing Agent may, notwithstanding any provision to the contrary set forth herein, modify the settlement procedures set forth herein in order to facilitate the settlement process.

(n) Anything herein to the contrary notwithstanding, the Reset Rate shall in no event exceed the maximum rate permitted by applicable law and, as provided in the Remarketing Agreement, neither the Remarketing Agent nor the Reset Agent shall have any obligation to determine whether there is any limitation under applicable law on the Reset Rate or, if there is any such limitation, the maximum permissible Reset Rate on the Notes and they shall rely solely upon written notice from the Company (which the Company agrees to provide prior to the 10th Business Day before the Purchase Contract Settlement Date) as to whether or not there is any such limitation and, if so, the maximum permissible Reset Rate.

IN WITNESS WHEREOF, the parties hereto have caused this Second Supplemental Indenture to be duly executed by their respective officers thereunto duly authorized, on the date or dates indicated in the acknowledgments and as of the day and year first above written.

This is one of the Notes of the series of Notes described in the within-- mentioned Indenture.

BANK ONE TRUST COMPANY, NATIONAL ASSOCIATION,
as Trustee

By: _____
Authorized Signatory

(FORM OF REVERSE OF NOTE)

This Note is one of a duly authorized series of Securities of the Company (herein sometimes referred to as the "Notes"), issued and to be issued in one or more series under and pursuant to an Indenture dated as of November 10, 1997 (the "Base Indenture") between the Company and Bank One Trust Company N.A. (successor in interest to The First National Bank of Chicago), as Trustee (the "Trustee," which term includes any successor trustee under the Indenture), as supplemented by a Sixth Supplemental Indenture, dated as of January __, 2002 (the "Sixth Supplemental Indenture") between the Company and the Trustee (the Base Indenture as so supplemented, the "Indenture"), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes. By the terms of the Indenture, the Securities are issuable in series that may vary as to amount, date of maturity, rate of interest and in other respects as provided in the Indenture. This series of Securities is limited in aggregate principal amount as specified in said Sixth Supplemental Indenture.

If a Tax Event shall occur and be continuing, the Company may, at its option, redeem the Notes in whole (but not in part) at any time at a price per Note equal to the Redemption Price. The Redemption Price shall be paid to each Holder of the Notes by the Company, no later than 12:00 noon, New York City time, on the Tax Event Redemption Date, by check or wire transfer in immediately available funds, at such place and to such account as may be designated by each such Holder.

The Notes are not entitled to the benefit of any sinking fund.

If a Failed Secondary Remarketing (as described in Section 5.02 of the Purchase Contract Agreement and incorporated herein by reference) has occurred, each holder of Notes who holds such Notes on the day immediately following the Purchase Contract Settlement Date shall have the right (the "Put Option") on the Business Day immediately following the Purchase Contract Settlement Date, to put such Notes to the Company, on April 1, 2005 (the "Put Option Exercise Date"), upon at least three Business Days prior notice, at a repayment price equal to the principal amount of this Note plus an amount equal to the accrued and unpaid interest thereon to the date of payment (the "Note Repayment Price").

In order for the Notes to be so repurchased, the Trustee must receive, on or prior to 5:00 p.m. New York City Time on the third Business Day immediately preceding the Put Option Exercise Date, at its Corporate Trust Office, or at an office or agency maintained by the Company in the Borough of Manhattan, The City of New York as contemplated by Section 2.03 of the Sixth Supplemental Indenture, the Notes to be repurchased with the form entitled "Option to Elect Repayment" on the reverse of or otherwise accompanying such Notes duly completed. Any such notice received by the Trustee shall be irrevocable. All questions as to the validity, eligibility (including time of receipt) and acceptance of the Notes for repayment shall be determined by the Company, whose determination shall be final and binding. The payment of the Note Repayment Price in respect of such Notes shall be made no later than 12:00 noon, New York City time, on the Put Option Exercise Date.

Usury. The interest rate on the Securities of this series shall in no event be higher than the maximum rate permitted by New York law as the same may be modified by United States law of general application.

Defeasance. The Indenture contains provisions for defeasance of (a) the entire Indebtedness of this Security and (b) certain restrictive covenants upon compliance by the Company with certain conditions set forth therein.

Events of Default. If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

Amendment to Indenture; Waiver of Defaults. The Indenture permits the Company and the Trustee, with the consent of the Holders of not less

than a majority in aggregate principal amount of the Securities of each series issued under the Indenture then outstanding and affected, to execute supplemental indentures adding any provisions to or changing in any manner the rights of the Holders of each series so affected; provided that the Company and the Trustee may not, without the consent of the Holder of each outstanding Security affected thereby, (a) extend the final maturity of any such Security, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon, or reduce any amount payable on redemption or repayment thereof, or change the currency of payment thereof, or impair or affect the rights of any Holder to institute suit for the payment; or (b) reduce the aforesaid percentage in principal amount of Securities. The Indenture contains provisions permitting the Holders of not less than a majority in aggregate principal amount of the Securities of all series with respect to which a default under the Indenture shall have occurred and be continuing (voting as one class), on behalf of the Holders of all Securities of all such series, to waive certain past defaults under the Indenture and their consequences with certain conditions set forth therein. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

Obligations Unconditional. No provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest, if any, on this Security at the time, place and rate, and in the coin or currency, herein prescribed unless otherwise agreed between the Company and the registered Holder of this Security.

Transfer and Exchange. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the registry books of the Company, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of (and premium, if any) and interest, if any, on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Trustee and duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in minimum denominations of \$25 or any integral multiple of \$25 over such minimum denomination. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentation of this Security for registration of transfer, the Company, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Issuer, the Trustee nor any such agent shall be affected by notice to the contrary.

Governing Law. This Security shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Security which are defined in the Indenture and not otherwise defined herein shall have the meanings assigned to them in the Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and premium, if any, and interest on this Note at the time and place and at the rate and in the money herein prescribed.

No recourse shall be had for the payment of the principal of or the interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture, against any incorporator, shareholder, officer or director, past, present or future, as such, of the Company or of any predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issuance hereof, expressly waived and released.

The Indenture imposes certain limitations on the ability of the

Company to, among other things, merge or consolidate with any other Person or sell, assign, transfer or lease all or substantially all of its properties or assets, and requires that the Company comply with certain further covenants. All such covenants and limitations are subject to a number of important qualifications and exceptions. The Company must report periodically to the Trustee on compliance with the covenants in the Indenture.

The Notes of this series are issuable only in registered form without coupons denominations of \$[25] and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of a different authorized denomination, as requested by the Holder surrendering the same.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Certificate evidencing such Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Purchase Contract Agent or the Company in reliance thereon, whether or not notation of such action is made upon such Certificate.

(e) The Company may set any date as a record date for the purpose of determining the Holders of Outstanding Securities entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Agreement to be given, made or taken by Holders of Securities. If any record date is set pursuant to this paragraph, the Holders of the Outstanding Income PACS and the Outstanding Growth PACS, as the case may be, on such record date, and no other Holders, shall be entitled to take the relevant action with respect to the Income PACS or the Growth PACS, as the case may be, whether or not such Holders remain Holders after such record date; provided that no such action shall be effective hereunder unless taken prior to or on the applicable Expiration Date by Holders of the requisite number of Outstanding Securities on such record date. Nothing contained in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and be of no effect), and nothing contained in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite number of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Purchase Contract Agent in writing and to each Holder of Securities in the manner set forth in Section 1.06.

With respect to any record date set pursuant to this Section, the Company may designate any date as the "Expiration Date" and from time to time may change the Expiration Date to any earlier or later day; provided that no such change shall be effective unless notice of the proposed new Expiration Date is given to the Purchase Contract Agent in writing, and to each Holder of Securities in the manner set forth in Section 1.06, prior to or on the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section, the Company shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph.

Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

SECTION 1.05. Notices.

Any notice or communication is duly given if in writing and delivered in Person or mailed by first-class mail (registered or certified, return receipt requested), telecopier (with receipt confirmed) or overnight air courier guaranteeing next day delivery, to the others' address; provided that notice shall be deemed given to the Purchase Contract Agent only upon receipt thereof:

SECTION 1.06. Notice to Holders; Waiver.

Where this Agreement provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at its address as it appears in the Security Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Agreement provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Purchase Contract Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Purchase Contract Agent shall constitute a sufficient notification for every purpose hereunder.

SECTION 1.07. Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 1.08. Successors and Assigns.

All covenants and agreements in this Agreement by the Company and the Purchase Contract Agent shall bind their respective successors and assigns, whether so expressed or not.

SECTION 1.09. Separability Clause.

In case any provision in this Agreement or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions hereof and thereof shall not in any way be affected or impaired thereby.

SECTION 1.10. Benefits of Agreement.

Nothing contained in this Agreement or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder and, to the extent provided hereby, the Holders, any benefits or any legal or equitable right, remedy or claim under this Agreement. The Holders from time to time shall be beneficiaries of this Agreement and shall be bound by all of the terms and conditions hereof and of the Securities evidenced by their Certificates by their acceptance of delivery of such Certificates.

SECTION 1.11. Governing Law.

This Agreement and the Securities shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 1.12. Legal Holidays.

In any case where any Payment Date shall not be a Business Day (notwithstanding any other provision of this Agreement or the Securities), Purchase Contract Payments or other distributions shall not be paid on such date, but Purchase Contract Payments or such other distributions shall be paid on the next succeeding Business Day with the same force and effect as if made on such Payment Date, provided that no interest shall accrue or be payable by the Company or to any Holder for the period from and after any such Payment Date.

In any case where any Purchase Contract Settlement Date or Early Settlement Date shall not be a Business Day (notwithstanding any other provision of this Agreement or the Securities) Purchase Contracts shall not be performed and Early Settlement shall not be effected on such date, but Purchase Contracts shall be performed or Early Settlement effected, as applicable, on the next succeeding Business Day with the same force and effect as if made on such Purchase Contract Settlement Date or Early Settlement Date, as applicable.

SECTION 1.13. Counterparts.

This Agreement may be executed in any number of counterparts by the parties hereto on separate counterparts, each of which, when so executed and delivered, shall be deemed an original, but all such counterparts shall together constitute one and the same instrument.

SECTION 1.14. Inspection of Agreement.

A copy of this Agreement shall be available at all reasonable times during normal business hours at the Corporate Trust Office for inspection by any Holder or Beneficial Owner.

SECTION 1.15. Appointment of Financial Institution as Agent for the Company.

The Company may appoint a financial institution (which may be the Collateral Agent) to act as its agent in performing its obligations and in accepting and enforcing performance of the obligations of the Purchase Contract Agent and the Holders, under this Agreement and the Purchase Contracts, by giving notice of such appointment in the manner provided in Section 1.05 hereof. Any such appointment shall not relieve the Company in any way from its obligations hereunder.

ARTICLE 2
CERTIFICATE FORMS

SECTION 2.01. Forms of Certificates Generally.

The Certificates (including the form of Purchase Contract forming part of each Security evidenced thereby) shall be in substantially the form set forth in Exhibit A hereto (in the case of Certificates evidencing Income PACS) or Exhibit B hereto (in the case of Certificates evidencing Growth PACS), with such letters, numbers or other marks of identification or designation and such legends or endorsements printed, lithographed or engraved thereon as may be required by the rules of any securities exchange on which the Securities are listed or any depository therefor, or as may, consistently herewith, be determined by the officers of the Company executing such Certificates, as evidenced by their execution of the

Certificates.

The definitive Certificates shall be printed, lithographed or engraved on steel engraved borders or may be produced in any other manner, all as determined by the officers of the Company executing the Securities evidenced by such Certificates, consistent with the provisions of this Agreement, as evidenced by their execution thereof.

Every Global Certificate authenticated, executed on behalf of the Holders and delivered hereunder shall bear a legend in substantially the following form:

"THIS CERTIFICATE IS A GLOBAL CERTIFICATE WITHIN THE MEANING OF THE PURCHASE CONTRACT AGREEMENT HEREINAFTER REFERRED TO AND IS REGISTERED IN THE NAME OF CEDE & CO., AS NOMINEE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION (THE "DEPOSITORY"), THE DEPOSITORY OR ANOTHER NOMINEE OF THE DEPOSITORY. THIS CERTIFICATE IS EXCHANGEABLE FOR CERTIFICATES REGISTERED IN THE NAME OF A PERSON OTHER THAN THE DEPOSITORY OR ITS NOMINEE ONLY IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE PURCHASE CONTRACT AGREEMENT AND NO TRANSFER OF THIS CERTIFICATE (OTHER THAN A TRANSFER OF THIS CERTIFICATE AS A WHOLE BY THE DEPOSITORY TO A NOMINEE OF THE DEPOSITORY OR BY A NOMINEE OF THE DEPOSITORY TO THE DEPOSITORY OR ANOTHER NOMINEE OF THE DEPOSITORY) MAY BE REGISTERED EXCEPT IN LIMITED CIRCUMSTANCES.

UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REQUESTED IN THE NAME OF CEDE & CO. OR SUCH OTHER NAME AS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT HEREON IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

SECTION 2.02. Form of Purchase Contract Agent's Certificate of Authentication.

The form of the Purchase Contract Agent's certificate of authentication of the Securities shall be in substantially the form set forth on the form of the applicable Certificates.

ARTICLE 3 THE SECURITIES

SECTION 3.01. Amount; Form and Denominations.

The aggregate number of Securities evidenced by Certificates authenticated, executed on behalf of the Holders and delivered hereunder is limited to _____ (_____ if the over-allotment option granted in the Underwriting Agreement is exercised in full), except for Certificates authenticated, executed and delivered upon registration of transfer of, in exchange for, or in lieu of, other Certificates pursuant to Sections 3.04, 3.05, 3.10, 3.13, 3.14 or 8.05.

The Certificates shall be issuable only in registered form and only in denominations of a single Income PACS or Growth PACS and any integral multiple thereof.

SECTION 3.02. Rights and Obligations Evidenced by the Certificates.

Each Income PACS Certificate shall evidence the number of Income PACS specified therein, with each such Income PACS representing (1) the ownership by the Holder thereof of a beneficial interest in a Note or the Applicable Ownership Interest of the Treasury Portfolio, as the case may be, subject to the Pledge of such Note or the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, by such Holder pursuant to the Pledge Agreement, and (2) the rights and obligations of the Holder thereof and the Company under one Purchase Contract. The Purchase Contract Agent, as attorney-in-fact for, and on behalf of, the Holder of each Income PACS shall pledge, pursuant to the Pledge Agreement, the Note or the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, forming a part of such Income PACS, to the Collateral Agent and grant to the Collateral Agent a security interest in the right, title and interest of such Holder in such Note or the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, for the benefit of the Company, to secure the obligation of the Holder under each Purchase Contract to purchase shares of Common Stock.

Upon the formation of a Growth PACS pursuant to Section 3.13, each Growth PACS Certificate shall evidence the number of Growth PACS specified therein, with each such Growth PACS representing (1) the ownership by the Holder thereof of a [1/40] undivided beneficial interest in a Treasury

Security with a principal amount equal to \$1,000, subject to the Pledge of such Treasury Security by such Holder pursuant to the Pledge Agreement, and (2) the rights and obligations of the Holder thereof and the Company under one Purchase Contract.

Prior to the purchase of shares of Common Stock under each Purchase Contract, such Purchase Contracts shall not entitle the Holder of a Security to any of the rights of a holder of shares of Common Stock, including, without limitation, the right to vote or receive any dividends or other payments or to consent or to receive notice as a shareholder in respect of the meetings of shareholders or for the election of directors of the Company or for any other matter, or any other rights whatsoever as a shareholder of the Company.

SECTION 3.03. Execution, Authentication, Delivery and Dating.

Subject to the provisions of Sections 3.13 and 3.14 hereof, upon the execution and delivery of this Agreement, and at any time and from time to time thereafter, the Company may deliver Certificates executed by the Company to the Purchase Contract Agent for authentication, execution on behalf of the Holders and delivery, together with its Issuer Order for authentication of such Certificates, and the Purchase Contract Agent in accordance with such Issuer Order shall authenticate, execute on behalf of the Holders and deliver such Certificates.

The Certificates shall be executed on behalf of the Company by its Chairman of the Board, its President or one of its Vice Presidents. The signature of any of these officers on the Certificates may be manual or facsimile.

Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Certificates or did not hold such offices at the date of such Certificates.

No Purchase Contract evidenced by a Certificate shall be valid until such Certificate has been executed on behalf of the Holder by the manual signature of an authorized signatory of the Purchase Contract Agent, as such Holder's attorney-in-fact. Such signature by an authorized signatory of the Purchase Contract Agent shall be conclusive evidence that the Holder of such Certificate has entered into the Purchase Contracts evidenced by such Certificate.

Each Certificate shall be dated the date of its authentication.

No Certificate shall be entitled to any benefit under this Agreement or be valid or obligatory for any purpose unless there appears on such Certificate a certificate of authentication substantially in the form provided for herein executed by an authorized signatory of the Purchase Contract Agent by manual signature, and such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly authenticated and delivered hereunder.

SECTION 3.04. Temporary Certificates.

Pending the preparation of definitive Certificates, the Company shall execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent shall authenticate, execute on behalf of the Holders, and deliver, in lieu of such definitive Certificates, temporary Certificates which are in substantially the form set forth in Exhibit A or Exhibit B hereto, as the case may be, with such letters, numbers or other marks of identification or designation and such legends or endorsements printed, lithographed or engraved thereon as may be required by the rules of any securities exchange on which the Income PACS or Growth PACS, as the case may be, are listed, or as may, consistently herewith, be determined by the officers of the Company executing such Certificates, as evidenced by their execution of the Certificates.

If temporary Certificates are issued, the Company will cause definitive Certificates to be prepared without unreasonable delay. After the preparation of definitive Certificates, the temporary Certificates shall be exchangeable for definitive Certificates upon surrender of the temporary Certificates at the Corporate Trust Office, at the expense of the Company and without charge to the Holder. Upon surrender for cancellation of any one or more temporary Certificates, the Company shall execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent shall authenticate, execute on behalf of the Holder, and deliver in exchange therefor, one or more definitive Certificates of like tenor and denominations and evidencing a like number of Securities as the temporary Certificate or Certificates so surrendered. Until so exchanged, the temporary Certificates shall in all respects evidence the same benefits and the same obligations with respect to the Securities, evidenced thereby as definitive Certificates.

SECTION 3.05. Registration; Registration of Transfer and Exchange.

The Purchase Contract Agent shall keep at the Corporate Trust Office a register (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Purchase Contract Agent shall provide for the registration of Certificates and of transfers of Certificates (the Purchase Contract Agent, in such capacity, the "Security Registrar"). The Security Registrar shall record separately the registration and transfer of the Certificates evidencing Income PACS and Growth PACS.

Upon surrender for registration of transfer of any Certificate at the Corporate Trust Office, the Company shall execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent shall authenticate, execute on behalf of the designated transferee or transferees, and deliver, in the name of the designated transferee or transferees, one or more new Certificates of any authorized denominations, like tenor, and evidencing a like number of Income PACS or Growth PACS, as the case may be.

At the option of the Holder, Certificates may be exchanged for other Certificates, of any authorized denominations and evidencing a like number of Income PACS or Growth PACS, as the case may be, upon surrender of the Certificates to be exchanged at the Corporate Trust Office. Whenever any Certificates are so surrendered for exchange, the Company shall execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent shall authenticate, execute on behalf of the Holder, and deliver the Certificates which the Holder making the exchange is entitled to receive.

All Certificates issued upon any registration of transfer or exchange of a Certificate shall evidence the ownership of the same number of Income PACS or Growth PACS, as the case may be, and be entitled to the same benefits and subject to the same obligations, under this Agreement as the Income PACS or Growth PACS, as the case may be, evidenced by the Certificate surrendered upon such registration of transfer or exchange.

Every Certificate presented or surrendered for registration of transfer or exchange shall (if so required by the Purchase Contract Agent) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Purchase Contract Agent duly executed, by the Holder thereof or its attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of a Certificate, but the Company and the Purchase Contract Agent may require payment from the Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Certificates, other than any exchanges pursuant to Sections 3.06 and 8.05 not involving any transfer.

Notwithstanding the foregoing, the Company shall not be obligated to execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent shall not be obligated to authenticate, execute on behalf of the Holder and deliver any Certificate in exchange for any other Certificate presented or surrendered for registration of transfer or for exchange on or after the Business Day immediately preceding the earliest of any Early Settlement Date for such Certificate, the Purchase Contract Settlement Date or the Termination Date. In lieu of delivery of a new Certificate, upon satisfaction of the applicable conditions specified above in this Section and receipt of appropriate registration or transfer instructions from such Holder, the Purchase Contract Agent shall:

(i) if the Purchase Contract Settlement Date or an Early Settlement Date with respect to such other Certificate has occurred, deliver the shares of Common Stock issuable in respect of the Purchase Contracts forming a part of the Securities evidenced by such other Certificate; or

(ii) if a Cash Settlement or an Early Settlement Date with respect to such other Certificate shall have occurred, or if a Termination Event shall have occurred prior to the Purchase Contract Settlement Date, transfer the Notes, the Treasury Securities, or the appropriate Applicable Ownership Interest of the Treasury Portfolio, as the case may be, evidenced thereby, in each case subject to the applicable conditions and in accordance with the applicable provisions of Section 3.15 and Article Five hereof.

SECTION 3.06. Book-Entry Interests.

The Certificates, on original issuance, will be issued in the form of one or more fully registered Global Certificates, to be delivered to the Depository or its custodian by, or on behalf of, the Company. The Company hereby designates DTC as the initial Depository. Such Global Certificates shall initially be registered on the books and records of the Company in the name of Cede & Co., the nominee of the Depository, and no Beneficial Owner will receive a definitive Certificate representing such Beneficial Owner's interest in such Global Certificate, except as provided in Section 3.09. The Purchase Contract Agent shall enter into an agreement with the Depository if so requested by the Company. Unless and until definitive, fully registered Certificates have been issued to Beneficial Owners

pursuant to Section 3.09:

(i) the provisions of this Section 3.06 shall be in full force and effect;

(ii) the Company shall be entitled to deal with the Depositary for all purposes of this Agreement (including making Purchase Contract Payments and receiving approvals, votes or consents hereunder) as the Holder of the Securities and the sole holder of the Global Certificates and shall have no obligation to the Beneficial Owners;

(iii) to the extent that the provisions of this Section 3.06 conflict with any other provisions of this Agreement, the provisions of this Section 3.06 shall control; and

(iv) the rights of the Beneficial Owners shall be exercised only through the Depositary and shall be limited to those established by law and agreements between such Beneficial Owners and the Depositary or the Depositary Participants.

SECTION 3.07. Notices to Holders.

Whenever a notice or other communication to the Holders is required to be given under this Agreement, the Company or the Company's agent shall give such notices and communications to the Holders and, with respect to any Securities registered in the name of the Depositary or the nominee of the Depositary, the Company or the Company's agent shall, except as set forth herein, have no obligations to the Beneficial Owners.

SECTION 3.08. Appointment of Successor Depositary.

If the Depositary elects to discontinue its services as securities depositary with respect to the Securities, the Company may, in its sole discretion, appoint a successor Depositary with respect to the Securities.

SECTION 3.09. Definitive Certificates.

If:

(i) the Depositary elects to discontinue its services as securities depositary with respect to the Securities and a successor Depositary is not appointed pursuant to Section 3.08 within 90 days after such discontinuance; or

(ii) the Company elects, after consultation with the Purchase Contract Agent, to terminate the book-entry system for the Securities, then (x) definitive Certificates shall be prepared by the Company with respect to such Securities and delivered to the Purchase Contract Agent and (y) upon surrender of the Global Certificates representing the Securities by the Depositary, accompanied by registration instructions, the Company shall cause definitive Certificates to be delivered to Beneficial Owners in accordance with the instructions of the Depositary. The Company shall not be liable for any delay in delivery of such instructions and may conclusively rely on and shall be protected in relying on, such instructions. Each definitive Certificate so delivered shall evidence Securities of the same kind and tenor as the Global Certificate so surrendered in respect thereof.

SECTION 3.10. Mutilated, Destroyed, Lost and Stolen Certificates.

If any mutilated Certificate is surrendered to the Purchase Contract Agent, the Company shall execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent shall authenticate, execute on behalf of the Holder, and deliver in exchange therefor, a new Certificate, evidencing the same number of Income PACS or Growth PACS, as the case may be, and bearing a Certificate number not contemporaneously outstanding.

If there shall be delivered to the Company and the Purchase Contract Agent (i) evidence to their satisfaction of the destruction, loss or theft of any Certificate, and (ii) such security or indemnity as may be required by them to hold each of them and any agent of any of them harmless, then, in the absence of notice to the Company or the Purchase Contract Agent that such Certificate has been acquired by a protected purchaser, the Company shall execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent shall authenticate, execute on behalf of the Holder, and deliver to the Holder, in lieu of any such destroyed, lost or stolen Certificate, a new Certificate, evidencing the same number of Income PACS or Growth PACS, as the case may be, and bearing a Certificate number not contemporaneously outstanding.

Notwithstanding the foregoing, the Company shall not be obligated to execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent shall not be obligated to authenticate, execute on behalf of the Holder, and deliver to the Holder, a Certificate on or after the Business Day immediately preceding the earliest of any Early Settlement

Date for such lost or mutilated Certificate, the Purchase Contract Settlement Date or the Termination Date. In lieu of delivery of a new Certificate, upon satisfaction of the applicable conditions specified above in this Section and receipt of appropriate registration or transfer instructions from such Holder, the Purchase Contract Agent shall:

(i) if the Purchase Contract Settlement Date or an Early Settlement Date with respect to such lost or mutilated Certificate has occurred, deliver the shares of Common Stock issuable in respect of the Purchase Contracts forming a part of the Securities evidenced by such Certificate; or

(ii) if a Cash Settlement with respect to such lost or mutilated Certificate shall have occurred or if a Termination Event shall have occurred prior to the Purchase Contract Settlement Date, transfer the Notes, the Treasury Securities or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, evidenced thereby, in each case subject to the applicable conditions and in accordance with the applicable provisions of Section 3.15 and Article Five hereof.

Upon the issuance of any new Certificate under this Section, the Company and the Purchase Contract Agent may require the payment by the Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Purchase Contract Agent) connected therewith.

Every new Certificate issued pursuant to this Section in lieu of any destroyed, lost or stolen Certificate shall constitute an original additional contractual obligation of the Company and of the Holder in respect of the Security evidenced thereby, whether or not the destroyed, lost or stolen Certificate (and the Securities evidenced thereby) shall be at any time enforceable by anyone, and shall be entitled to all the benefits and be subject to all the obligations of this Agreement equally and proportionately with any and all other Certificates delivered hereunder.

The provisions of this Section are exclusive and shall preclude, to the extent lawful, all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Certificates.

SECTION 3.11. Persons Deemed Owners.

Prior to due presentment of a Certificate for registration of transfer, the Company and the Purchase Contract Agent, and any agent of the Company or the Purchase Contract Agent, may treat the Person in whose name such Certificate is registered as the owner of the Security evidenced thereby, for the purpose of receiving distributions on the Treasury Securities, the Notes, or on the maturing quarterly interest strips of the Treasury Portfolio, as applicable, receiving Purchase Contract Payments, performance of the Purchase Contracts and for all other purposes whatsoever, whether or not any distributions on the Treasury Securities, the Notes, or Treasury Portfolio, as applicable, or Purchase Contract Payments payable on the Purchase Contracts, each constituting a part of the Security evidenced thereby shall be overdue and notwithstanding any notice to the contrary, and neither the Company nor the Purchase Contract Agent, nor any agent of the Company or the Purchase Contract Agent, shall be affected by notice to the contrary.

Notwithstanding the foregoing, with respect to any Global Certificate, nothing contained herein shall prevent the Company, the Purchase Contract Agent or any agent of the Company or the Purchase Contract Agent, from giving effect to any written certification, proxy or other authorization furnished by the Depository (or its nominee), as a Holder, with respect to such Global Certificate or impair, as between such Depository and the related Beneficial Owner, the operation of customary practices governing the exercise of rights of the Depository (or its nominee) as Holder of such Global Certificate.

SECTION 3.12. Cancellation.

All Certificates surrendered for delivery of shares of Common Stock on or after the Purchase Contract Settlement Date, upon the transfer of Notes, the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of that term) of the Treasury Portfolio or Treasury Securities, as the case may be, after the occurrence of a Termination Event or pursuant to an Early Settlement, or upon the registration of transfer or exchange of a Security, or a Collateral Substitution or the reestablishment of Income PACS shall, if surrendered to any Person other than the Purchase Contract Agent, be delivered to the Purchase Contract Agent and, if not already cancelled, shall be promptly cancelled by it. The Company may at any time deliver to the Purchase Contract Agent for cancellation any Certificates previously authenticated, executed and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Certificates so delivered shall, upon Issuer Order, be promptly cancelled by the Purchase Contract Agent. No

Certificates shall be authenticated, executed on behalf of the Holder and delivered in lieu of or in exchange for any Certificates cancelled as provided in this Section, except as expressly permitted by this Agreement. All cancelled Certificates held by the Purchase Contract Agent shall be disposed of in accordance with its customary practices.

If the Company or any Affiliate of the Company shall acquire any Certificate, such acquisition shall not operate as a cancellation of such Certificate unless and until such Certificate is delivered to the Purchase Contract Agent cancelled or for cancellation.

SECTION 3.13. Creation of Growth PACS by Substitution of Treasury Securities.

Subject to the conditions set forth in this Agreement, a Holder may separate the Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as applicable, from the related Purchase Contracts in respect of such Holder's Income PACS by substituting for such Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as applicable, Treasury Securities in an aggregate principal amount equal to the aggregate principal amount of such Notes or the principal amount of such Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as applicable (a "Collateral Substitution"), at any time from and after the date of this Agreement and prior to or on the fifth Business Day immediately preceding the Purchase Contract Settlement Date. To effect such substitution, the Holder must:

- (1) deposit with the Securities Intermediary Treasury Securities having an aggregate principal amount equal to the aggregate principal amount of the Notes comprising part of such Income PACS, as the case may be; and
- (2) transfer the related Income PACS to the Purchase Contract Agent accompanied by a notice to the Purchase Contract Agent, substantially in the form of Exhibit C hereto, (i) stating that the Holder has transferred the relevant amount of Treasury Securities to the Securities Intermediary and (ii) requesting that the Purchase Contract Agent instruct the Collateral Agent to release the Notes, as the case may be, underlying such Income PACS, whereupon the Purchase Contract Agent shall promptly provide an instruction to such effect to the Collateral Agent, substantially in the form of Exhibit A to the Pledge Agreement.

Upon receipt of the Treasury Securities described in clause (1) above and the instruction described in clause (2) above, in accordance with the terms of the Pledge Agreement, the Collateral Agent will cause the Securities Intermediary to effect the release of such Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, from the Pledge, free and clear of the Company's security interest therein, and the transfer of such Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, to the Purchase Contract Agent on behalf of the Holder. Upon receipt thereof, the Purchase Contract Agent shall promptly:

(i) cancel the related Income PACS;

(ii) transfer the Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, to the Holder; and

(iii) authenticate, execute on behalf of such Holder and deliver a Growth PACS Certificate executed by the Company in accordance with Section 3.03 evidencing the same number of Purchase Contracts as were evidenced by the cancelled Income PACS.

Holder who elect to separate the Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, from the related Purchase Contracts and to substitute Treasury Securities for such Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, shall be responsible for any fees or expenses payable to the Collateral Agent for its services as Collateral Agent in respect of the substitution, and the Company shall not be responsible for any such fees or expenses.

Holder may make Collateral Substitutions only in integral multiples of 40 Income PACS; provided that if the Treasury Portfolio has replaced the Notes as a component of the Income PACS as a result of a Successful Initial Remarketing or a Tax Event Redemption, Holder may make Collateral Substitutions at any time on or prior to the second Business Day immediately preceding the Purchase Contract Settlement Date, but only in integral multiples of _____ Income PACS.

In the event a Holder making a Collateral Substitution pursuant to

this Section 3.13 fails to effect a book-entry transfer of the Income PACS or fails to deliver Income PACS Certificates to the Purchase Contract Agent after depositing Treasury Securities with the Collateral Agent, any distributions on the Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, constituting a part of such Income PACS shall be held in the name of the Purchase Contract Agent or its nominee in trust for the benefit of such Holder, until such Income PACS are so transferred or the Income PACS Certificate is so delivered, as the case may be, or, such Holder provides evidence satisfactory to the Company and the Purchase Contract Agent that such Income PACS Certificate has been destroyed, lost or stolen, together with any indemnity that may be required by the Purchase Contract Agent and the Company.

Except as described in this Section 3.13 or in connection with a Cash Settlement, for so long as the Purchase Contract underlying an Income PACS remains in effect, such Income PACS shall not be separable into its constituent parts, and the rights and obligations of the Holder in respect of the Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, and the Purchase Contract comprising such Income PACS may be acquired, and may be transferred and exchanged, only as an Income PACS.

SECTION 3.14. Reestablishment of Income PACS.

Subject to the conditions set forth in this Agreement, a Holder of Growth PACS may reestablish Income PACS at any time (i) prior to or on the fifth Business Day immediately preceding the Purchase Contract Settlement Date, by:

- (1) depositing with the Securities Intermediary Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, having an aggregate principal amount equal to the aggregate principal amount at maturity of the Treasury Securities comprising part of the Growth PACS; and
- (2) transferring the related Growth PACS to the Purchase Contract Agent accompanied by a notice to the Purchase Contract Agent, substantially in the form of Exhibit C hereto, (i) stating that the Holder has transferred the relevant amount of Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, to the Securities Intermediary and (ii) requesting that the Purchase Contract Agent instruct the Collateral Agent to release the Treasury Securities underlying such Growth PACS, whereupon the Purchase Contract Agent shall promptly provide an instruction to such effect to the Collateral Agent, substantially in the form of Exhibit C to the Pledge Agreement.

Upon receipt of the Notes or Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, described in clause (1) above and the instruction described in clause (2) above, in accordance with the terms of the Pledge Agreement, the Collateral Agent will cause the Securities Intermediary to effect the release of the Treasury Securities having a corresponding aggregate principal amount at maturity from the Pledge, free and clear of the Company's security interest therein, and the transfer to the Purchase Contract Agent on behalf of the Holder. Upon receipt thereof, the Purchase Contract Agent shall promptly:

- (i) cancel the related Growth PACS;
- (ii) transfer the Treasury Securities to the Holder; and
- (iii) authenticate, execute on behalf of such Holder and deliver an Income PACS Certificate executed by the Company in accordance with Section 3.03 evidencing the same number of Purchase Contracts as were evidenced by the cancelled Growth PACS.

Holders who elect to reestablish Income PACS shall be responsible for any fees or expenses payable to the Collateral Agent for its services as Collateral Agent in respect of the reestablishment, and the Company shall not be responsible for any such fees or expenses.

Holders of Growth PACS may only reestablish Income PACS in integral multiples of 40 Growth PACS; provided that if the Treasury Portfolio has replaced the Notes as a component of the Income PACS as a result of a Successful Remarketing or a Tax Event Redemption, Holders may convert their Growth PACS into Income PACS by substituting Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio for Treasury Securities at any time on or prior to the second Business Day immediately preceding the Purchase Contract Settlement Date, but only in integral multiples of _____ Growth PACS.

Except as provided in this Section 3.14 or in connection with a Cash Settlement, for so long as the Purchase Contract underlying a Growth PACS remains in effect, such Growth PACS shall not be separable into its constituent parts and the rights and obligations of the Holder of such Growth PACS in respect of the [1/40] of a Treasury Security and the Purchase Contract comprising such Growth PACS may be acquired, and may be transferred and exchanged, only as a Growth PACS.

SECTION 3.15. Transfer of Collateral upon Occurrence of Termination Event.

Upon the occurrence of a Termination Event and the transfer to the Purchase Contract Agent of the Notes, the appropriate Applicable Ownership Interest of the Treasury Portfolio or the Treasury Securities, as the case may be, underlying the Income PACS and the Growth PACS, as the case may be, pursuant to the terms of the Pledge Agreement, the Purchase Contract Agent shall request transfer instructions with respect to such Notes, the appropriate Applicable Ownership Interest of the Treasury Portfolio or Treasury Securities, as the case may be, from each Holder by written request, substantially in the form of Exhibit D hereto, mailed to such Holder at its address as it appears in the Security Register.

Upon book-entry transfer of the Income PACS or the Growth PACS or delivery of an Income PACS Certificate or Growth PACS Certificate to the Purchase Contract Agent with such transfer instructions, the Purchase Contract Agent shall transfer the Notes, the appropriate Applicable Ownership Interest of the Treasury Portfolio or Treasury Securities, as the case may be, underlying such Income PACS or Growth PACS, as the case may be, to such Holder by book-entry transfer, or other appropriate procedures, in accordance with such instructions. In the event a Holder of Income PACS or Growth PACS fails to effect such transfer or delivery, the Notes, the appropriate Applicable Ownership Interest of the Treasury Portfolio or Treasury Securities, as the case may be, underlying such Income PACS or Growth PACS, as the case may be, and any distributions thereon, shall be held in the name of the Purchase Contract Agent or its nominee in trust for the benefit of such Holder, until the earlier to occur of:

(i) the transfer of such Income PACS or Growth PACS or surrender of the Income PACS Certificate or Growth PACS Certificate or receipt by the Company and the Purchase Contract Agent from such Holder of satisfactory evidence that such Income PACS Certificate or Growth PACS Certificate has been destroyed, lost or stolen, together with any indemnity that may be required by the Purchase Contract Agent and the Company; and

(ii) the expiration of the time period specified in the abandoned property laws of the relevant State in which the Purchase Contract Agent holds such property.

SECTION 3.16. No Consent to Assumption.

Each Holder of a Security, by acceptance thereof, shall be deemed expressly to have withheld any consent to the assumption under Section 365 of the Bankruptcy Code or otherwise, of the Purchase Contract by the Company or its trustee, receiver, liquidator or a person or entity performing similar functions in the event that the Company becomes the debtor under the Bankruptcy Code or subject to other similar state or Federal law providing for reorganization or liquidation.

ARTICLE 4

THE NOTES AND APPLICABLE OWNERSHIP INTEREST OF THE TREASURY PORTFOLIO

SECTION 4.01. Interest Payments; Rights to Interest Payments Preserved.

Any distribution on any Note or on the appropriate Applicable Ownership Interest of the Treasury Portfolio, as the case may be, which is paid on any Payment Date shall, subject to receipt thereof by the Purchase Contract Agent from the Collateral Agent as provided by the terms of the Pledge Agreement, be paid to the Person in whose name the Income PACS Certificate (or one or more Predecessor Income PACS Certificates) of which such Note or the appropriate Applicable Ownership Interest of the Treasury Portfolio, as the case may be, is registered at the close of business on the Record Date for such Payment Date. Any such distribution shall be subject to deferral at the option of the Company in accordance with the Indenture and the Declaration.

Each Income PACS Certificate evidencing Notes or the appropriate Applicable Ownership Interest of the Treasury Portfolio delivered under this Agreement upon registration of transfer of or in exchange for or in lieu of any other Income PACS Certificate shall carry the right to accrued and unpaid interest or distributions, and to accrue interest or distributions, which were carried by the Notes or the appropriate Applicable Ownership Interest of the Treasury Portfolio underlying such other Income PACS Certificate.

In the case of any Income PACS with respect to which Cash

Settlement of the underlying Purchase Contract is properly effected pursuant to Section 5.02 hereof, or with respect to which Early Settlement of the underlying Purchase Contract is properly effected pursuant to Section 5.04(b)(2) hereof, or with respect to which a Collateral Substitution is effected, in each case on a date that is after any Record Date and prior to or on the next succeeding Payment Date, interest on the Notes or distributions on the appropriate Applicable Ownership Interest of the Treasury Portfolio, as the case may be, underlying such Income PACS otherwise payable on such Payment Date shall be payable on such Payment Date notwithstanding such Cash Settlement or Early Settlement or Collateral Substitution, and such distributions shall, subject to receipt thereof by the Purchase Contract Agent, be payable to the Person in whose name the Income PACS Certificate (or one or more Predecessor Income PACS Certificates) was registered at the close of business on the Record Date. Except as otherwise expressly provided in the immediately preceding sentence, in the case of any Income PACS with respect to which Cash Settlement or Early Settlement of the underlying Purchase Contract is properly effected, or with respect to which a Collateral Substitution has been effected, distributions on the related Notes or the appropriate Applicable Ownership Interest of the Treasury Portfolio, as the case may be, that would otherwise be payable after the Purchase Contract Settlement Date, Early Settlement Date or the date of the Collateral Substitution, as the case may be, shall not be payable hereunder to the Holder of such Income PACS; provided, however, that to the extent that such Holder continues to hold separated Notes that formerly comprised a part of such Holder's Income PACS, such Holder shall be entitled to receive interest on such separated Notes.

SECTION 4.02. Notice and Voting.

Under the terms of the Pledge Agreement, the Purchase Contract Agent will be entitled to exercise the voting and any other consensual rights pertaining to the Pledged Notes, but only to the extent instructed in writing by the Holders as described below. Upon receipt of notice of any meeting at which holders of Notes are entitled to vote or upon any solicitation of consents, waivers or proxies of holders of Notes, the Purchase Contract Agent shall, as soon as practicable thereafter, mail, first class, postage pre-paid, to the Holders of Income PACS a notice:

(i) containing such information as is contained in the notice or solicitation;

(ii) stating that each Holder on the record date set by the Purchase Contract Agent therefor (which, to the extent possible, shall be the same date as the record date for determining the holders of Notes, as the case may be, entitled to vote) shall be entitled to instruct the Purchase Contract Agent as to the exercise of the voting rights pertaining to such Notes underlying their Income PACS; and

(iii) stating the manner in which such instructions may be given.

Upon the written request of the Holders of Income PACS on such record date received by the Purchase Contract Agent at least six days prior to such meeting, the Purchase Contract Agent shall endeavor insofar as practicable to vote or cause to be voted, in accordance with the instructions set forth in such requests, the maximum number of Notes, as the case may be, as to which any particular voting instructions are received. In the absence of specific instructions from the Holder of an Income PACS, the Purchase Contract Agent shall abstain from voting the Notes underlying such Income PACS. The Company hereby agrees, if applicable, to solicit Holders of Income PACS to timely instruct the Purchase Contract Agent in order to enable the Purchase Contract Agent to vote such Notes.

SECTION 4.03. Tax Event Redemption.

(a) Upon the occurrence of a Tax Event Redemption prior to November 16, 2004, or in the event of a Failed Initial Remarketing, prior to the Purchase Contract Settlement Date, an amount equal to the Redemption Amount, plus any accrued and unpaid interest, payable on the Tax Event Redemption Date with respect to the principal amount of the Notes shall be deposited in the Collateral Account in exchange for the Pledged Notes. Thereafter, pursuant to the terms of the Pledge Agreement, the Collateral Agent shall cause the Securities Intermediary to apply an amount equal to the Redemption Amount of such funds to purchase on behalf of the Holders of Income PACS the Treasury Portfolio and promptly remit the remaining portion of such funds to the Purchase Contract Agent for payment to the Holders of such Income PACS.

(b) The Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio will be substituted as Collateral for the Pledged Notes and will be held by the Collateral Agent in accordance with the terms of the Pledge Agreement to secure the obligation of each Holder of an Income PACS to purchase the Common Stock of the Company under the Purchase Contract constituting a part of such Income PACS. Following the occurrence of a Tax Event Redemption prior to the Purchase Contract Settlement Date, the Holders of Income PACS

and the Collateral Agent shall have such security interest rights and obligations with respect to the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio as the Holders of Income PACS and the Collateral Agent had in respect of the Notes, as the case may be, subject to the Pledge thereof as provided in the Pledge Agreement, and any reference herein to the Notes shall be deemed to be reference to such Treasury Portfolio. The Company may cause to be made in any Income PACS Certificates thereafter to be issued such change in phraseology and form (but not in substance) as may be appropriate to reflect the substitution of the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio for Notes as Collateral.

ARTICLE 5
THE PURCHASE CONTRACTS

SECTION 5.01. Purchase of Shares of Common Stock.

(a) Each Purchase Contract shall obligate the Holder of the related Security to purchase, and the Company to sell, on the Purchase Contract Settlement Date at a price equal to the Stated Amount (the "Purchase Price"), a number of shares of Common Stock (subject to Section 5.09) equal to the Settlement Rate unless an Early Settlement has occurred in accordance with Section 5.04(b)(2) hereof or, prior to or on the Purchase Contract Settlement Date, there shall have occurred a Termination Event with respect to the Security of which such Purchase Contract is a part. The "Settlement Rate" is equal to:

(i) if the Applicable Market Value (as defined below) is greater than \$_____ (the "Appreciation Cap Price"), the number of shares of Common Stock per Purchase Contract having a value, based on the Applicable Market Value, equal to _____ multiplied by the Appreciation Cap Price divided by the Applicable Market Value; and

(ii) if the Applicable Market Value is less than or equal to the Appreciation Cap Price, _____ shares of Common Stock per Purchase Contract;

in each case subject to adjustment as provided in Section 5.04 (and in each case rounded upward or downward to the nearest 1/10,000th of a share).

The "Applicable Market Value" means the average of the Closing Price per share of Common Stock on each of the 20 consecutive Trading Days ending on the third Trading Day immediately preceding the Purchase Contract Settlement Date.

The "Closing Price" per share of Common Stock on any date of determination means:

(i) the closing sale price as of the 4:15 p.m. close of the principal trading session (or, if no closing price is reported, the last reported sale price) per share on the New York Stock Exchange, Inc. (the "NYSE") on such date;

(ii) if the Common Stock is not listed for trading on the NYSE on any such date, the closing sale price per share as reported in the composite transactions for the principal United States securities exchange on which the Common Stock is so listed;

(iii) if the Common Stock is not so listed on a United States national or regional securities exchange, the closing sale price per share as reported by The Nasdaq Stock Market;

(iv) if the Common Stock is not so reported, the last quoted bid price for the Common Stock in the over-the-counter market as reported by the National Quotation Bureau or similar organization; or

(v) the market value of Common Stock on such date as determined by a nationally recognized independent investment banking firm retained for this purpose by the Company.

A "Trading Day" means a day on which the Common Stock (1) is not suspended from trading on any national or regional securities exchange or association or over-the-counter market at the close of business and (2) has traded at least once on the national or regional securities exchange or association or over-the-counter market that is the primary market for the trading of the Common Stock.

(b) Each Holder of an Income PACS or a Growth PACS, by its acceptance thereof:

(i) irrevocably authorizes the Purchase Contract Agent to enter into and perform the related Purchase Contract on its behalf as its attorney-in- fact (including the execution of Certificates on behalf of such Holder);

(ii) agrees to be bound by the terms and provisions thereof;

(iii) covenants and agrees to perform its obligations under such Purchase Contract;

(iv) consents to the provisions hereof;

(v) irrevocably authorizes the Purchase Contract Agent to enter into and perform this Agreement and the Pledge Agreement on its behalf as its attorney-in-fact; and

(vi) consents to, and agrees to be bound by, the Pledge of such Holder's right, title and interest in and to the Collateral Account, including the Notes, the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio or the Treasury Securities pursuant to the Pledge Agreement,

provided that upon a Termination Event, the rights of the Holder of such Security under the Purchase Contract may be enforced without regard to any other rights or obligations.

(c) Each Holder of an Income PACS or a Growth PACS, by its acceptance thereof, further covenants and agrees, that to the extent and in the manner provided in Section 5.02 and the Pledge Agreement, but subject to the terms thereof, Proceeds of the Notes, the Treasury Securities or the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as applicable, on the Purchase Contract Settlement Date, shall be paid by the Collateral Agent to the Company in satisfaction of such Holder's obligations under such Purchase Contract and such Holder shall acquire no right, title or interest in such Proceeds.

(d) Upon registration of transfer of a Certificate, the transferee shall be bound (without the necessity of any other action on the part of such transferee) by the terms of this Agreement, the Purchase Contracts underlying such Certificate and the Pledge Agreement and the transferor shall be released from the obligations under this Agreement, the Purchase Contracts underlying the Certificate so transferred and the Pledge Agreement. The Company covenants and agrees, and each Holder of a Certificate, by its acceptance thereof, likewise covenants and agrees, to be bound by the provisions of this paragraph.

SECTION 5.02. Initial Remarketing; Payment of Purchase Price.

(a) (i) Unless a Tax Event Redemption has occurred, the Company shall engage Merrill Lynch, Pierce, Fenner & Smith Incorporated, as Remarketing Agent (the "Remarketing Agent") pursuant to the Remarketing Agreement (and subject to removal as provided in the Remarketing Agreement) to sell the Notes (the "Initial Remarketing") on the third Business Day immediately preceding November 16, 2004 (the "Initial Remarketing Date"). In order to facilitate the Initial Remarketing, the Purchase Contract Agent shall notify, by 11:00 a.m. (New York City time), on the Business Day immediately preceding the Initial Remarketing Date, the Remarketing Agent of the aggregate principal amount of Notes to be remarketed. Concurrently, the Collateral Agent, pursuant to the terms of the Pledge Agreement, will present for Remarketing such Notes to the Remarketing Agent. Upon receipt of such notice from the Purchase Contract Agent and such Notes from the Collateral Agent, the Remarketing Agent will, on the Initial Remarketing Date, use its reasonable efforts to remarket such Notes on such date at a price of approximately 100.5% (but not less than 100%) of the Treasury Portfolio Purchase Price. If the Remarketing Agent is able to remarket the Notes at a price equal to or greater than 100% of the Treasury Portfolio Purchase Price (a "Successful Initial Remarketing"), the portion of the proceeds from such Successful Initial Remarketing equal to the Treasury Portfolio Purchase Price will be applied to purchase the Treasury Portfolio. In addition, the Remarketing Agent may deduct as a remarketing fee (the "Remarketing Fee") an amount equal to 25 basis points (0.25%) of the Treasury Portfolio Purchase Price from any amount of such proceeds in excess of the Treasury Portfolio Purchase Price. Any proceeds in excess of those required to pay the Treasury Portfolio Purchase Price and the Remarketing Fee will be remitted to the Purchase Contract Agent for payment to the Holders of the related Income PACS. Income PACS Holders whose Notes are so remarketed will not otherwise be responsible for the payment of any Remarketing Fee in connection therewith. The Treasury Portfolio will be substituted for the Notes of Holders of Income PACS and will be pledged to the Collateral Agent to secure the Income PACS Holders' obligation to pay the Purchase Price for the Common Stock under the related Purchase Contracts on the Purchase Contract Settlement Date. Following the occurrence of a Successful Initial Remarketing, the Holders of Income PACS and the Collateral Agent shall have such security interests, rights and obligations with respect to the Treasury Portfolio as the Holder of Income PACS and the Collateral Agent had in respect of the Notes, subject to the Pledge thereof as provided in the Pledge Agreement, and any reference herein or in the Certificates to the Notes shall be deemed to be a reference to such Treasury Portfolio and any reference herein or in the

Certificates to interest on the Notes shall be deemed to be a reference to corresponding distributions on the Treasury Portfolio. The Company may cause to be made in any Income PACS Certificates thereafter to be issued such change in phraseology and form (but not in substance) as may be appropriate to reflect the substitution of the Treasury Portfolio for Notes as Collateral.

If, in spite of using its reasonable efforts, the Remarketing Agent cannot remarket the related Notes (other than to the Company) of such Holders of Income PACS at a price not less than 100% of the Treasury Portfolio Purchase Price or a condition precedent set forth in the Remarketing Agreement is not fulfilled, the remarketing will be deemed to have failed (a "Failed Initial Remarketing"). The Company will cause a notice of a Failed Initial Remarketing to be published on the second Business Day immediately preceding November 16, 2004 in a daily newspaper in the English language of general circulation in The City of New York, which is expected to be the Wall Street Journal.

(ii) A holder of a Note that is no longer part of an Income PACS may elect to have such Note remarketed in the Initial Remarketing. A holder making such an election must notify the Indenture Trustee prior to 11:00 a.m. (New York City time) on the second Business Day immediately preceding the Initial Remarketing Date, of the aggregate number of Notes that are not part of Income PACS to be remarketed. Any such notice will be irrevocable and may not be conditioned upon the level at which the Reset Rate is established in the Remarketing. Concurrently, the Indenture Trustee shall cause such Notes to be presented to the Remarketing Agent for Remarketing.

(iii) Not later than 7 calendar days nor more than 15 calendar days prior to the Initial Remarketing Date, the Company shall request the Depository to notify the Beneficial Owners or Depository Participants holding Securities of the procedures to be followed in the Initial Remarketing.

(b) (i) Unless a Tax Event Redemption, Successful Initial Remarketing, Termination Event or Early Settlement has occurred, each Holder who intends to pay in cash to satisfy such Holder's obligations under the Purchase Contract on the Purchase Contract Settlement Date shall notify the Purchase Contract Agent by use of a notice in substantially the form of Exhibit E hereto of his intention to pay in cash ("Cash Settlement") the Purchase Price for the shares of Common Stock to be purchased pursuant to the related Purchase Contract. Such notice shall be given prior to 5:00 p.m. (New York City time) on the fifth Business Day immediately preceding the Purchase Contract Settlement Date. Prior to 11:00 a.m. (New York City time) on the next succeeding Business Day, the Purchase Contract Agent shall notify the Collateral Agent and the Indenture Trustee of the receipt of such notices from Holders intending to make a Cash Settlement.

(ii) A Holder of an Income PACS who has so notified the Purchase Contract Agent of his intention to effect a Cash Settlement in accordance with paragraph 5.02(b)(i) above shall pay the Purchase Price to the Securities Intermediary for deposit in the Collateral Account prior to 11:00 a.m. (New York City time) on the fourth Business Day immediately preceding the Purchase Contract Settlement Date, in lawful money of the United States by certified or cashiers' check or wire transfer, in each case in immediately available funds payable to or upon the order of the Securities Intermediary. Any cash received by the Collateral Agent shall be invested promptly by the Securities Intermediary in Permitted Investments and paid to the Company on the Purchase Contract Settlement Date in settlement of the Purchase Contracts in accordance with the terms of this Agreement and the Pledge Agreement. Any funds received by the Securities Intermediary in respect of the investment earnings from such Permitted Investments in excess of the Purchase Price for the shares of Common Stock to be purchased by such Holder shall be distributed to the Purchase Contract Agent when received for payment to the Holder.

(iii) If a Holder of an Income PACS fails to notify the Purchase Contract Agent of his intention to make a Cash Settlement in accordance with paragraph 5.02(b)(i) above, or does notify the Purchase Contract Agent as provided in paragraph 5.02(b)(i) above of his intention to pay the Purchase Price in cash, but fails to make such payment as required by paragraph 5.02(b)(ii) above, such Holder shall be deemed to have consented to the disposition of the Pledged Notes pursuant to the Secondary Remarketing as described in paragraph 5.02(c) below.

(iv) Promptly after 11:00 a.m. (New York City time) on the fourth Business Day preceding the Purchase Contract Settlement Date, the Purchase Contract Agent, based on notices received by the Purchase Contract Agent pursuant to Section 5.02(b) hereof and notice from the Securities Intermediary regarding cash received by it prior to such time, shall notify the Collateral Agent and the Property Trustee or the Indenture Trustee, as applicable of the

aggregate number of Notes to be tendered for purchase in the Remarketing in a notice substantially in the form of Exhibit F hereto.

(v) Not later than 7 calendar days nor more than 15 calendar days prior to the Secondary Remarketing Date, the Company shall request the Depository to notify the Beneficial Owners or Depository Participants holding Securities of the procedures to be followed in the Secondary Remarketing.

(c) (i) Unless a Tax Event Redemption or a Successful Initial Remarketing has occurred, the Notes of Income PACS Holders electing to have their Notes remarketed or of Income PACS Holders who have not notified the Purchase Contract Agent of their intention to effect a Cash Settlement as provided in paragraph 5.02(b)(i) above, or who have so notified the Purchase Contract Agent but failed to make such payment as required by paragraph 5.02(b)(ii) above will be sold by the Remarketing Agent (the "Secondary Remarketing") on the third Business Day immediately preceding the Purchase Contract Settlement Date (the "Secondary Remarketing Date"). In order to facilitate the Secondary Remarketing, the Purchase Contract Agent, based on the notices specified in Section 5.02(b)(iv), shall notify the Remarketing Agent, promptly after 11:00 a.m. (New York City time) on the Business Day immediately preceding the Secondary Remarketing Date, of the aggregate number of Notes to be remarketed. Concurrently, the Collateral Agent, pursuant to the terms of the Pledge Agreement, shall cause such Notes to be presented to the Remarketing Agent for Remarketing.

(ii) A holder of a Note that is no longer part of an Income PACS may elect to have such Note remarketed. A holder making such an election must notify the Indenture Trustee prior to 11:00 a.m. (New York City time) on the fifth Business Day immediately preceding the Purchase Contract Settlement Date, of the aggregate number of Notes that are not part of Income PACS to be remarketed. Any such notice will be irrevocable and may not be conditioned upon the level at which the Reset Rate is established in the Remarketing. Concurrently, the Indenture Trustee shall cause such Notes to be presented to the Remarketing Agent for Remarketing.

(iii) Upon receipt of such notice from the Purchase Contract Agent and such Notes, as set forth in clauses (i) and (ii) above, the Remarketing Agent shall, on the Secondary Remarketing Date, use reasonable efforts to remarket such Notes on such date at a price equal to 100.5% (but not less than 100%) of the aggregate principal amount of such Notes, as provided in the Remarketing Agreement. If the Remarketing Agent is able to remarket the Notes at a price equal to or greater than 100% of the aggregate principal amount of Notes (a "Successful Secondary Remarketing"), the Remarketing Agent will remit the proceeds from such Successful Secondary Remarketing to the Collateral Agent; provided that the Remarketing Agent may deduct as the Remarketing Fee an amount equal to 25 basis points (0.25%) of the aggregate principal amount of the remarketed Notes from any amount of the proceeds of a Successful Secondary Remarketing in excess of the aggregate principal amount of the remarketed Notes. The proceeds from the Remarketing remitted to the Collateral Agent shall be invested by the Collateral Agent in Permitted Investments, in accordance with the Pledge Agreement, and then applied to satisfy in full such Income PACS Holders' obligations to pay the Purchase Price for the shares of Common Stock under the related Purchase Contracts on the Purchase Contract Settlement Date. Any proceeds in excess of those required to pay the Purchase Price and the Remarketing Fee will be remitted to the Purchase Contract Agent for payment to the Holders of the related Income PACS. Income PACS Holders whose Notes are so remarketed will not otherwise be responsible for the payment of any Remarketing Fee in connection therewith.

(iv) If, in spite of using its reasonable efforts, the Remarketing Agent cannot remarket the related Notes of such Holders of Income PACS at a price not less than 100.0% of the Stated Amount or a condition precedent set forth in the Remarketing Agreement is not fulfilled, the remarketing will be deemed to have failed (a "Failed Secondary Remarketing"), an event of default shall be deemed to have occurred under this Agreement and the Pledge Agreement and in accordance with the terms of the Pledge Agreement, the Collateral Agent, for the benefit of the Company, shall exercise its rights as a secured party with respect to such Notes, including those actions specified in paragraph 5.02(d) below; provided, that if upon a Failed Remarketing the Collateral Agent exercises such rights for the benefit of the Company with respect to such Notes, any accrued and unpaid interest on such Notes shall become payable by the Company to the Purchase Contract Agent for payment to the Beneficial Owner of the Income PACS to which such Notes relate. The Company shall cause a notice of such Failed Remarketing to be published on the second Business Day immediately preceding the Purchase Contract Settlement Date in a daily newspaper in the English language of

general circulation in the City of New York, which is expected to be The Wall Street Journal and such notice shall include the procedures that must be followed if a Holder of Notes (whether or not as a component of Income PACS) wishes to exercise its right to put the Notes to the Company following a Failed Secondary Remarketing, as set forth in the Sixth Supplemental Indenture.

(d) With respect to any Notes which are subject to a Failed Secondary Remarketing, the Collateral Agent for the benefit of the Company reserves all of its rights as a secured party with respect thereto and, subject to applicable law and paragraph 5.02(h) below, shall, in full satisfaction of the Holders' obligations under the Purchase Contracts among other things, (i) retain the Notes, (ii) sell the Notes in one or more public or private sales or (iii) take, or choose not to take, any other action with respect to the Notes, which in every case specified in (i), (ii) and (iii) shall constitute payment in full for the aggregate Purchase Price for the shares of Common Stock to be purchased under the Purchase Contracts.

(e) (i) Unless a Holder of a Growth PACS or Income PACS (if a Tax Event Redemption or a Successful Initial Remarketing has occurred) effects an Early Settlement of the underlying Purchase Contract through the early delivery of cash to the Purchase Contract Agent in the manner described in Section 5.04(b)(2), each Holder of a Growth PACS or Income PACS (if a Tax Event Redemption or a Successful Initial Remarketing has occurred) who intends to pay in cash shall notify the Purchase Contract Agent by use of a notice in substantially the form of Exhibit E hereto of his intention to pay in cash the Purchase Price for the shares of Common Stock to be purchased pursuant to the related Purchase Contract. Such notice shall be given prior to 5:00 p.m. (New York City time) on the second Business Day immediately preceding the Purchase Contract Settlement Date. Prior to 11:00 a.m. (New York City time) on the next succeeding Business Day, the Purchase Contract Agent shall notify the Collateral Agent of the receipt of such notices from such Holders intending to make a Cash Settlement. Growth PACS holders may make Cash Settlements only in integral multiples of 40 Growth PACS.

(ii) A Holder of a Growth PACS or Income PACS (if a Tax Event Redemption or a Successful Initial Remarketing has occurred) who has so notified the Purchase Contract Agent of his intention to make a Cash Settlement in accordance with paragraph 5.02(e)(i) above shall pay the Purchase Price to the Securities Intermediary for deposit in the Collateral Account prior to 11:00 a.m. (New York City time) on the Business Day immediately preceding the Purchase Contract Settlement Date, in lawful money of the United States by certified or cashiers' check or wire transfer, in each case in immediately available funds payable to or upon the order of the Securities Intermediary. Any cash received by the Collateral Agent shall be invested promptly by the Securities Intermediary in Permitted Investments and paid to the Company on the Purchase Contract Settlement Date in settlement of the Purchase Contract in accordance with the terms of this Agreement and the Pledge Agreement. Any funds received by the Securities Intermediary in respect of the investment earnings from the investment in such Permitted Investments in excess of the Purchase Price for the shares of Common Stock to be purchased by such Holder shall be distributed to the Purchase Contract Agent when received for payment to the Holder.

(iii) If a Holder of a Growth PACS or Holder of an Income PACS (if a Tax Event Redemption or a Successful Initial Remarketing has occurred) fails to notify the Purchase Contract Agent of his intention to make a Cash Settlement in accordance with paragraph 5.02(e)(i) above, or does not notify the Purchase Contract Agent as provided in paragraph 5.02(e)(i) above of his intention to pay the Purchase Price in cash, but fails to make such payment as required by paragraph 5.02(e)(ii) above, then upon the maturity of the Pledged Treasury Securities or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio held by the Securities Intermediary on the Business Day immediately preceding the Purchase Contract Settlement Date, the principal amount of the Treasury Securities or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio received by the Securities Intermediary shall be invested promptly in Permitted Investments. On the Purchase Contract Settlement Date, an amount equal to the Purchase Price shall be remitted to the Company as payment thereof without receiving any instructions from the Holder. In the event the sum of the proceeds from the related Pledged Treasury Securities or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio and the investment earnings earned from such investments is in excess of the aggregate Purchase Price of the Purchase Contracts being settled thereby, the Collateral Agent shall cause the Securities Intermediary to distribute such excess to the Purchase Contract Agent for the benefit of the Holder of the related Growth PACS or Income PACS when received.

(f) Any distribution to Holders of any payments described above shall be payable at the office of the Purchase Contract Agent in New York City maintained for that purpose or, at the option of the Holder, by check mailed to the address of the Person entitled thereto at such address as it appears on the Security Register.

(g) Upon Cash Settlement of any Purchase Contract:

(i) the Collateral Agent will in accordance with the terms of the Pledge Agreement cause the Pledged Notes, the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio or the Pledged Treasury Securities, as the case may be, underlying the relevant Security to be released from the Pledge, free and clear of any security interest of the Company, and transferred to the Purchase Contract Agent for delivery to the Holder thereof or its designee as soon as practicable; and

(ii) subject to the receipt thereof, the Purchase Contract Agent shall, by book-entry transfer or other appropriate procedures, in accordance with written instructions provided by the Holder thereof, transfer such Notes, or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio or such Treasury Securities, as the case may be (or, if no such instructions are given to the Purchase Contract Agent by the Holder, the Purchase Contract Agent shall hold such Notes, or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio or such Treasury Securities, as the case may be, and any interest payment thereon, in the name of the Purchase Contract Agent or its nominee in trust for the benefit of such Holder until the expiration of the time period specified in the abandoned property laws of the relevant state where such property is held).

(h) The obligations of the Holders to pay the Purchase Price are non-recourse obligations and, except to the extent satisfied by Early Settlement or Cash Settlement, are payable solely out of the proceeds of any Collateral pledged to secure the obligations of the Holders and in no event will Holders be liable for any deficiency between the proceeds of the disposition of Collateral and the Purchase Price.

(i) The Company shall not be obligated to issue any shares of Common Stock in respect of a Purchase Contract or deliver any certificates thereof to the Holder of the related Security unless the Company shall have received payment in full for the aggregate Purchase Price for the Common Stock to be purchased thereunder in the manner herein set forth.

SECTION 5.03. Issuance of Shares of Common Stock.

Unless a Termination Event or an Early Settlement shall have occurred, subject to Section 5.04(b), on the Purchase Contract Settlement Date upon receipt of the aggregate Purchase Price payable on all Outstanding Securities, the Company shall issue and deposit with the Purchase Contract Agent, for the benefit of the Holders of the Outstanding Securities, one or more certificates representing newly issued shares of Common Stock registered in the name of the Purchase Contract Agent (or its nominee) as custodian for the Holders (such certificates for shares of Common Stock, together with any dividends or distributions for which a record date and payment date for such dividend or distribution has occurred after the Purchase Contract Settlement Date, being hereinafter referred to as the "Purchase Contract Settlement Fund") to which the Holders are entitled hereunder.

Subject to the foregoing, upon surrender of a Certificate to the Purchase Contract Agent on or after the Purchase Contract Settlement Date or Early Settlement Date, as the case may be, together with settlement instructions thereon duly completed and executed, the Holder of such Certificate shall be entitled to receive forthwith in exchange therefor a certificate representing that number of newly issued whole shares of Common Stock which such Holder is entitled to receive pursuant to the provisions of this Article Five (after taking into account all Securities then held by such Holder), together with cash in lieu of fractional shares as provided in Section 5.09 and any dividends or distributions with respect to such shares constituting part of the Purchase Contract Settlement Fund, but without any interest thereon, and the Certificate so surrendered shall forthwith be cancelled. Such shares shall be registered in the name of the Holder or the Holder's designee as specified in the settlement instructions provided by the Holder to the Purchase Contract Agent. If any shares of Common Stock issued in respect of a Purchase Contract are to be registered to a Person other than the Person in whose name the Certificate evidencing such Purchase Contract is registered, no such registration shall be made unless the Person requesting such registration has paid any transfer and other taxes required by reason of such registration in a name other than that of the registered Holder of the Certificate evidencing such Purchase Contract or has established to the satisfaction of the Company that such tax either has been paid or is not payable.

SECTION 5.04. Adjustment of Settlement Rate.

(a) Adjustments for Dividends, Distributions, Stock Splits, Etc.

(1) In case the Company shall pay or make a dividend or other distribution on Common Stock in Common Stock, the Settlement Rate in effect at the opening of business on the day following the date fixed for the determination of shareholders entitled to receive such dividend or other distribution shall be increased by dividing such Settlement Rate by a fraction of which:

(i) the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination; and

(ii) the denominator shall be the sum of such number of shares and the total number of shares constituting such dividend or other distribution,

such increase to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this paragraph (1), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include any shares issuable in respect of any scrip certificates issued in lieu of fractions of shares of Common Stock. The Company agrees that it shall not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company.

(2) In case the Company shall issue rights, warrants or options to all holders of its Common Stock (not being available on an equivalent basis to Holders of the Securities upon settlement of the Purchase Contracts underlying such Securities) entitling them, for a period expiring within 45 days after the record date for the determination of shareholders entitled to receive such rights, warrants or options, to subscribe for or purchase shares of Common Stock at a price per share less than the Current Market Price per share of Common Stock on the date of announcement of such issuance, the Settlement Rate in effect at the opening of business on the day following the date of such announcement shall be increased by dividing such Settlement Rate by a fraction of which:

(i) the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock which the aggregate of the offering price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such Current Market Price; and

(ii) the denominator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock so offered for subscription or purchase,

such increase to become effective immediately after the opening of business on the day following the date of such announcement. For the purposes of this paragraph (2), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include any shares issuable in respect of any scrip certificates issued in lieu of fractions of shares of Common Stock. The Company agrees that it shall not issue any such rights, warrants or options in respect of shares of Common Stock held in the treasury of the Company.

(3) In case outstanding shares of Common Stock shall be subdivided or split into a greater number of shares of Common Stock, the Settlement Rate in effect at the opening of business on the day following the day upon which such subdivision or split becomes effective shall be proportionately increased, and, conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the Settlement Rate in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately reduced, such increase or reduction, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision, split or combination becomes effective.

(4) In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock evidences of its indebtedness or assets (including securities, but excluding any rights, warrants or options referred to in paragraph (2) of this Section 5.04(a), any dividend or distribution paid exclusively in cash and any dividend or distribution referred to in paragraph (1) of this Section 5.04(a)), the Settlement Rate shall be adjusted so that the same shall equal the rate determined by dividing the Settlement Rate in effect immediately prior to the close of business on the date fixed for the determination of shareholders entitled to receive such distribution by a fraction of which:

(i) the numerator shall be the Current Market Price per share of Common Stock on the date fixed for such determination

less the then fair market value (as reasonably determined by the Board of Directors, whose determination shall be conclusive and the basis for which shall be described in a Board Resolution) of the portion of the assets or evidences of indebtedness so distributed applicable to one share of Common Stock; and

(ii) the denominator shall be such Current Market Price per share of Common Stock,

such adjustment to become effective immediately prior to the opening of business on the day following the date fixed for the determination of shareholders entitled to receive such distribution. In any case in which this paragraph (4) is applicable, paragraph (2) of this Section 5.04(a) shall not be applicable. In the event that such dividend or distribution is not so paid or made, the Settlement Rate shall again be adjusted to be the Settlement Rate which would then be in effect if such dividend or distribution had not been declared.

(5) In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock cash (excluding any cash that is distributed in a Reorganization Event to which Section 5.6(b) applies or as part of a distribution referred to in paragraph (4) of this Section) in an aggregate amount that, combined together with (II) the aggregate amount of any other distributions to all holders of its Common Stock made exclusively in cash within the 12 months preceding the date of payment of such distribution and in respect of which no adjustment pursuant to this paragraph (5) or paragraph (6) of this Section has been made and (III) the aggregate of any cash plus the fair market value (as determined by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution) of consideration payable in respect of any tender or exchange offer by the Company or any of its subsidiaries for all or any portion of the Common Stock concluded within the 12 months preceding the date of payment of the distribution described in clause (I) above and in respect of which no adjustment pursuant to this paragraph (5) or paragraph (6) of this Section has been made, exceeds 15% of the product of the Current Market Price per share of the Common Stock on the date for the determination of holders of shares of Common Stock entitled to receive such distribution multiplied by the number of shares of Common Stock outstanding on such date, then, in such case, the Settlement Rate shall be increased so that the same shall equal the rate determined by dividing the Settlement Rate in effect immediately prior to the close of business on such record date by a fraction of which:

(i) the numerator shall be the Current Market Price of Common Stock on the record date less the amount of cash so distributed (and not excluded as provided above) applicable to one share of Common Stock; and

(ii) the denominator shall be the Current Market Price of Common Stock,

such increase to be effective immediately prior to the opening of business on the day following the record date; provided, however, that in the event the portion of cash so distributed applicable to one share of Common Stock is equal to or greater than the Current Market Price per share of Common Stock on the record date, in lieu of the foregoing adjustment, adequate provision shall be made so that each holder of a Security shall have the right to receive upon settlement of the Securities the amount of cash such Holder would have received had such Holder settled each Security on the record date. In the event that such dividend or distribution is not so paid or made, the Settlement Rate shall again be adjusted to be the Settlement Rate which would then be in effect if such dividend or distribution had not been declared.

(6) In case a tender or exchange offer made by the Company or any subsidiary of the Company for all or any portion of Common Stock shall expire and such tender or exchange offer (as amended upon the expiration thereof) shall require the payment to shareholders (based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of Purchased Shares as herein defined) of (I) an aggregate consideration having a fair market value (as reasonably determined by the Board of Directors, whose determination shall be conclusive and the basis for which shall be described in a Board Resolution) that combined together with the aggregate of the cash plus the fair market value (as reasonably determined by the Board of Directors, whose determination shall be conclusive and the basis for which shall be described in a Board Resolution), as of the expiration of such tender or exchange offer, of consideration payable in respect of any other tender or exchange offer, by the Company or any subsidiary of the Company for all or any portion of Common Stock expiring within the 12 months preceding the expiration of such tender or exchange offer and in respect of which no adjustment pursuant to this paragraph (6) has been made, and (II) the aggregate amount of any distributions to all holders of Common Stock made exclusively in cash within the 12 months preceding the expiration of such tender or exchange offer and in respect of which no adjustment pursuant to paragraph (6) has been made, exceeds 15% of the product of the Current Market Price per share of Common Stock as of the last time (the "Expiration Time") tenders could have been made pursuant to such tender or exchange offer (as it may be amended) times the number of

shares of Common Stock outstanding (including any tendered shares) on the Expiration Time, then, and in each such case, immediately prior to the opening of business on the day after the date of the Expiration Time, the Settlement Rate shall be adjusted so that the same shall equal the rate determined by dividing the Settlement Rate immediately prior to the close of business on the date of the Expiration Time by a fraction:

(i) the numerator of which shall be equal to (A) the product of (I) the Current Market Price per share of Common Stock on the date of the Expiration Time and (II) the number of shares of Common Stock outstanding (including any tendered shares) on the Expiration Time less (B) the amount of cash plus the fair market value (determined as aforesaid) of the aggregate consideration payable to shareholders based on the transactions described in clauses (I) and (II) above (assuming in the case of clause (I) the acceptance, up to any maximum specified in the terms of the tender or exchange offer, of Purchased Shares); and

(ii) the denominator of which shall be equal to the product of (A) the Current Market Price per share of Common Stock as of the Expiration Time and (B) the number of shares of Common Stock outstanding (including any tendered shares) as of the Expiration Time less the number of all shares validly tendered and not withdrawn as of the Expiration Time (the shares deemed so accepted, up to any such maximum, being referred to as the "Purchased Shares").

(7) The reclassification of Common Stock into securities including securities other than Common Stock (other than any reclassification upon a Reorganization Event to which Section 5.04(b) applies) shall be deemed to involve:

(i) a distribution of such securities other than Common Stock to all holders of Common Stock (and the effective date of such reclassification shall be deemed to be "the date fixed for the determination of shareholders entitled to receive such distribution" and the "date fixed for such determination" within the meaning of paragraph (4) of this Section); and

(ii) a subdivision, split or combination, as the case may be, of the number of shares of Common Stock outstanding immediately prior to such reclassification into the number of shares of Common Stock outstanding immediately thereafter (and the effective date of such reclassification shall be deemed to be "the day upon which such subdivision or split becomes effective" or "the day upon which such combination becomes effective", as the case may be, and "the day upon which such subdivision, split or combination becomes effective" within the meaning of paragraph (3) of this Section).

(8) The "Current Market Price" per share of Common Stock on any date of determination means the average of the daily Closing Prices for the ten consecutive Trading Days ending not later than the earlier of such date of determination and the day before the "ex date" with respect to the issuance or distribution requiring such computation. For purposes of this paragraph, the term "ex date," when used with respect to any issuance or distribution, shall mean the first date on which Common Stock trades regular way on such exchange or in such market without the right to receive such issuance or distribution.

(9) All adjustments to the Settlement Rate shall be calculated to the nearest 1/10,000th of a share of Common Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment in the Settlement Rate shall be required unless such adjustment would require an increase or decrease of at least one percent thereof; provided, however, that any adjustments which by reason of this subparagraph are not required to be made shall be carried forward and taken into account in any subsequent adjustment. If an adjustment is made to the Settlement Rate pursuant to paragraph (1), (2), (3), (4), (5), (6), (7) or (10) of this Section 5.04(a), an adjustment shall also be made to the Applicable Market Value solely to determine which of clauses (i), (ii) or (iii) of the definition of Settlement Rate in Section 5.01 will apply on the Purchase Contract Settlement Date. Such adjustment shall be made by multiplying the Applicable Market Value by a fraction of which the numerator shall be the Settlement Rate immediately after such adjustment pursuant to paragraph (1), (2), (3), (4), (5), (6), (7) or (10) of this Section 5.04(a) and the denominator shall be the Settlement Rate immediately prior to such adjustment; provided, however, that if such adjustment to the Settlement Rate is required to be made pursuant to the occurrence of any of the events contemplated by paragraph (1), (2), (3), (4), (5), (6), (7) or (10) of this Section 5.04(a) during the period taken into consideration for determining the Applicable Market Value, appropriate and customary adjustments shall be made to the Settlement Rate.

(10) The Company may, but shall not be required to, make such increases in the Settlement Rate, in addition to those required by this Section, as it considers to be advisable in order to avoid or diminish any income tax to any holders of shares of Common Stock resulting from any

dividend or distribution of stock or issuance of rights or warrants to purchase or subscribe for stock or from any event treated as such for income tax purposes or for any other reason.

(b) Adjustment for Consolidation, Merger or Other Reorganization Event.

(1) In the event of:

(i) any consolidation or merger of the Company with or into another Person (other than a merger or consolidation in which the Company is the continuing corporation and in which the shares of Common Stock outstanding immediately prior to the merger or consolidation are not exchanged for cash, securities or other property of the Company or another corporation);

(ii) any sale, transfer, lease or conveyance to another Person of the property of the Company as an entirety or substantially as an entirety;

(iii) any statutory share exchange of the Company with another Person (other than in connection with a merger or acquisition); or

(iv) any liquidation, dissolution or termination of the Company other than as a result of or after the occurrence of a Termination Event, (any such event, a "Reorganization Event"),

[each Purchase Contract shall become, without the consent of the Holder of the related Security, a contract to purchase only the kind of securities, cash and other property receivable upon consummation of such Reorganization Event by a holder of Common Stock immediately prior to the closing date of such Reorganization Event.

The amount of such securities, cash and other property receivable upon settlement of each such Purchase Contract after the consummation of the Reorganization Event shall be based on the value as of such settlement date of the hypothetical amount of securities, cash and other property that would have been received upon consummation of the Reorganization Event in exchange for the maximum number of shares of Common Stock deliverable under a Purchase Contract immediately prior to the closing date of the Reorganization Event (collectively, the "Exchange Property"). In determining the kind and amount of the Exchange Property pursuant to the foregoing, it will be assumed that such holder of Common Stock is not a Person with which the Company consolidated or into which the Company merged or which merged into the Company or to which such sale or transfer was made, as the case may be (any such Person, a "Constituent Person"), or an Affiliate of a Constituent Person to the extent such Reorganization Event provides for different treatment of Common Stock held by Affiliates of the Company and non-affiliates and such Holder failed to exercise his rights of election, if any, as to the kind or amount of securities, cash and other property receivable upon such Reorganization Event (provided that if the kind or amount of securities, cash and other property receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by other than a Constituent Person or an Affiliate thereof and in respect of which such rights of election shall not have been exercised ("non-electing share"), then for the purpose of this Section the kind and amount of securities, cash and other property receivable upon such Reorganization Event by each non-electing share shall be deemed to be the kind and amount so receivable per share by a plurality of the non-electing shares).

The actual amount of Exchange Property receivable upon settlement of each Purchase Contract shall be in the case of settlement on the Purchase Contract Settlement Date or Early Settlement pursuant to Section 5.04(b)(2), a variable amount based upon the applicable Settlement Rate and the Applicable Market Value of the Exchange Property at such time.

For purposes of this Section 5.04(b)(1) and Section 5.04(b)(2), the term "Applicable Market Value" shall be deemed to refer to the "Applicable Market Value" of the Exchange Property, and such value shall be determined (A) with respect to any publicly traded securities that comprise all or part of the Exchange Property, based on the Closing Price of such securities, (B) in the case of any cash that comprises all or part of the Exchange Property, based on the amount of such cash and (C) in the case of any other property that comprises all or part of the Exchange Property, based on the value of such property, as determined by a nationally recognized independent investment banking firm retained by the Company for this purpose, and the term "Closing Price" shall be deemed to refer to the closing sale price, last quoted bid price or mid-point of the last bid and ask prices, as the case may be, of any publicly traded securities that comprise all or part of the Exchange Property.

In the event of such a Reorganization Event, the Person formed by such consolidation, merger or exchange or the Person which acquires the assets of the Company or, in the event of a liquidation, dissolution or termination of the Company, the Company or a liquidating trust created in connection therewith, shall execute and deliver to the Purchase Contract

Agent an agreement supplemental hereto providing that each Holder of an Outstanding Security shall have the rights provided by this Section 5.04(b). Such supplemental agreement shall provide for adjustments which, for events subsequent to the effective date of such supplemental agreement, shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 5.04. The above provisions of this Section 5.04 shall similarly apply to successive Reorganization Events.

(2) In the event of a consolidation or merger of the Company with or into another Person, any merger of another Person into the Company (other than a merger that does not result in any reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock) in which 30% or more of the total consideration paid to the Company's shareholders consists of cash or cash equivalents (a "Cash Merger"), then a Holder of a Security may settle his Purchase Contract for cash as described in Section 5.02(b)(i) or 5.02(e)(i) hereof, as applicable, on or after the date of such Cash Merger, at the applicable Settlement Rate. Within five Business Days of the completion of a Cash Merger, the Company shall provide written notice to Holders of Securities of such completion of a Cash Merger, which shall specify the deadline for submitting a notice of Early Settlement pursuant to this Section 5.04(b)(2), the date on which such Early Settlement shall occur (the "Early Settlement Date"), the applicable Settlement Rate and the amount (per share of common stock) of cash, securities and other consideration receivable by the Holder upon settlement. For the purposes of this Section 5.04(b)(2), the sixteenth Business Day after the closing of the merger or consolidation shall be deemed to be the Purchase Contract Settlement Date for the purpose of determining the Applicable Market Value and the deadline for submitting the notice to settle early and the related cash payment shall be 5:00 p.m. (New York City time) on the tenth Business Day after the date the notice relating to a Cash Merger is provided to the Holders by the Company. Growth PACS Holders may only effect Early Settlement pursuant to this Section 5.04(b)(2) in integral multiples of [40] Purchase Contracts. If a Tax Event Redemption or a Successful Initial Remarketing has occurred, Income PACS Holders may only effect Early Settlement pursuant to this Section 5.04(b)(2) in integral multiples of [_____] Purchase Contracts. Other than the provisions relating to timing of notice and settlement, which shall be as set forth above, the provisions of Section 5.01(a) shall apply with respect to an Early Settlement following a Cash Merger pursuant to this Section 5.04(b)(2). Notwithstanding the foregoing, no Early Settlement will be permitted pursuant to this Section 5.04(b)(2) unless, at the time such Early Settlement is effected, there is an effective Registration Statement with respect to the shares of Common Stock to be issued and delivered in connection with such early settlement, if such a Registration Statement is required (in the view of counsel, which need not be in the form of a written opinion, for either the Company or the Purchase Contract Agent) under the Securities Act. If such a Registration Statement is so required, the Company covenants and agrees to use its best efforts to (A) have in effect a Registration Statement covering the shares of Common Stock to be delivered in respect of the Purchase Contracts being settled and (B) provide a Prospectus in connection therewith, in each case in a form that the Purchase Contract Agent may use in connection with such early settlement.

(c) All calculations and determinations pursuant to this Section 5.04 shall be made by the Company or its agent and the Purchase Contract Agent shall have no responsibility with respect thereto.

SECTION 5.05. Notice of Adjustments and Certain Other Events.

(a) Whenever the Settlement Rate is adjusted as herein provided, the Company shall:

(i) forthwith compute the adjusted Settlement Rate in accordance with Section 5.04 and prepare and transmit to the Purchase Contract Agent an Officers' Certificate setting forth the Settlement Rate, the method of calculation thereof in reasonable detail, and the facts requiring such adjustment and upon which such adjustment is based; and

(ii) within 10 Business Days following the occurrence of an event that requires an adjustment to the Settlement Rate pursuant to Section 5.04 (or if the Company is not aware of such occurrence, as soon as practicable after becoming so aware), provide a written notice to the Holders of the Securities of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the Settlement Rate was determined and setting forth the adjusted Settlement Rate.

(b) The Purchase Contract Agent shall not at any time be under any duty or responsibility to any Holder of Securities to determine whether any facts exist which may require any adjustment of the Settlement Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed in making the same. The Purchase Contract Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, which may at the time be issued or delivered with respect to any Purchase Contract; and the Purchase Contract Agent

makes no representation with respect thereto. The Purchase Contract Agent shall not be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock pursuant to a Purchase Contract or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article.

SECTION 5.06. Termination Event; Notice.

The Purchase Contracts and all obligations and rights of the Company and the Holders thereunder, including, without limitation, the rights of the Holders to receive and the obligation of the Company to pay any Purchase Contract Payments (including any deferred or accrued and unpaid Purchase Contract Payments), if the Company shall have such obligation, and the rights and obligations of Holders to purchase Common Stock, shall immediately and automatically terminate, without the necessity of any notice or action by any Holder, the Purchase Contract Agent or the Company, if, prior to or on the Purchase Contract Settlement Date, a Termination Event shall have occurred.

Upon and after the occurrence of a Termination Event, the Securities shall thereafter represent the right to receive the Notes, the Treasury Securities or the appropriate Applicable Ownership Interest of the Treasury Portfolio, as the case may be, forming part of such Securities, in accordance with the provisions of Section 5.04 of the Pledge Agreement. Upon the occurrence of a Termination Event, the Company shall promptly but in no event later than two Business Days thereafter give written notice to the Purchase Contract Agent, the Collateral Agent and the Holders, at their addresses as they appear in the Security Register.

SECTION 5.07. Intentionally Omitted.

SECTION 5.08. Intentionally Omitted.

SECTION 5.09. No Fractional Shares.

No fractional shares or scrip representing fractional shares of Common Stock shall be issued or delivered upon settlement on the Purchase Contract Settlement Date or upon Early Settlement of any Purchase Contracts. If Certificates evidencing more than one Purchase Contract shall be surrendered for settlement at one time by the same Holder, the number of full shares of Common Stock which shall be delivered upon settlement shall be computed on the basis of the aggregate number of Purchase Contracts evidenced by the Certificates so surrendered. Instead of any fractional share of Common Stock which would otherwise be deliverable upon settlement of any Purchase Contracts on the Purchase Contract Settlement Date or upon Early Settlement, the Company, through the Purchase Contract Agent, shall make a cash payment in respect of such fractional interest in an amount equal to the value of such fractional shares times the Applicable Market Value. The Company shall provide the Purchase Contract Agent from time to time with sufficient funds to permit the Purchase Contract Agent to make all cash payments required by this Section 5.09 in a timely manner.

SECTION 5.10. Charges and Taxes.

The Company will pay all stock transfer and similar taxes attributable to the initial issuance and delivery of the shares of Common Stock pursuant to the Purchase Contracts; provided, however, that the Company shall not be required to pay any such tax or taxes which may be payable in respect of any exchange of or substitution for a Certificate evidencing a Security or any issuance of a share of Common Stock in a name other than that of the registered Holder of a Certificate surrendered in respect of the Securities evidenced thereby, other than in the name of the Purchase Contract Agent, as custodian for such Holder, and the Company shall not be required to issue or deliver such share certificates or Certificates unless or until the Person or Persons requesting the transfer or issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

SECTION 5.11. Purchase Contract Payments.

(a) Subject to Section 5.12, the Company shall pay, on each Payment Date, the Purchase Contract Payments payable in respect of each Purchase Contract to the Person in whose name a Certificate is registered at the close of business on the Record Date next preceding such Payment Date. The Purchase Contract Payments will be payable at the office of the Purchase Contract Agent in New York City maintained for that purpose or, at the option of the Holder, by check mailed to the address of the Person entitled thereto at such Person's address as it appears on the Security Register. If any date on which Purchase Contract Payments are to be made is not a Business Day, then payment of the Purchase Contract Payments payable on such date will be made on the next succeeding day that is a Business Day (and without any interest in respect of any such delay). Purchase Contract Payments payable for any period will be computed on the basis of a 360-day year of twelve 30-day months.

(b) Upon the occurrence of a Termination Event, the Company's obligation to pay future Purchase Contract Payments (including any accrued

or deferred Purchase Contract Payments) shall cease.

(c) Each Certificate delivered under this Agreement upon registration of transfer of or in exchange for or in lieu of (including as a result of a Collateral Substitution or the reestablishment of Income PACS) any other Certificate shall carry the right to accrued or deferred and unpaid Purchase Contract Payments and the right to accrue Purchase Contract Payments, which rights were carried by the Purchase Contracts underlying such other Certificates.

(d) Subject to Section 5.04(b)(2), in the case of any Security with respect to which Early Settlement of the underlying Purchase Contract is effected on a date that is after any Record Date and prior to or on the next succeeding Payment Date, Purchase Contract Payments otherwise payable on such Payment Date shall be payable on such Payment Date notwithstanding such Early Settlement, and such Purchase Contract Payments shall be paid to the Person in whose name the Certificate evidencing such Security is registered at the close of business on such Record Date. Except as otherwise expressly provided in the immediately preceding sentence, in the case of any Security with respect to which Early Settlement of the underlying Purchase Contract is effected, Purchase Contract Payments that would otherwise be payable after the Early Settlement Date with respect to such Purchase Contract shall not be payable.

(e) The Company's obligations with respect to Purchase Contract Payments, if any, will be subordinated and junior in right of payment to the Company's obligations under any Senior Indebtedness.

(f) In the event (x) of any payment by, or distribution of assets of, the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution, winding-up, liquidation or reorganization of the Company, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, or (y) subject to the provisions of Section 5.11(h) below, that (i) a default shall have occurred and be continuing with respect to the payment of principal, interest or any other monetary amounts due and payable on any Senior Indebtedness and such default shall have continued beyond the period of grace, if any, specified in the instrument evidencing such Senior Indebtedness (and the Purchase Contract Agent shall have received written notice thereof from the Company or one or more holders of Senior Indebtedness or their representative or representatives or the trustee or trustees under any indenture pursuant to which any such Senior Indebtedness may have been issued), or (ii) the maturity of any Senior Indebtedness shall have been accelerated because of a default in respect of such Senior Indebtedness (and the Purchase Contract Agent shall have received written notice thereof from the Company or one or more holders of Senior Indebtedness or their representative or representatives or the trustee or trustees under any indenture pursuant to which any such Senior Indebtedness may have been issued), then:

(i) the holders of all Senior Indebtedness shall first be entitled to receive, in the case of clause (x) above, payment of all amounts due or to become due upon all Senior Indebtedness and, in the case of subclauses (i) and (ii) of clause (y) above, payment of all amounts due thereon, or provision shall be made for such payment in money or money's worth, before the Holders of any of the Securities are entitled to receive any Purchase Contract Payments on the Purchase Contracts underlying the Securities;

(ii) any payment by, or distribution of assets of, the Company of any kind or character, whether in cash, property or securities, to which the Holders of any of the Securities would be entitled except for the provisions of Section 5.11(e) through (q), including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of such Purchase Contract Payments on the Purchase Contracts underlying the Securities, shall be paid or delivered by the Person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of such Senior Indebtedness held or represented by each, to the extent necessary to make payment in full of all Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution (or provision therefor) to the holders of such Senior Indebtedness, before any payment or distribution is made of such Purchase Contract Payments to the Holders of such Securities; and

(iii) in the event that, notwithstanding the foregoing, any payment by, or distribution of assets of, the Company of any kind or character, whether in cash, property or securities, including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of Purchase Contract

Payments on the Purchase Contracts underlying the Securities, shall be received by the Purchase Contract Agent or the Holders of any of the Securities when such payment or distribution is prohibited pursuant to Section 5.11(e) through (q), such payment or distribution shall be paid over to the holders of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any such Senior Indebtedness may have been issued, ratably as aforesaid, for application to the payment of all Senior Indebtedness remaining unpaid until all such Senior Indebtedness shall have been paid in full, after giving effect to any concurrent payment or distribution (or provision therefor) to the holders of such Senior Indebtedness.

(g) For purposes of Section 5.11(e) through (q), the words "cash, property or securities" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other Person provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in Section 5.11(e) through (q) with respect to such Purchase Contract Payments on the Securities to the payment of all Senior Indebtedness which may at the time be outstanding; provided that (i) the indebtedness or guarantee of indebtedness, as the case may be, that constitutes Senior Indebtedness is assumed by the Person, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of the Senior Indebtedness are not, without the consent of each such holder adversely affected thereby, altered by such reorganization or readjustment;

(h) Any failure by the Company to make any payment on or perform any other obligation under Senior Indebtedness, other than any indebtedness incurred by the Company or assumed or guaranteed, directly or indirectly, by the Company for money borrowed (or any deferral, renewal, extension or refunding thereof) or any indebtedness or obligation as to which the provisions of Section 5.11(e) through (g) shall have been waived by the Company in the instrument or instruments by which the Company incurred, assumed, guaranteed or otherwise created such indebtedness or obligation, shall not be deemed a default or event of default if (i) the Company shall be disputing its obligation to make such payment or perform such obligation and (ii) either (A) no final judgment relating to such dispute shall have been issued against the Company which is in full force and effect and is not subject to further review, including a judgment that has become final by reason of the expiration of the time within which a party may seek further appeal or review, and (B) in the event a judgment that is subject to further review or appeal has been issued, the Company shall in good faith be prosecuting an appeal or other proceeding for review and a stay of execution shall have been obtained pending such appeal or review.

(i) Subject to the payment in full of all Senior Indebtedness, the Holders of the Securities shall be subrogated (equally and ratably with the holders of all obligations of the Company which by their express terms are subordinated to Senior Indebtedness of the Company to the same extent as payment of the Purchase Contract Payments in respect of the Purchase Contracts underlying the Securities is subordinated and which are entitled to like rights of subrogation) to the rights of the holders of Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company applicable to the Senior Indebtedness until all such Purchase Contract Payments owing on the Securities shall be paid in full, and as between the Company, its creditors other than holders of such Senior Indebtedness and the Holders, no such payment or distribution made to the holders of Senior Indebtedness by virtue of Section 5.11(e) through (q) that otherwise would have been made to the Holders shall be deemed to be a payment by the Company on account of such Senior Indebtedness, it being understood that the provisions of Section 5.11(e) through (q) are and are intended solely for the purpose of defining the relative rights of the Holders, on the one hand, and the holders of Senior Indebtedness, on the other hand.

(j) Nothing contained in Section 5.11(e) through (q) or elsewhere in this Agreement or in the Securities is intended to or shall impair, as among the Company, its creditors other than the holders of Senior Indebtedness and the Holders, the obligation of the Company, which is absolute and unconditional, to pay to the Holders such Purchase Contract Payments on the Securities as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders and creditors of the Company other than the holders of Senior Indebtedness, nor shall anything herein or therein prevent the Purchase Contract Agent or any Holder from exercising all remedies otherwise permitted by applicable law upon default under this Agreement, subject to the rights, if any, under Section 5.11(e) through (q), of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of any such remedy.

(k) Upon payment or distribution of assets of the Company referred to in Section 5.11(e) through (q), the Purchase Contract Agent and the Holders shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which any such dissolution, winding up, liquidation or reorganization proceeding affecting the affairs of the Company is pending or upon a certificate of the trustee in bankruptcy,

receiver, assignee for the benefit of creditors, liquidating trustee or Purchase Contract Agent or other person making any payment or distribution, delivered to the Purchase Contract Agent or to the Holders, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to these Section 5.11(e) through (q).

(l) The Purchase Contract Agent shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Indebtedness (or a trustee or representative on behalf of such holder) to establish that such notice has been given by a holder of Senior Indebtedness or a trustee or representative on behalf of any such holder or holders. In the event that the Purchase Contract Agent determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to Section 5.11(e) through (q), the Purchase Contract Agent may request such Person to furnish evidence to the reasonable satisfaction of the Purchase Contract Agent as to the amount of Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under Section 5.11(e) through (q), and, if such evidence is not furnished, the Purchase Contract Agent may defer payment to such Person pending judicial determination as to the right of such Person to receive such payment.

(m) Nothing contained in Section 5.11(e) through (q) shall affect the obligations of the Company to make, or prevent the Company from making, payment of the Purchase Contract Payments, except as otherwise provided in these Section 5.11(e) through (q).

(n) Each Holder of Securities, by his acceptance thereof, authorizes and directs the Purchase Contract Agent on his, her or its behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in Subsections 5.2 (b) through (n) and appoints the Purchase Contract Agent his, her or its attorney-in-fact, as the case may be, for any and all such purposes.

(o) The Company shall give prompt written notice to the Purchase Contract Agent of any fact known to the Company that would prohibit the making of any payment of moneys to or by the Purchase Contract Agent in respect of the Securities pursuant to the provisions of this Section. Notwithstanding the provisions of Subsections 5.2(b) through (e) or any other provisions of this Agreement, the Purchase Contract Agent shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment of moneys to or by the Purchase Contract Agent, or the taking of any other action by the Purchase Contract Agent, unless and until the Purchase Contract Agent shall have received written notice thereof mailed or delivered to the Purchase Contract Agent at its Institutional Trust Services department from the Company, any Holder, any paying Purchase Contract Agent or the holder or representative of any Senior Indebtedness; provided that if at least two Business Days prior to the date upon which by the terms hereof any such moneys may become payable for any purpose, the Purchase Contract Agent shall not have received with respect to such moneys the notice provided for in this Section, then, anything herein contained to the contrary notwithstanding, the Purchase Contract Agent shall have full power and authority to receive such moneys and to apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary that may be received by it within two Business Days prior to or on or after such date.

(p) The Purchase Contract Agent in its individual capacity shall be entitled to all the rights set forth in this Section with respect to any Senior Indebtedness at the time held by it, to the same extent as any other holder of Senior Indebtedness and nothing in this Agreement shall deprive the Purchase Contract Agent of any of its rights as such holder.

(q) No right of any present or future holder of any Senior Indebtedness to enforce the subordination herein shall at any time or in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any noncompliance by the Company with the terms, provisions and covenants of this Agreement, regardless of any knowledge thereof which any such holder may have or be otherwise charged with.

(r) Nothing in this Section 5.11 shall apply to claims of, or payments to, the Purchase Contract Agent under or pursuant to Section 7.07.

(s) With respect to the holders of Senior Indebtedness, (i) the duties and obligations of the Purchase Contract Agent shall be determined solely by the express provisions of this Agreement; (ii) the Purchase Contract Agent shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement; (iii) no implied covenants or obligations shall be read into this Agreement against the Purchase Contract Agent; and (iv) the Purchase Contract Agent shall not be deemed to be a fiduciary as to such holders.

(a) The Company has the right to defer payment of all or part of the Purchase Contract Payments in respect of each Purchase Contract until no later than the Purchase Contract Settlement Date, but only if the Company shall give the Holders and the Purchase Contract Agent written notice of its election to defer such payment (specifying the amount to be deferred) at least ten Business Days prior to the earlier of (i) the next succeeding Payment Date or (ii) the date the Company is required to give notice of the Record Date or Payment Date with respect to payment of such Purchase Contract Payments to the NYSE or other applicable self-regulatory organization or to Holders of the Securities, but in any event not less than one Business Day prior to such Record Date. If the Company so elects to defer Purchase Contract Payments, the Company shall pay additional Purchase Contract Payments on such deferred installments of Purchase Contract Payments at a rate equal to ___% per annum, compounding quarterly, until such deferred installments are paid in full. Deferred Purchase Contract Payments shall be due on the Payment Date except to the extent that payment is deferred pursuant to this Section. Except as otherwise provided in Section 5.11(d), in the case of any Security with respect to which Early Settlement of the underlying Purchase Contract is effected on an Early Settlement Date, the Holder will have no right to receive any accrued or deferred Purchase Contract Payments.

(b) In the event the Company elects to defer the payment of Purchase Contract Payments on the Purchase Contracts until the Purchase Contract Settlement Date, each Holder will receive on the Purchase Contract Settlement Date the aggregate amount of accrued and unpaid Purchase Contract Payments. The Company shall pay such amounts on the Purchase Contract Settlement Date in the manner described in Section 5.02(f).

(c) In the event the Company exercises its option to defer the payment of Purchase Contract Payments, then, until all deferred Purchase Contract Payments have been paid, the Company shall not, and shall not permit any of its subsidiaries to (a) make any payment of principal, interest or premium, if any, on or repay, repurchase or redeem any debt securities that rank junior to the Notes in the right of payment issued by the Company or any subsidiary of the Company, or (b) make any guarantee payments with respect to any guarantee by the Company of any securities of any of its subsidiaries if such guarantee ranks junior to the Notes in the right of payment, (c) declare or pay any dividends or distributions on any of the Company's capital stock or (d) redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock. Notwithstanding the foregoing, the Company may (1) purchase or acquire its capital stock in connection with the satisfaction by it of its obligations under any employee benefit plans or pursuant to any contract or security outstanding on the first day of any such event requiring it to purchase its capital stock; (2) reclassify its capital stock or exchange or convert one class or series of its capital stock for another class or series of its capital stock; (3) purchase fractional interests in shares of its capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged; (4) declare dividends or distributions in its capital stock; and (5) redeem or repurchase any rights pursuant to a rights agreement.

ARTICLE 6 REMEDIES

SECTION 6.01. Unconditional Right of Holders to Receive Purchase Contract Payments and to Purchase Shares of Common Stock.

Each Holder of a Security shall have the right, which is absolute and unconditional, (i) subject to the right of the Company to defer such payments in accordance with Section 5.12, to receive each Purchase Contract Payment with respect to the Purchase Contract comprising part of such Security on the respective Payment Date for such Security and (ii) to purchase shares of Common Stock pursuant to such Purchase Contract and, in each such case, to institute suit for the enforcement of any such right to receive Purchase Contract Payments and the right to purchase shares of Common Stock, and such rights shall not be impaired without the consent of such Holder.

SECTION 6.02. Restoration of Rights and Remedies.

If any Holder has instituted any proceeding to enforce any right or remedy under this Agreement and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to such Holder, then and in every such case, subject to any determination in such proceeding, the Company and such Holder shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of such Holder shall continue as though no such proceeding had been instituted.

SECTION 6.03. Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Certificates in the last paragraph of Section 3.10, no right or remedy herein conferred upon or reserved to the Holders is intended to be exclusive of any other right or

remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.04. Delay or Omission Not Waiver.

No delay or omission of any Holder to exercise any right or remedy upon a default shall impair any such right or remedy or constitute a waiver of any such right. Every right and remedy given by this Article or by law to the Holders may be exercised from time to time, and as often as may be deemed expedient, by such Holders.

SECTION 6.05. Undertaking for Costs.

All parties to this Agreement agree, and each Holder of a Security, by its acceptance of such Security shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Agreement, or in any suit against the Purchase Contract Agent for any action taken, suffered or omitted by it as Purchase Contract Agent, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and costs against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; provided that the provisions of this Section shall not apply to any suit instituted by the Purchase Contract Agent, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% of the Outstanding Securities, or to any suit instituted by any Holder for the enforcement of interest on any Notes or Purchase Contract Payments on or after the respective Payment Date therefor in respect of any Security held by such Holder, or for enforcement of the right to purchase shares of Common Stock under the Purchase Contracts constituting part of any Security held by such Holder.

SECTION 6.06. Waiver of Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Agreement; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Purchase Contract Agent or the Holders, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7 THE PURCHASE CONTRACT AGENT

SECTION 7.01. Certain Duties and Responsibilities.

(a) The Purchase Contract Agent:

(1) undertakes to perform, with respect to the Securities, such duties and only such duties as are specifically set forth in this Agreement and the Pledge Agreement, and no implied covenants or obligations shall be read into this Agreement or the Pledge Agreement against the Purchase Contract Agent; and

(b) No provision of this Agreement or the Pledge Agreement shall be construed to relieve the Purchase Contract Agent from liability for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Purchase Contract Agent shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Purchase Contract Agent was negligent in

ascertaining the pertinent facts;

(3) no provision of this Agreement or the Pledge Agreement shall require the Purchase Contract Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if indemnity satisfactory to the Purchase Contract Agent is not provided to it; and

(4) the Purchase Contract Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities.

(c) Whether or not therein expressly so provided, every provision of this Agreement and the Pledge Agreement relating to the conduct or affecting the liability of or affording protection to the Purchase Contract Agent shall be subject to the provisions of this Section.

(3) whenever in the administration of this Agreement or the Pledge Agreement the Purchase Contract Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Purchase Contract Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate of the Company;

(4) the Purchase Contract Agent may consult with counsel of its selection appointed with due care by it hereunder and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Purchase Contract Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Purchase Contract Agent, in its discretion, and at the expense of the Company, may make reasonable further inquiry or investigation into such facts or matters related to the execution, delivery and performance of the Purchase Contracts as it may see fit, and, if the Purchase Contract Agent shall determine to make such further inquiry or investigation, it shall be given a reasonable opportunity to examine the relevant books, records and premises of the Company, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation;

(6) the Purchase Contract Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or an Affiliate and the Purchase Contract Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney or an Affiliate appointed with due care by it hereunder;

(7) the Purchase Contract Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement at the request or direction of any of the Holders pursuant to this Agreement, unless such Holders shall have offered to the Purchase Contract Agent security or indemnity satisfactory to the Purchase Contract Agent against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(8) the Purchase Contract Agent shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement;

(9) the Purchase Contract Agent shall not be deemed to have notice of any default hereunder unless a Responsible Officer of the Purchase Contract Agent has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Purchase Contract Agent at the Corporate Trust Office of the Purchase Contract Agent, and such notice references the Securities and this Agreement;

(10) the Purchase Contract Agent may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Agreement, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded; and

(11) the rights, privileges, protections, immunities and benefits given to the Purchase Contract Agent, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Purchase Contract Agent in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

SECTION 7.04. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Certificates shall be taken as the statements of the Company, and the Purchase Contract Agent assumes no responsibility for their accuracy. The Purchase Contract Agent makes no representations as to the validity or sufficiency of either this Agreement or of the Securities, or of the Pledge Agreement or the Pledge. The Purchase Contract Agent shall not be accountable for the use or application by the Company of the proceeds in respect of the Purchase Contracts.

SECTION 7.05. May Hold Securities.

Any Security Registrar or any other agent of the Company, or the Purchase Contract Agent and its Affiliates, in their individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company, the Collateral Agent or any other Person with the same rights it would have if it were not Security Registrar or such other agent, or the Purchase Contract Agent. The Company may become the owner or pledgee of Securities.

SECTION 7.06. Money Held in Custody.

(3) to indemnify the Purchase Contract Agent and any predecessor Purchase Contract Agent for, and to hold it harmless against, any loss, liability or expense incurred without gross negligence, willful misconduct or bad faith on its part, arising out of or in connection with the acceptance or administration of its duties hereunder, including the costs and expenses of defending itself against any claim (whether asserted by the Company, a Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The provisions of this Section shall survive the resignation and removal of the Purchase Contract Agent and the termination of this Agreement.

SECTION 7.08. Corporate Purchase Contract Agent Required; Eligibility.

There shall at all times be a Purchase Contract Agent hereunder which shall be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having (or being a member of a bank holding company having) a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or State authority and having a corporate trust office in the Borough of Manhattan, New York City, if there be such a corporation in the Borough of Manhattan, New York City, qualified and eligible under this Article and willing to act on reasonable terms. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Purchase Contract Agent shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 7.09. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Purchase Contract Agent and no appointment of a successor Purchase Contract Agent pursuant to this Article shall become effective until the acceptance of appointment by the successor Purchase Contract Agent in accordance with the applicable requirements of Section 7.10.

(b) The Purchase Contract Agent may resign at any time by giving written notice thereof to the Company 60 days prior to the effective date of such resignation. If the instrument of acceptance by a successor Purchase Contract Agent required by Section 7.10 shall not have been delivered to the Purchase Contract Agent within 30 days after the giving of such notice of resignation, the resigning Purchase Contract Agent may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Purchase Contract Agent.

(d) If at any time:

(1) the Purchase Contract Agent fails to comply with Section 310(b) of the TIA, as if the Purchase Contract Agent were an indenture trustee under an indenture qualified under the TIA, after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months;

(2) the Purchase Contract Agent shall cease to be eligible under Section 7.08 and shall fail to resign after written request therefor by the Company or by any such Holder; or

then, in any such case, (i) the Company by a Board Resolution may remove the Purchase Contract Agent, or (ii) any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Purchase Contract Agent and the appointment of a successor Purchase Contract Agent.

(e) If the Purchase Contract Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Purchase Contract Agent for any cause, the Company, by a Board Resolution, shall promptly appoint a successor Purchase Contract Agent and shall comply with the applicable requirements of Section 7.10. If no successor Purchase Contract Agent shall have been so appointed by the Company and accepted appointment in the manner required by Section 7.10, any Holder who has been a bona fide Holder of a Security for at least six months, on behalf of itself and all others similarly situated, or the Purchase Contract Agent may petition at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Purchase Contract Agent.

(f) The Company shall give, or shall cause such successor Purchase Contract Agent to give, notice of each resignation and each removal of the Purchase Contract Agent and each appointment of a successor Purchase Contract Agent by mailing written notice of such event by first-class mail, postage prepaid, to all Holders as their names and addresses appear in the applicable Register. Each notice shall include the name of the successor Purchase Contract Agent and the address of its Corporate Trust Office.

SECTION 7.10. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Purchase Contract Agent, every such successor Purchase Contract Agent so appointed shall execute, acknowledge and deliver to the Company and to the retiring Purchase Contract Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Purchase Contract Agent shall become effective and such successor Purchase Contract Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, agencies and duties of the retiring Purchase Contract Agent; but, on the request of the Company or the successor Purchase Contract Agent, such retiring Purchase Contract Agent shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Purchase Contract Agent all the rights, powers and trusts of the retiring Purchase Contract Agent and shall duly assign, transfer and deliver to such successor Purchase Contract Agent all property and money held by such retiring Purchase Contract Agent hereunder.

(b) Upon request of any such successor Purchase Contract Agent, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Purchase Contract Agent all such rights, powers and agencies referred to in paragraph 7.10(a) of this Section.

(c) No successor Purchase Contract Agent shall accept its appointment unless at the time of such acceptance such successor Purchase Contract Agent shall be qualified and eligible under this Article.

SECTION 7.11. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Purchase Contract Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Purchase Contract Agent shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Purchase Contract Agent, shall be the successor of the Purchase Contract Agent hereunder, provided that such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Certificates shall have been authenticated and executed on behalf of the Holders, but not delivered, by the Purchase Contract Agent then in office, any successor by merger, conversion or consolidation to such Purchase Contract Agent may adopt such authentication and execution and deliver the Certificates so authenticated and executed with the same effect as if such successor Purchase Contract Agent had itself authenticated and executed such Securities.

SECTION 7.12. Preservation of Information; Communications to Holders.

(a) The Purchase Contract Agent shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders received by the Purchase Contract Agent in its capacity as Security Registrar.

(b) If three or more Holders (herein referred to as "Applicants") apply in writing to the Purchase Contract Agent, and furnish to the Purchase Contract Agent reasonable proof that each such applicant has owned a Security for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders with respect to their rights under this Agreement or under the Securities and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Purchase Contract Agent shall mail to all the Holders copies of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Purchase Contract Agent of the materials to be mailed and of payment, or provision for the payment, of the reasonable expenses of such mailing.

SECTION 7.13. No Obligations of Purchase Contract Agent.

Except to the extent otherwise expressly provided in this Agreement, the Purchase Contract Agent assumes no obligations and shall not be subject to any liability under this Agreement, the Pledge Agreement or any Purchase Contract in respect of the obligations of the Holder of any Security thereunder. The Company agrees, and each Holder of a Certificate, by his or her acceptance thereof, shall be deemed to have agreed, that the Purchase Contract Agent's execution of the Certificates on behalf of the Holders shall be solely as agent and attorney-in-fact for the Holders, and

that the Purchase Contract Agent shall have no obligation to perform such Purchase Contracts on behalf of the Holders, except to the extent expressly provided in Article Five hereof. Anything contained in this Agreement to the contrary notwithstanding, in no event shall the Purchase Contract Agent or its officers, employees or agents be liable under this Agreement to any third party for indirect, special, punitive, or consequential loss or damage of any kind whatsoever, including lost profits, whether or not the likelihood of such loss or damage was known to the Purchase Contract Agent, incurred without any act or deed that is found to be attributable to gross negligence or willful misconduct on the part of the Purchase Contract Agent.

SECTION 7.14. Tax Compliance.

(a) The Company and the Purchase Contract Agent will comply with all applicable certification, information reporting and withholding (including "backup" withholding) requirements imposed by applicable tax laws, regulations or administrative practice with respect to (i) any payments made with respect to the Securities or (ii) the issuance, delivery, holding, transfer, redemption or exercise of rights under the Securities. Such compliance shall include, without limitation, the preparation and timely filing of required returns and the timely payment of all amounts required to be withheld to the appropriate taxing authority or its designated agent.

(b) The Purchase Contract Agent shall comply in accordance with the terms hereof with any written direction received from the Company with respect to the execution or certification of any required documentation and the application of such requirements to particular payments or Holders or in other particular circumstances, and may for purposes of this Agreement conclusively rely on any such direction in accordance with the provisions of Section 7.01(a)(2) hereof.

(c) The Purchase Contract Agent shall maintain all appropriate records documenting compliance with such requirements, and shall make such records available, on written request, to the Company or its authorized representative within a reasonable period of time after receipt of such request.

ARTICLE 8 SUPPLEMENTAL AGREEMENTS

SECTION 8.01. Supplemental Agreements Without Consent of Holders.

Without the consent of any Holders, the Company and the Purchase Contract Agent, at any time and from time to time, may enter into one or more agreements supplemental hereto, in form satisfactory to the Company and the Purchase Contract Agent, to:

(1) evidence the succession of another Person to the Company, and the assumption by any such successor of the covenants of the Company herein and in the Certificates;

(2) evidence and provide for the acceptance of appointment hereunder by a successor Purchase Contract Agent;

(3) add to the covenants of the Company for the benefit of the Holders, or surrender any right or power herein conferred upon the Company;

(5) except as provided for in Section 5.04, cure any ambiguity, correct or supplement any provisions herein which may be inconsistent with any other provisions herein, or make any other provisions with respect to such matters or questions arising under this Agreement, provided that such action shall not adversely affect the interests of the Holders.

SECTION 8.02. Supplemental Agreements with Consent of Holders.

With the consent of the Holders of not less than a majority of the outstanding Securities voting together as one class, by Act of said Holders delivered to the Company and the Purchase Contract Agent, the Company, when authorized by a Board Resolution, and the Purchase Contract Agent may enter into an agreement or agreements supplemental hereto for the purpose of modifying in any manner the terms of the Purchase Contracts, or the provisions of this Agreement or the rights of the Holders in respect of the Securities; provided, however, that, except as contemplated herein, no such supplemental agreement shall, without the unanimous consent of the Holders of each outstanding Purchase Contract affected thereby,

(1) change any Payment Date;

(2) change the amount or the type of Collateral required to be Pledged to secure a Holder's obligations under the Purchase

Contract, impair the right of the Holder of any Purchase Contract to receive distributions on the related Collateral(except for the rights of Holders of Income PACS to substitute Treasury Securities for the Pledged Notes or the rights of Holders of Growth PACS to substitute Notes for the Pledged Treasury Securities) or otherwise adversely affect the Holder's rights in or to such Collateral or adversely alter the rights in or to such Collateral;

(3) impair the right to institute suit for the enforcement of any Purchase Contract;

(4) reduce the number of shares of Common Stock to be purchased pursuant to any Purchase Contract, increase the price to purchase shares of Common Stock upon settlement of any Purchase Contract or change the Purchase Contract Settlement Date or the right to Early Settlement following a Cash Merger or otherwise adversely affect the Holder's rights under the Purchase Contract;

(5) reduce the percentage of the outstanding Purchase Contracts the consent of whose Holders is required for any such supplemental agreement; or

(6) reduce any Purchase Contract Payments or change any place where, or the coin or currency in which, any Purchase Contract Payment is payable;

provided that if any amendment or proposal referred to above would adversely affect only the Income PACS or the Growth PACS, then only the affected class of Holders as of the record date for the Holders entitled to vote thereon will be entitled to vote on such amendment or proposal, and such amendment or proposal shall not be effective except with the consent of Holders of not less than a majority of such class; and provided, further, that the unanimous consent of the Holders of each outstanding Purchase Contract of such class affected thereby shall be required to approve any amendment or proposal specified in clauses (1) through (6) above.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental agreement, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 8.03. Execution of Supplemental Agreements.

In executing, or accepting the additional agencies created by, any supplemental agreement permitted by this Article or the modifications thereby of the agencies created by this Agreement, the Purchase Contract Agent shall be provided, and (subject to Section 7.01) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that the execution of such supplemental agreement is authorized or permitted by this Agreement and that any and all conditions precedent to the execution and delivery of such supplemental agreement have been satisfied. The Purchase Contract Agent may, but shall not be obligated to, enter into any such supplemental agreement which affects the Purchase Contract Agent's own rights, duties or immunities under this Agreement or otherwise.

SECTION 8.04. Effect of Supplemental Agreements.

Upon the execution of any supplemental agreement under this Article, this Agreement shall be modified in accordance therewith, and such supplemental agreement shall form a part of this Agreement for all purposes; and every Holder of Certificates theretofore or thereafter authenticated, executed on behalf of the Holders and delivered hereunder, shall be bound thereby.

SECTION 8.05. Reference to Supplemental Agreements.

Certificates authenticated, executed on behalf of the Holders and delivered after the execution of any supplemental agreement pursuant to this Article may, and shall if required by the Purchase Contract Agent, bear a notation in form approved by the Purchase Contract Agent as to any matter provided for in such supplemental agreement. If the Company shall so determine, new Certificates so modified as to conform, in the opinion of the Purchase Contract Agent and the Company, to any such supplemental agreement may be prepared and executed by the Company and authenticated, executed on behalf of the Holders and delivered by the Purchase Contract Agent in exchange for outstanding Certificates.

ARTICLE 9

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 9.01. Covenant Not to Consolidate, Merge, Convey, Transfer or Lease Property Except under Certain Conditions.

The Company covenants that it will not consolidate with or merge

into any other corporation or convey, transfer or lease all or substantially all of its properties and assets to any Person, unless:

(i) either the Company shall be the continuing corporation, or the successor (if other than the Company) shall be a corporation organized and existing under the laws of the United States of America or a State thereof or the District of Columbia and such corporation shall expressly assume all the obligations of the Company under the Purchase Contracts, this Agreement, the Pledge Agreement, the Indenture (including any supplement thereto) and the Remarketing Agreement by one or more supplemental agreements in form reasonably satisfactory to the Purchase Contract Agent and the Collateral Agent, executed and delivered to the Purchase Contract Agent and the Collateral Agent by such corporation; and

(ii) the Company or such successor corporation, as the case may be, shall not, immediately after such consolidation, merger, conveyance, transfer or lease, be in default in the performance of any covenant or condition hereunder, under any of the Securities or under the Pledge Agreement.

SECTION 9.02. Rights and Duties of Successor Corporation.

In case of any such merger, consolidation, share exchange, sale, assignment, transfer, lease or conveyance and upon any such assumption by a successor corporation in accordance with Section 9.01, such successor corporation shall succeed to and be substituted for the Company with the same effect as if it had been named herein as the Company. Such successor corporation thereupon may cause to be signed, and may issue either in its own name or in the name of The Williams Companies, Inc., any or all of the Certificates evidencing Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Purchase Contract Agent; and, upon the order of such successor corporation, instead of the Company, and subject to all the terms, conditions and limitations in this Agreement prescribed, the Purchase Contract Agent shall authenticate and execute on behalf of the Holders and deliver any Certificates which previously shall have been signed and delivered by the officers of the Company to the Purchase Contract Agent for authentication and execution, and any Certificate evidencing Securities which such successor corporation thereafter shall cause to be signed and delivered to the Purchase Contract Agent for that purpose. All the Certificates issued shall in all respects have the same legal rank and benefit under this Agreement as the Certificates theretofore or thereafter issued in accordance with the terms of this Agreement as though all of such Certificates had been issued at the date of the execution hereof.

In case of any such merger, consolidation, share exchange, sale, assignment, transfer, lease or conveyance such change in phraseology and form (but not in substance) may be made in the Certificates evidencing Securities thereafter to be issued as may be appropriate.

SECTION 9.03. Officers' Certificate and Opinion of Counsel Given to Purchase Contract Agent.

The Purchase Contract Agent, subject to Sections 7.01 and 7.03, shall receive an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any such merger, consolidation, share exchange, sale, assignment, transfer, lease or conveyance, and any such assumption, complies with the provisions of this Article and that all conditions precedent to the consummation of any such merger, consolidation, share exchange, sale, assignment, transfer, lease or conveyance have been met.

ARTICLE 10 COVENANTS

SECTION 10.01. Performance under Purchase Contracts.

The Company covenants and agrees for the benefit of the Holders from time to time of the Securities that it will duly and punctually perform its obligations under the Purchase Contracts in accordance with the terms of the Purchase Contracts and this Agreement.

The Company will maintain in the Borough of Manhattan, New York City an office or agency where Certificates may be presented or surrendered for acquisition of shares of Common Stock upon settlement of the Purchase Contracts on the Purchase Contract Settlement Date or Early Settlement and for transfer of Collateral upon occurrence of a Termination Event, where Certificates may be surrendered for registration of transfer or exchange, for a Collateral Substitution or reestablishment of Income PACS and where notices and demands to or upon the Company in respect of the Securities and this Agreement may be served. The Company will give prompt written notice to the Purchase Contract Agent of the location, and any change in the location, of such office or agency. The Company initially designates the Corporate Trust Office of the Purchase Agent as such office of the Company.

If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Purchase Contract Agent with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office, and the Company hereby appoints the Purchase Contract Agent as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where Certificates may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, New York City for such purposes. The Company will give prompt written notice to the Purchase Contract Agent of any such designation or rescission and of any change in the location of any such other office or agency. The Company hereby designates as the place of payment for the Securities the Corporate Trust Office and appoints the Purchase Contract Agent at its Corporate Trust Office as paying agent in such city.

SECTION 10.03. Company to Reserve Common Stock.

The Company shall at all times prior to the Purchase Contract Settlement Date reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock the full number of shares of Common Stock issuable against tender of payment in respect of all Purchase Contracts constituting a part of the Securities evidenced by Outstanding Certificates.

SECTION 10.04. Covenants as to Common Stock.

The Company covenants that all shares of Common Stock which may be issued against tender of payment in respect of any Purchase Contract constituting a part of the Outstanding Securities will, upon issuance, be duly authorized, validly issued, fully paid and nonassessable.

SECTION 10.05. Statements of Officers of the Company as to Default.

The Company will deliver to the Purchase Contract Agent, within 120 days after the end of each fiscal year of the Company (which as of the date hereof is December 31) ending after the date hereof, an Officers' Certificate (one of the signers of which shall be the principal executive officer, principal financial officer or principal accounting officer of the Company), stating whether or not to the knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions hereof, and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

SECTION 10.06. ERISA.

Each Holder from time to time of the Securities that is a Plan hereby represents that its acquisition of the Income PACS and the holding of the same satisfies the applicable fiduciary requirements of ERISA and that it is entitled to exemption relief from the prohibited transaction provisions of ERISA and the Code in accordance with one or more prohibited transaction exemptions or otherwise will not result in a nonexempt prohibited transaction.

(FORM OF REVERSE OF Income PACS CERTIFICATE)

Each Purchase Contract evidenced hereby is governed by a Purchase Contract Agreement, dated as of _____, 2002 (as may be supplemented from time to time, the "Purchase Contract Agreement"), between the Company and [_____], as Purchase Contract Agent (including its successors hereunder, the "Purchase Contract Agent"), to which Purchase Contract Agreement and supplemental agreements thereto reference is hereby made for a description of the respective rights, limitations of rights, obligations, duties and immunities thereunder of the Purchase Contract Agent, the Company, and the Holders and of the terms upon which the Income PACS Certificates are, and are to be, executed and delivered.

Unless a Cash Settlement or an Early Settlement has occurred, each Purchase Contract evidenced hereby obligates the Holder of this Income PACS Certificate to purchase, and the Company to sell, on the Purchase Contract Settlement Date at a price equal to the Stated Amount (the "Purchase Price"), a number of shares of Common Stock equal to the Settlement Rate, unless, prior to or on the Purchase Contract Settlement Date, there shall have occurred a Termination Event with respect to the Security of which such Purchase Contract is a part or an Early Settlement shall have occurred. The "Settlement Rate" is equal to:

(1) if the Applicable Market Value (as defined below) is greater than \$_____ (the "Appreciation Cap Price"), the number of shares of Common Stock per Purchase Contract having a value, based on the Applicable Market Value, equal to _____ multiplied by the Appreciation Cap Price divided by the Applicable Market Value; and

(2) if the Applicable Market Value is less than or equal to the Appreciation Cap Price, _____ shares of Common Stock per Purchase Contract,

in each case subject to adjustment as provided in the Purchase Contract Agreement (and in each case rounded upward or downward to the nearest 1/10,000th of a share).

No fractional shares of Common Stock will be issued upon settlement of Purchase Contracts, as provided in Section 5.09 of the Purchase Contract Agreement.

Each Purchase Contract evidenced hereby, which is settled either through Early Settlement or Cash Settlement, shall obligate the Holder of the related Income PACS to purchase at the Purchase Price, and the Company to sell, a number of shares of Common Stock equal to the Settlement Rate.

The "Applicable Market Value" means the average of the Closing Price per share of Common Stock on each of the 20 consecutive Trading Days ending on the third Trading Day immediately preceding the Purchase Contract Settlement Date.

The "Closing Price" per share of Common Stock on any date of determination means:

(1) the closing sale price as of the close of the principal trading session (or, if no closing price is reported, the last reported sale price) per share on the New York Stock Exchange, Inc. (the "NYSE") on such date;

(2) if Common Stock is not listed for trading on the NYSE on any such date, the closing sale price per share as reported in

the composite transactions for the principal United States securities exchange on which Common Stock is so listed;

(3) if Common Stock is not so listed on a United States national or regional securities exchange, the closing sale price per share as reported by The Nasdaq Stock Market;

(4) if Common Stock is not so reported, the last quoted bid price for Common Stock in the over-the-counter market as reported by the National Quotation Bureau or similar organization; or

(5) if such bid price is not available, the market value of Common Stock on such date as determined by a nationally recognized independent investment banking firm retained for this purpose by the Company.

A "Trading Day" means a day on which Common Stock (1) is not suspended from trading on any national or regional securities exchange or association or over-the-counter market at the close of business and (2) has traded at least once on the national or regional securities exchange or association or over-the-counter market that is the primary market for the trading of Common Stock.

In accordance with the terms of the Purchase Contract Agreement, the Holder of this Income PACS Certificate may pay the Purchase Price for the shares of Common Stock purchased pursuant to each Purchase Contract evidenced hereby by effecting a Cash Settlement or an Early Settlement following a Cash Merger or from the proceeds of the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio or a Remarketing of the related Pledged Notes. Unless a Tax Event Redemption or a Successful Initial Remarketing has occurred, a Holder of Income PACS who does not effect (1) on or prior to 11:00 a.m. (New York City time) on the fourth Business Day immediately preceding the Purchase Contract Settlement Date, an effective Cash Settlement, or (2) on or prior to 5:00 p.m. (New York City time) on the fifth Business Day prior to the Purchase Contract Settlement Date an effective Early Settlement following a Cash Merger, shall pay the Purchase Price for the shares of Common Stock to be delivered under the related Purchase Contract from the proceeds of the sale of the related Pledged Notes held by the Collateral Agent. Unless a Tax Event Redemption or a Successful Initial Remarketing has occurred, such sale will be made by the Remarketing Agent pursuant to the terms of the Remarketing Agreement on the third Business Day prior to the Purchase Contract Settlement Date. If a Tax Event Redemption or a Successful Initial Remarketing has occurred, a Holder of Income PACS who does not effect on or prior to 11:00 a.m. (New York City time) on the second Business Day immediately preceding the Purchase Contract Settlement Date, an effective Cash Settlement, shall pay the Purchase Price for the shares of Common Stock to be delivered under the related Purchase Contract from the proceeds at maturity of the Applicable Ownership Interests (as defined in clause (A) of the definition of such term) of the Treasury Portfolio.

If, as provided in the Purchase Contract Agreement, upon the occurrence of a Failed Secondary Remarketing, the Collateral Agent, for the benefit of the Company, exercises its rights as a secured creditor with respect to the Pledged Notes related to this Income PACS certificate, any accrued and unpaid interest on such Pledged Notes will become payable by the Company to the holder of this Income PACS Certificate in the manner provided for in the Purchase Contract Agreement.

The Company shall not be obligated to issue any shares of Common Stock in respect of a Purchase Contract or deliver any certificates therefor to the Holder unless it shall have received payment of the aggregate Purchase Price for the shares of Common Stock to be purchased thereunder in the manner herein set forth.

Each Purchase Contract evidenced hereby and all obligations and rights of the Company and the Holder thereunder shall terminate if a Termination Event shall occur. Upon the occurrence of a Termination Event, the Company shall give written notice to the Purchase Contract Agent and to the Holders, at their addresses as they appear in the Security Register. Upon and after the occurrence of a Termination Event, the Collateral Agent shall release the Pledged Notes or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio forming a part of each Income PACS from the Pledge. An Income PACS shall thereafter represent the right to receive the Note or the appropriate Applicable Ownership Interest of the Treasury Portfolio forming a part of such Income PACS in accordance with the terms of the Purchase Contract Agreement and the Pledge Agreement.

Under the terms of the Pledge Agreement, the Purchase Contract Agent will be entitled to exercise the voting and any other consensual rights pertaining to the Pledged Notes. Upon receipt of notice of any meeting at which holders of Notes are entitled to vote or upon the solicitation of consents, waivers or proxies of holders of Notes, the Purchase Contract Agent shall, as soon as practicable thereafter, mail to the Income PACS Holders a notice:

(1) containing such information as is contained in the notice or solicitation;

(2) stating that each Income PACS Holder on the record date set by the Purchase Contract Agent therefor (which, to the extent possible, shall be the same date as the record date for determining the holders of Notes entitled to vote) shall be entitled to instruct the Purchase Contract Agent as to the exercise of the voting rights pertaining to the Notes constituting a part of such Holder's Income PACS; and

(3) stating the manner in which such instructions may be given.

Upon the written request of the Income PACS Holders on such record date, the Purchase Contract Agent shall endeavor insofar as practicable to vote or cause to be voted, in accordance with the instructions set forth in such requests, the maximum aggregate principal amount of Notes as to which any particular voting instructions are received. In the absence of specific instructions from the Holder of an Income PACS, the Purchase Contract Agent shall abstain from voting the Note evidenced by such Income PACS.

Upon the occurrence of a Tax Event Redemption prior to the Purchase Contract Settlement Date, an amount equal to the Redemption Amount plus any accumulated and unpaid interest payable on the Tax Event Redemption Date with respect to the principal amount of the Notes shall be deposited in the Collateral Account in exchange for the Pledged Notes. Thereafter, pursuant to the terms of the Pledge Agreement, the Collateral Agent shall cause the Securities Intermediary to apply an amount equal to the Redemption Amount of such funds to purchase on behalf of the Holders of Income PACS, the Treasury Portfolio and promptly (a) transfer the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio to the Collateral Account to secure the obligations of each Holder of Income PACS to purchase shares of Common Stock under the Purchase Contracts constituting a part of such Income PACS, (b) transfer the Applicable Ownership Interest (as specified in clause (B) of the definition of such term) of the Treasury Portfolio to the Purchase Contract Agent for the benefit of the Holders of such Income PACS and (C) remit the remaining portion of such funds to the Purchase Contract Agent for payment to the Holders of such Income PACS.

Upon the occurrence of a Successful Initial Remarketing, pursuant to the terms of the Remarketing Agreement, the Remarketing Agent will apply an amount equal to the Treasury Portfolio Purchase Price to purchase on behalf of the Holders of Income PACS, the Treasury Portfolio, and, after deducting the Remarketing Fee to the extent permitted under the terms of the Remarketing Agreement, promptly remit the remaining portion of such proceeds of the Successful Initial Remarketing to the Purchase Contract Agent for payment to the Holders of such Income PACS.

Following the occurrence of a Tax Event Redemption prior to the Purchase Contract Settlement Date, or following a Successful Initial Remarketing, the Holders of Income PACS and the Collateral Agent shall have such security interest rights and obligations with respect to the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio as the Holder of Income PACS and the Collateral Agent had in respect of the Notes, as the case may be, subject to the Pledge thereof as provided in the Pledge Agreement and any reference herein to the Notes shall be deemed to be a reference to such Treasury Portfolio.

The Income PACS Certificates are issuable only in registered form and only in denominations of a single Income PACS and any integral multiple thereof. The transfer of any Income PACS Certificate will be registered and Income PACS Certificates may be exchanged as provided in the Purchase Contract Agreement. The Security Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents permitted by the Purchase Contract Agreement. No service charge shall be required for any such registration of transfer or exchange, but the Company and the Purchase Contract Agent may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. A Holder who elects to substitute a Treasury Security for a Note, thereby creating Growth PACS, shall be responsible for any fees or expenses payable in connection therewith. Except as provided in the Purchase Contract Agreement, for so long as the Purchase Contract underlying an Income PACS remains in effect, such Income PACS shall not be separable into its constituent parts, and the rights and obligations of the Holder of such Income PACS in respect of the Notes and Purchase Contract constituting such Income PACS may be transferred and exchanged only as an Income PACS.

The Holder of Income PACS may substitute for the Pledged Notes securing such Holder's obligations under the related Purchase Contracts Treasury Securities in an aggregate principal amount equal to the aggregate principal amount of the Pledged Notes in accordance with the terms of the Purchase Contract Agreement and the Pledge Agreement. From and after such Collateral Substitution, each Security for which such Pledged Treasury Securities secures the Holder's obligation under the Purchase Contract

shall be referred to as a "Growth PACS". A Holder may make such Collateral Substitution only in integral multiples of [40] Income PACS for [40] Growth PACS.

If the Treasury Portfolio has replaced the Notes as a component of the Income PACS as a result of a Tax Event Redemption or a Successful Initial Remarketing, an Income PACS Holder may make such Collateral Substitutions only in integral multiples of _____ Income PACS.

A Holder of Growth PACS may recreate Income PACS by delivering to the Securities Intermediary Notes with an aggregate principal amount equal to the aggregate principal amount at maturity of the Pledged Treasury Securities in exchange for the release of such Pledged Treasury Securities in accordance with the terms of the Purchase Contract Agreement and the Pledge Agreement. A Holder may recreate Income PACS only in integral multiples of [40] Growth PACS for [40] Income PACS.

If the Treasury Portfolio has replaced the Notes as a component of the Income PACS as a result of a Tax Event Redemption or a Successful Initial Remarketing, a Growth PACS Holder may recreate Income PACS only in integral multiples of _____ Growth PACS.

The Company shall pay, on each Payment Date, the Purchase Contract Payments payable in respect of each Purchase Contract to the Person in whose name the Income PACS Certificate evidencing such Purchase Contract is registered at the close of business on the Record Date for such Payment Date. Purchase Contract Payments will be payable at the office of the Purchase Contract Agent in New York City or, at the option of the Holder, by check mailed to the address of the Person entitled thereto at such address as it appears on the Security Register.

The Company has the right to defer payment of all or part of the Purchase Contract Payments in respect of each Purchase Contract until no later than the Purchase Contract Settlement Date. If the Company so elects to defer Purchase Contract Payments, the Company shall pay additional Purchase Contract Payments on such deferred installments of Purchase Contract Payments at a rate equal to ___% per annum, compounding quarterly, until such deferred installments are paid. In the event that the Company elects to defer the payment of Purchase Contract Payments on the Purchase Contracts until the Purchase Contract Settlement Date, each Holder will receive on the Purchase Contract Settlement Date the aggregate amount of accrued and unpaid Purchase Contract Payments.

The Purchase Contracts and all obligations and rights of the Company and the Holders thereunder, including, without limitation, the rights of the Holders to receive and the obligation of the Company to pay any Purchase Contract Payments, shall immediately and automatically terminate, without the necessity of any notice or action by any Holder, the Purchase Contract Agent or the Company, if, on or prior to the Purchase Contract Settlement Date, a Termination Event shall have occurred. Upon the occurrence of a Termination Event, the Company shall promptly but in no event later than two Business Days thereafter give written notice to the Purchase Contract Agent, the Collateral Agent and the Holders, at their addresses as they appear in the Security Register. Upon and after the occurrence of a Termination Event, the Collateral Agent shall release the Notes or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, from the Pledge in accordance with the provisions of the Pledge Agreement.

Upon the occurrence of a Cash Merger, a Holder of Income PACS may effect Early Settlement of the Purchase Contract underlying such Income PACS pursuant to the terms of Section 5.04(b)(2) of the Purchase Contract Agreement. Upon Early Settlement of Purchase Contracts by a Holder of the related Income PACS, the Pledged Notes or Pledged Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio underlying such Income PACS shall be released from the Pledge as provided in the Pledge Agreement.

Upon registration of transfer of this Income PACS Certificate, the transferee shall be bound (without the necessity of any other action on the part of such transferee, except as may be required by the Purchase Contract Agent pursuant to the Purchase Contract Agreement), under the terms of the Purchase Contract Agreement and the Purchase Contracts evidenced hereby and the transferor shall be released from the obligations under the Purchase Contracts evidenced by this Income PACS Certificate. The Company covenants and agrees, and the Holder, by its acceptance hereof, likewise covenants and agrees, to be bound by the provisions of this paragraph.

The Holder of this Income PACS Certificate, by its acceptance hereof, authorizes the Purchase Contract Agent to enter into and perform the related Purchase Contracts forming part of the Income PACS evidenced hereby on its behalf as its attorney-in-fact, expressly withholds any consent to the assumption (i.e., affirmation) of the Purchase Contracts by the Company or its trustee in the event that the Company becomes the subject of a case under the Bankruptcy Code, agrees to be bound by the terms and provisions thereof, covenants and agrees to perform his obligations under such Purchase Contracts, consents to the provisions of

the Purchase Contract Agreement, authorizes the Purchase Contract Agent to enter into and perform the Purchase Contract Agreement and the Pledge Agreement on its behalf as its attorney-in-fact, and consents to the Pledge of the Notes or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, underlying this Income PACS Certificate pursuant to the Pledge Agreement. The Holder further covenants and agrees that, to the extent and in the manner provided in the Purchase Contract Agreement and the Pledge Agreement, but subject to the terms thereof, payments in respect to the aggregate principal amount of the Pledged Notes or the appropriate Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, on the Purchase Contract Settlement Date shall be paid by the Collateral Agent to the Company in satisfaction of such Holder's obligations under such Purchase Contract and such Holder shall acquire no right, title or interest in such payments.

Subject to certain exceptions, the provisions of the Purchase Contract Agreement may be amended with the consent of the Holders of a majority of the Purchase Contracts.

The Purchase Contracts shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to conflicts of laws principles thereof.

The Company, the Purchase Contract Agent and its Affiliates and any agent of the Company or the Purchase Contract Agent may treat the Person in whose name this Income PACS Certificate is registered as the owner of the Income PACS evidenced hereby for the purpose of receiving payments of interest payable on the Notes, receiving payments of Purchase Contract Payments, performance of the Purchase Contracts and for all other purposes whatsoever, whether or not any payments in respect thereof be overdue and notwithstanding any notice to the contrary, and neither the Company, the Purchase Contract Agent nor any such agent shall be affected by notice to the contrary.

The Purchase Contracts shall not, prior to the settlement thereof, entitle the Holder to any of the rights of a holder of shares of Common Stock.

A copy of the Purchase Contract Agreement is available for inspection at the offices of the Purchase Contract Agent.

This Growth PACS Certificate certifies that _____ is the registered holder of the number of Growth PACS set forth above. Each Growth PACS consists of (i) a [1/40] undivided beneficial ownership interest of a Treasury Security having a principal amount at maturity equal to \$1,000, subject to the Pledge of such Treasury Security by such Holder pursuant to the Pledge Agreement, and (ii) the rights and obligations of the Holder under one Purchase Contract with The Williams Companies, Inc., a Delaware corporation (the "Company"). All capitalized terms used herein which are defined in the Purchase Contract Agreement (as defined on the reverse hereof) have the meaning set forth therein.

Pursuant to the Pledge Agreement, the Treasury Securities constituting part of each Growth PACS evidenced hereby have been pledged to the Collateral Agent, for the benefit of the Company, to secure the obligations of the Holder under the Purchase Contract comprising part of such Growth PACS. Each Purchase Contract evidenced hereby obligates the Holder of this Growth PACS Certificate to purchase, and the Company, to sell, on February 16, 2005 (the "Purchase Contract Settlement Date"), at a price equal to \$[25] (the "Stated Amount"), a number of shares of Common Stock, par value \$1.00 ("Common Stock"), of the Company, equal to the Settlement Rate, unless prior to or on the Purchase Contract Settlement Date there shall have occurred a Termination Event or an Early Settlement with respect to the Growth PACS of which such Purchase Contract is a part, all as provided in the Purchase Contract Agreement and more fully described on the reverse hereof. The purchase price (the "Purchase Price") for the shares of Common Stock purchased pursuant to each Purchase Contract evidenced hereby, if not paid earlier, shall be paid on the Purchase Contract Settlement Date by application of the proceeds from the Treasury Securities at maturity pledged to secure the obligations of the Holder under such Purchase Contract of the Growth PACS of which such Purchase Contract is a part.

whose name this Growth PACS Certificate is registered at the close of business on the Record Date for such Payment Date. The Company may, at its option, defer such Purchase Contract Payments.

The Purchase Contract Payments will be payable at the office of the Purchase Contract Agent in New York City or, at the option of the Company, by check mailed to the address of the Person entitled thereto as such address appears on the Security Register.

Reference is hereby made to the further provisions set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

(REVERSE OF Growth PACS CERTIFICATE)

Each Purchase Contract evidenced hereby is governed by a Purchase Contract Agreement, dated as of _____, 2002 (as may be supplemented from time to time, the "Purchase Contract Agreement") between the Company and [_____], as Purchase Contract Agent (including its successors thereunder, herein called the "Purchase Contract Agent"), to which the Purchase Contract Agreement and supplemental agreements thereto reference is hereby made for a description of the respective rights, limitations of rights, obligations, duties and immunities thereunder of the Purchase Contract Agent, the Company and the Holders and of the terms upon which the Growth PACS Certificates are, and are to be, executed and delivered.

Unless a Cash Settlement or an Early Settlement has occurred, each Purchase Contract evidenced hereby obligates the Holder of this Growth PACS Certificate to purchase, and the Company to sell, on the Purchase Contract Settlement Date at a price equal to the Stated Amount (the "Purchase Price") a number of shares of Common Stock equal to the Settlement Rate,

unless prior to the Purchase Contract Settlement Date, there shall have occurred a Termination Event with respect to the Security of which such Purchase Contract is a part or an Early Settlement shall have occurred. The "Settlement Rate" is equal to:

(1) if the Applicable Market Value (as defined below) is greater than \$_____ (the "Appreciation Cap Price"), the number of shares of Common Stock per Purchase Contract having a value, based on the Applicable Market Value, equal to _____ multiplied by the Appreciation Cap Price divided by the Applicable Market Value; and

(2) if the Applicable Market Value is less than or equal to the Appreciation Cap Price _____ shares of Common Stock per Purchase Contract,

in each case subject to adjustment as provided in the Purchase Contract Agreement (and in each case rounded upward or downward to the nearest 1/10,000th of a share).

No fractional shares of Common Stock will be issued upon settlement of Purchase Contracts, as provided in Section 5.09 of the Purchase Contract Agreement.

Each Purchase Contract evidenced hereby, which is settled either through Early Settlement or Cash Settlement, shall obligate the Holder of the related Growth PACS to purchase at the Purchase Price for cash, and the Company to sell, a number of shares of Common Stock equal to the Settlement Rate.

The "Applicable Market Value" means the average of the Closing Prices per share of Common Stock on each of the 20 consecutive Trading Days ending on the third Trading Day immediately preceding the Purchase Contract Settlement Date.

The "Closing Price" per share of Common Stock on any date of determination means the:

(1) closing sale price as of the close of the principal trading session (or, if no closing price is reported, the last reported sale price) per share on the New York Stock Exchange, Inc. (the "NYSE") on such date;

(2) if the Common Stock is not listed for trading on the NYSE on any such date, the closing sale price per share as reported in the composite transactions for the principal United States securities exchange on which the Common Stock is so listed;

(3) if the Common Stock is not so listed on a United States national or regional securities exchange, the closing sale price per share as reported by The Nasdaq Stock Market;

(4) if the Common Stock is not so reported, the last quoted bid price for the Common Stock in the over-the-counter market as reported by the National Quotation Bureau or similar organization; or

(5) if such bid price is not available, the market value of the Common Stock on such date as determined by a nationally recognized independent investment banking firm retained for this purpose by the Company.

A "Trading Day" means a day on which the Common Stock (1) is not suspended from trading on any national or regional securities exchange or association or over-the-counter market at the close of business and (2) has traded at least once on the national or regional securities exchange or association or over-the-counter market that is the primary market for the trading of the Common Stock.

In accordance with the terms of the Purchase Contract Agreement, the Holder of this Growth PACS shall pay the Purchase Price for the shares of the Common Stock purchased pursuant to each Purchase Contract evidenced hereby either by effecting a Cash Settlement or an Early Settlement of each such Purchase Contract or by applying a principal amount of the Pledged Treasury Securities underlying such Holder's Growth PACS equal to the Stated Amount of such Purchase Contract to the purchase of the Common Stock. A Holder of Growth PACS who does not effect, (1) on or prior to 5:00 p.m. (New York City time) on the second Business Day immediately preceding the Purchase Contract Settlement Date, an effective Cash Settlement, or (2) on or prior to 11:00 a.m. (New York City time) on the second Business Day immediately preceding the Purchase Contract Settlement Date an effective Early Settlement following a Cash Merger, shall pay the Purchase Price for the shares of Common Stock to be issued under the related Purchase Contract from the proceeds of the Pledged Treasury Securities.

The Company shall not be obligated to issue any shares of Common Stock in respect of a Purchase Contract or deliver any certificates therefor to the Holder unless it shall have received payment of the aggregate purchase price for the shares of Common Stock to be purchased

thereunder in the manner herein set forth.

Each Purchase Contract evidenced hereby and all obligations and rights of the Company and the Holder thereunder shall terminate if a Termination Event shall occur. Upon the occurrence of a Termination Event, the Company shall give written notice to the Purchase Contract Agent and to the Holders, at their addresses as they appear in the Security Register. Upon and after the occurrence of a Termination Event, the Collateral Agent shall release the Pledged Treasury Securities (as defined in the Pledge Agreement) forming a part of each Growth PACS. A Growth PACS shall thereafter represent the right to receive the Proceeds of the Treasury Security forming a part of such Growth PACS, in accordance with the terms of the Purchase Contract Agreement and the Pledge Agreement.

The Growth PACS Certificates are issuable only in registered form and only in denominations of a single Growth PACS and any integral multiple thereof. The transfer of any Growth PACS Certificate will be registered and Growth PACS Certificates may be exchanged as provided in the Purchase Contract Agreement. The Security Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents permitted by the Purchase Contract Agreement. No service charge shall be required for any such registration of transfer or exchange, but the Company and the Purchase Contract Agent may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. A Holder who elects to substitute Notes, for Treasury Securities, thereby recreating Income PACS, shall be responsible for any fees or expenses associated therewith. Except as provided in the Purchase Contract Agreement, for so long as the Purchase Contract underlying a Growth PACS remains in effect, such Growth PACS shall not be separable into its constituent parts, and the rights and obligations of the Holder of such Growth PACS in respect of the Treasury Security and the Purchase Contract constituting such Growth PACS may be transferred and exchanged only as a Growth PACS.

A Holder of Growth PACS may recreate Income PACS by delivering to the Securities Intermediary Notes or the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, with an aggregate principal amount, equal to the aggregate principal amount at maturity of the Pledged Treasury Securities in exchange for the release of such Pledged Treasury Securities in accordance with the terms of the Purchase Contract Agreement and the Pledge Agreement. From and after such substitution, the Holder's Security shall be referred to as a "Income PACS". Any such creation of Income PACS may be effected only in multiples of [40] Growth PACS for [40] Income PACS. If the Treasury Portfolio has replaced the Notes as a component of the Income PACS as a result of a Tax Event Redemption or a Successful Initial Remarketing, a Growth PACS Holder may recreate Income PACS only in integral multiples of _____ Growth PACS.

A Holder of Income PACS may recreate Growth PACS by delivering to the Securities Intermediary Treasury Securities in an aggregate principal amount equal to the aggregate principal amount at maturity of the Pledged Notes or the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, in accordance with the terms of the Purchase Contract Agreement and the Pledge Agreement. Any such recreation of Growth PACS may be effected only in multiples of [40] Income PACS for [40] Growth PACS. If the Treasury Portfolio has replaced the Notes as a component of the Income PACS as a result of a Tax Event Redemption or a Successful Initial Remarketing, an Income PACS Holder may recreate Growth PACS only in integral multiples of _____ Income PACS.

The Company shall pay, on each Payment Date, the Purchase Contract Payments payable in respect of each Purchase Contract to the Person in whose name the Growth PACS Certificate evidencing such Purchase Contract is registered at the close of business on the Record Date for such Payment Date. Purchase Contract Payments will be payable at the office of the Purchase Contract Agent in New York City or, at the option of the Holder, by check mailed to the address of the Person entitled thereto at such address as it appears on the Security Register.

The Company has the right to defer payment of all or part of the Purchase Contract Payments in respect of each Purchase Contract until no later than the Purchase Contract Settlement Date. If the Company so elects to defer Purchase Contract Payments, the Company shall pay additional Purchase Contract Payments on such deferred installments of Purchase Contract Payments at a rate equal to ___% per annum, compounding quarterly, until such deferred installments are paid. In the event that the Company elects to defer the payment of Purchase Contract Payments on the Purchase Contracts until the Purchase Contract Settlement Date, each Holder will receive on the Purchase Contract Settlement Date the aggregate amount of accrued and unpaid Purchase Contract Payments.

The Purchase Contracts and all obligations and rights of the Company and the Holders thereunder, including, without limitation, the rights of the Holders to receive and the obligation of the Company to pay any Purchase Contract Payments, shall immediately and automatically terminate, without the necessity of any notice or action by any Holder, the

Purchase Contract Agent or the Company, if, on or prior to the Purchase Contract Settlement Date, a Termination Event shall have occurred. Upon the occurrence of a Termination Event, the Company shall promptly but in no event later than two Business Days thereafter give written notice to the Purchase Contract Agent, the Collateral Agent and the Holders, at their addresses as they appear in the Security Register. Upon and after the occurrence of a Termination Event, the Collateral Agent shall release the Treasury Securities from the Pledge in accordance with the provisions of the Pledge Agreement. A Growth PACS shall thereafter represent the right to receive the interest in the Treasury Security forming a part of such Growth PACS, in accordance with the terms of the Purchase Contract Agreement and the Pledge Agreement.

Upon the occurrence of a Cash Merger, a Holder of Growth PACS may effect Early Settlement of the Purchase Contract underlying such Growth PACS pursuant to the terms of Section 5.04(b)(2) of the Purchase Contract Agreement. Upon Early Settlement of Purchase Contracts by a Holder of the related Growth PACS, the Pledged Treasury Securities underlying such Growth PACS shall be released from the Pledge as provided in the Pledge Agreement.

Upon registration of transfer of this Growth PACS Certificate, the transferee shall be bound (without the necessity of any other action on the part of such transferee, except as may be required by the Purchase Contract Agent pursuant to the Purchase Contract Agreement), under the terms of the Purchase Contract Agreement and the Purchase Contracts evidenced hereby and the transferor shall be released from the obligations under the Purchase Contracts evidenced by this Growth PACS Certificate. The Company covenants and agrees, and the Holder, by its acceptance hereof, likewise covenants and agrees, to be bound by the provisions of this paragraph.

The Holder of this Growth PACS Certificate, by its acceptance hereof, authorizes the Purchase Contract Agent to enter into and perform the related Purchase Contracts forming part of the Growth PACS evidenced hereby on its behalf as its attorney-in-fact, expressly withholds any consent to the assumption (i.e., affirmation) of the Purchase Contracts by the Company or its trustee in the event that the Company becomes the subject of a case under the Bankruptcy Code, agrees to be bound by the terms and provisions thereof, covenants and agrees to perform its obligations under such Purchase Contracts, consents to the provisions of the Purchase Contract Agreement, authorizes the Purchase Contract Agent to enter into and perform the Purchase Contract Agreement and the Pledge Agreement on its behalf as its attorney-in-fact, and consents to the Pledge of the Treasury Securities underlying this Growth PACS Certificate pursuant to the Pledge Agreement. The Holder further covenants and agrees, that, to the extent and in the manner provided in the Purchase Contract Agreement and the Pledge Agreement, but subject to the terms thereof, payments in respect to the aggregate principal amount of the Pledged Treasury Securities on the Purchase Contract Settlement Date shall be paid by the Collateral Agent to the Company in satisfaction of such Holder's obligations under such Purchase Contract and such Holder shall acquire no right, title or interest in such payments.

Subject to certain exceptions, the provisions of the Purchase Contract Agreement may be amended with the consent of the Holders of a majority of the Purchase Contracts.

The Purchase Contracts shall for all purposes be governed by, and construed in accordance with, the laws of the State of New York, without regard to conflicts of laws principles thereof.

The Company, the Purchase Contract Agent and its Affiliates and any agent of the Company or the Purchase Contract Agent may treat the Person in whose name this Growth PACS Certificate is registered as the owner of the Growth PACS evidenced hereby for the purpose of receiving payments of interest on the Treasury Securities, receiving payments of Purchase Contract Payments, performance of the Purchase Contracts and for all other purposes whatsoever, whether or not any payments in respect thereof be overdue and notwithstanding any notice to the contrary, and neither the Company, the Purchase Contract Agent nor any such agent shall be affected by notice to the contrary.

The Purchase Contracts shall not, prior to the settlement thereof, entitle the Holder to any of the rights of a holder of shares of Common Stock.

A copy of the Purchase Contract Agreement is available for inspection at the offices of the Purchase Contract Agent.

Section 5.04. Termination Event.

(a) Upon receipt by the Collateral Agent of written notice from the Company or the Purchase Contract Agent that a Termination Event has occurred, the Collateral Agent shall release all Collateral from the Pledge and shall promptly Transfer:

(i) any Pledged Notes or security entitlements with respect thereto or the Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio (if the Treasury Portfolio has become a component of the Income PACS as a result of a Successful Initial Remarketing or a Tax Event Redemption);

(ii) any Pledged Treasury Securities, and

(iii) payments by Holders (or the Permitted Investments of such payments) pursuant to Section 5.05 hereof,

to the Purchase Contract Agent for the benefit of the Holders for distribution to such Holders in accordance with their respective interests, free and clear of any lien, pledge or security interest or other interest created hereby; provided, however, if any Holder shall be entitled to receive less than \$1,000 with respect to his interest in the Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, the Purchase Contract Agent shall have the right to dispose of such interest for cash and deliver to such Holder cash in lieu of delivering the Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio.

(b) If such Termination Event shall result from the Company's becoming a debtor under the Bankruptcy Code, and if the Collateral Agent shall for any reason fail promptly to effectuate the release and Transfer of all Pledged Notes, the Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, the Pledged Treasury Securities or payments by Holders (or the Permitted Investments of such payments) pursuant to Section 5.05 hereof, as the case may be, as provided by this Section 5.04, the Purchase Contract Agent shall:

(i) use its best efforts to obtain an opinion of a nationally recognized law firm reasonably acceptable to the Collateral Agent to the effect that, as a result of the Company's being the debtor in such a bankruptcy case, the Collateral Agent will not be prohibited from releasing or Transferring the Collateral as provided in this Section 5.04, and shall deliver such opinion to the Collateral Agent within ten days after the occurrence of such Termination Event, and if (A) the Purchase Contract Agent shall be unable to obtain such opinion within ten days after the occurrence of such Termination Event or (B) the Collateral Agent shall continue, after delivery of such opinion, to refuse to effectuate the release and Transfer of all Pledged Notes, Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, the Pledged Treasury Securities, the payments by Holders or the Permitted Investments of such payments pursuant to Section 5.05 hereof or the Proceeds of any of the foregoing, as the case may be, as provided in this Section 5.04, then the Purchase Contract Agent shall within fifteen days after the occurrence of such Termination Event commence an action or proceeding in the court having jurisdiction of the Company's case under the Bankruptcy Code seeking an order requiring the Collateral Agent to effectuate the release and transfer of all Pledged Notes, Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, the Pledged Treasury Securities, or the payments by Holders or the Permitted

Investments of such payments pursuant to Section 5.05 hereof, or as the case may be, as provided by this Section 5.04; or

(ii) commence an action or proceeding like that described in clause 5.04(b)(i) hereof within ten days after the occurrence of such Termination Event.

Section 5.05. Cash Settlement.

(a) Upon receipt by the Collateral Agent of (1) a notice from the Purchase Contract Agent promptly after the receipt by the Purchase Contract Agent of a notice from a Holder of Income PACS that such Holder has elected, in accordance with the procedures specified in Section 5.02(a)(i) or (d)(i) of the Purchase Contract Agreement, respectively, to effect a Cash Settlement and (2) payment by such Holder by deposit in the Collateral Account prior to 11:00 a.m. (New York City time) on the fourth Business Day immediately preceding the Purchase Contract Settlement Date, in the case of a Income PACS, unless a Tax Event Redemption or a Successful Initial Remarketing has occurred, or on the second Business Day immediately prior to the Purchase Contract Settlement Date in the case of Treasury Stock Purchase or a Income PACS, if a Tax Event Redemption or a Successful Initial Remarketing has occurred, of the Purchase Price in lawful money of the United States by certified or cashier's check or wire transfer of immediately available funds payable to or upon the order of the Securities Intermediary, then the Collateral Agent shall:

(i) instruct the Securities Intermediary promptly to invest any such Cash in Permitted Investments;

(ii) release from the Pledge the Income PACS holder's or the Growth PACS holder's related Pledged Notes, Pledged Applicable Ownership Interests, or Pledged Treasury Securities, as applicable, as to which such Holder has elected to effect a Cash Settlement pursuant to this Section 5.05(a); and

(iii) instruct the Securities Intermediary to Transfer all such Pledged Notes, Pledged Applicable Ownership Interests, or the Pledged Treasury Securities, as the case may be, to the Purchase Contract Agent for the benefit of such Holder, in each case free and clear of the Pledge created hereby, for distribution to such Holder.

The Company shall instruct the Collateral Agent in writing as to the type of Permitted Investments in which any such Cash shall be invested; provided, however, that if the Company fails to deliver such written instructions by 10:30 a.m. (New York City time), the Collateral Agent shall invest such Cash in the Permitted Investments described in clause (6) of the definition of Permitted Investments.

Upon receipt of the proceeds upon the maturity of the Permitted Investments on the Purchase Contract Settlement Date, the Collateral Agent shall (A) instruct the Securities Intermediary to pay the portion of such proceeds and deliver any certified or cashier's checks received, in an aggregate amount equal to the Purchase Price, to the Company on the Purchase Contract Settlement Date, and (B) instruct the Securities Intermediary to release any amounts in excess of the Purchase Price earned from such Permitted Investments to the Purchase Contract Agent for distribution to such Holder.

(b) If a Holder of Income PACS (unless a Tax Event Redemption or a Successful Initial Remarketing shall have occurred) (i) fails to notify notifies the Purchase Contract Agent of its intention to make a Cash Settlement as provided in paragraph 5.02(a)(i) or (ii) does notify the Purchase Contract Agent as provided in paragraph 5.02(a)(i) of the Purchase Contract Agreement of its intention to pay the Purchase Price in cash, but fails to make such payment as required by paragraph 5.02(a)(ii) of the Purchase Contract Agreement, such Holder shall be deemed to have consented to the disposition of such Holder's Pledged Notes in accordance with paragraph 5.02(a)(iii) of the Purchase Contract Agreement.

(c) If a Holder of a Growth PACS or a Holder of Income PACS (if a Tax Event Redemption or a Successful Initial Remarketing shall have occurred) (i) fails to notify notifies the Purchase Contract Agent of its intention to make a Cash Settlement as provided in paragraph 5.02(d)(i) or (ii) does notify the Purchase Contract Agent as provided in paragraph 5.02(d)(i) of the Purchase Contract Agreement of its intention to pay the Purchase Price in cash,, but fails to make such payment as required by paragraph 5.02(d)(ii) of the Purchase Contract Agreement, such Holder shall be deemed to have elected to pay the Purchase Price in accordance with paragraph 5.02(d)(iii) of the Purchase Contract Agreement.

(d) As soon as practicable after 11:00 a.m. (New York City time) on the fourth Business Day immediately preceding the Purchase Contract Settlement Date, the Collateral Agent shall deliver to the Purchase Contract Agent a notice, substantially in the form of Exhibit E hereto, stating (i) the amount of cash that it has received with respect to the Cash Settlement of Income PACS and (ii) the amount of Cash that it has received with respect to the Cash Settlement of Growth PACS.

Section 5.06. Early Settlement upon a Cash Merger. Upon receipt by the Collateral Agent of a notice from the Purchase Contract Agent that a Holder of Securities has elected to effect Early Settlement of its obligations under the Purchase Contracts forming a part of such Securities in accordance with the terms of the Purchase Contracts and Section 5.04(b)(2) of the Purchase Contract Agreement (which notice shall set forth the number of such Purchase Contracts as to which such Holder has elected to effect Early Settlement), and that the Purchase Contract Agent has received from such Holder, and paid to the Company as confirmed in writing by the Company, the related Purchase Price pursuant to the terms of the Purchase Contracts and the Purchase Contract Agreement and that all conditions to such Early Settlement have been satisfied, then the Collateral Agent shall release from the Pledge, (1) Pledged Notes or the appropriate Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio in the case of a Holder of Income PACS or (2) Pledged Treasury Securities, in the case of a Holder of Growth PACS, in each case with a Value equal to the product of (x) the Stated Amount times (y) the number of Purchase Contracts as to which such Holder has elected to effect Early Settlement, and shall instruct the Securities Intermediary to Transfer all such Pledged Applicable Ownership Interests or Pledged Notes or Pledged Treasury Securities, as the case may be, to the Purchase Contract Agent for the benefit of such Holder, in each case free and clear of the Pledge created hereby, for distribution to such Holder. A Growth PACS holder may settle early only in integral multiples of [40] Purchase Contracts [and an Income PACS holder, if a Tax Event Redemption or a Successful Initial Remarketing has occurred, may settle early only in integral multiples of _____ Purchase Contracts].

Section 5.07. Application of Proceeds in Settlement of Purchase Contracts.

(a) If a Holder of Income PACS (unless a Successful Initial Remarketing or a Tax Event Redemption has occurred) has not elected to make an effective Cash Settlement by notifying the Purchase Contract Agent in the manner provided for in Section 5.02(a)(i) in the Purchase Contract Agreement, or has given such notice but failed to deliver the required cash prior to 11:00 a.m. (New York City time) on the fourth Business Day immediately preceding the Purchase Contract Settlement Date, such Holder shall be deemed to have elected to pay for the shares of Common Stock to be issued under such Purchase Contracts from the Proceeds of the remarketing of the related Pledged Notes. Upon written notice of such event from the Purchase Contract Agent, the Collateral Agent shall instruct the Securities Intermediary to Transfer the related Pledged Notes to the Remarketing Agent for remarketing. Upon receiving such Pledged Notes, the Remarketing Agent, pursuant to the terms of the Remarketing Agreement, will use reasonable efforts to remarket such Pledged Notes. The Remarketing Agent will deposit the Proceeds of such Secondary Remarketing (less, to the extent permitted by the Remarketing Agreement, the Remarketing Fee) in the Collateral Account, and the Collateral Agent shall invest the Proceeds of the remarketing in Permitted Investments set forth in clause (6) of the definition of Permitted Investments. On the Purchase Contract Settlement Date, the Purchase Contract Agent shall give written direction to the Collateral Agent specifying the instruction the Collateral Agent shall give to the Securities Intermediary in order to apply a portion of the Proceeds from such remarketing equal to the aggregate principal amount of such Pledged Notes to satisfy in full such Holder's obligations to pay the Purchase Price to purchase the shares of Common Stock under the related Purchase Contracts and the balance of the Proceeds from the remarketing, if any, that shall be transferred to the Purchase Contract Agent for the benefit of such Holder for distribution to such Holder.

If the Remarketing Agent advises the Collateral Agent in writing that there has been a Failed Secondary Remarketing, thus resulting in an event of default under the Purchase Contract Agreement and hereunder, the Collateral Agent, for the benefit of the Company shall, at the written direction of the Company, exercise its rights as a secured party with respect to the Pledged Notes and use commercially reasonable efforts to dispose of the Pledged Notes in accordance with applicable law and apply the proceeds from such disposition towards such Holder's obligations to pay the Purchase Price for the shares of Common Stock.

(b) If a Holder of a Growth PACS or a Holder of Income PACS (if a Tax Event Redemption or a Successful Initial Remarketing has occurred) has not elected to make an effective Cash Settlement by notifying the Purchase Contract Agent in the manner provided for in Section 5.02(d)(i) of the Purchase Contract Agreement, or has given such notice but failed to make such payment in the manner required by Section 5.02(d)(ii) of the Purchase Contract Agreement, such Holder shall be deemed to have elected to pay for the shares of Common Stock to be issued under such Purchase Contracts from the Proceeds of the related Pledged Treasury Securities or such Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be. Promptly, after 11:00 a.m. (New York City time) on the Business Day immediately prior to the Purchase Contract Settlement Date, the Collateral Agent shall invest the Cash Proceeds of the maturing Pledged Treasury Securities or such Applicable Ownership Interests (as specified in clause (A) of the

definition of such term) of the Treasury Portfolio, as the case may be, in Permitted Investments set forth in clause 6 of the definition of Permitted Investments, unless prior to 10:30 a.m. (New York City time), the Company shall otherwise instruct the Collateral Agent as to the type of Permitted Investments in which any such Cash Proceeds shall be invested. Without receiving any instruction from any such Holder, the Collateral Agent shall apply the Proceeds of the related Pledged Treasury Securities or such Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as the case may be, to the settlement of such Purchase Contracts on the Purchase Contract Settlement Date. In the event the sum of the Proceeds from the related Pledged Treasury Securities or such Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio as the case may be, and the investment earnings from the investment in Permitted Investments exceeds the aggregate Purchase Price of the Purchase Contracts being settled thereby, the Collateral Agent shall instruct the Securities Intermediary to distribute such excess, when received, to the Purchase Contract Agent for the benefit of such Holder for distribution to such Holder.

(c) Under the Remarketing Agreement and subject to the terms of the Supplemental Remarketing Agreement, on or prior to the second Business Day immediately preceding Initial Remarketing Date or the Secondary Remarketing Date, as applicable, but no earlier than the Payment Date immediately preceding the date, Holders of Separate Notes may elect to have their Separate Notes remarketed by delivering their Separate Notes, along with a notice of such election, substantially in the form of Exhibit F hereto, to the Custodial Agent. The Custodial Agent shall hold Separate Notes in an account separate from the Collateral Account in which the Pledged Securities shall be held. Holders of Notes electing to have their Separate Notes remarketed will also have the right to withdraw that election by written notice to the Custodial Agent, substantially in the form of Exhibit G hereto, on or prior to the second Business Day immediately preceding the Initial Remarketing Date or the Secondary Remarketing Date, as applicable, upon which notice the Custodial Agent shall return such Separate Notes to such Holder.

On the Business Day immediately preceding Initial Remarketing Date or the Secondary Remarketing Date, as applicable, the Custodial Agent shall notify the Remarketing Agent of the aggregate principal amount of the Separate Notes to be remarketed and will deliver to the Remarketing Agent for remarketing all Separate Notes delivered to the Custodial Agent pursuant to this Section 5.07(c) and not withdrawn pursuant to the terms hereof prior to such date. After deducting the Remarketing Fee to the extent permitted under the terms of the Remarketing Agreement, the Remarketing Agent will remit to the Custodial Agent the remaining portion of the proceeds of such Remarketing for the benefit of such Holders. In the event of a Failed Initial Remarketing or a Failed Secondary Remarketing, the Remarketing Agent will promptly return such Separate Notes to the Custodial Agent for redelivery to such Holders.

Section 5.08. Tax Event Redemption. If the Collateral Agent receives written notice that a Tax Event Redemption has occurred prior to the Purchase Contract Settlement Date, the Collateral Agent shall apply the Redemption Amount to purchase the Treasury Portfolio and the Collateral Agent shall credit the Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio to the Collateral Account and shall transfer the Applicable Ownership Interest (as specified in clause (B) of the definition of such term) of the Treasury Portfolio to the Purchase Contract Agent for distribution to the Holders of the Income PACS. Upon credit to the Collateral Account of the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the Treasury Portfolio having a Value equal to the aggregate principal amount of the Pledged Notes, the Collateral Agent shall cause the Securities Intermediary to release the Pledged Notes from the Collateral Account and shall promptly transfer the Pledged Notes to the Company.

ARTICLE 6 Voting Rights - Pledged Notes

Section 6.01. Voting Rights. The Purchase Contract Agent may exercise, or refrain from exercising, any and all voting and other consensual rights pertaining to the Pledged Notes or any part thereof for any purpose not inconsistent with the terms of this Agreement and in accordance with the terms of the Purchase Contract Agreement; provided, that the Purchase Contract Agent shall not exercise or shall not refrain from exercising such right, as the case may be, if, in the judgment of the Purchase Contract Agent, such action would impair or otherwise have a material adverse effect on the value of all or any of the Pledged Notes; and provided, further, that the Purchase Contract Agent shall give the Company and the Collateral Agent at least five Business Days' prior written notice of the manner in which it intends to exercise, or its reasons for refraining from exercising, any such right. Upon receipt of any notices and other communications in respect of any Pledged Notes, including notice of any meeting at which holders of the Notes are entitled to vote or solicitation of consents, waivers or proxies of holders of the Notes, the Collateral Agent shall use reasonable efforts to send promptly to the

Purchase Contract Agent such notice or communication, and as soon as reasonably practicable after receipt of a written request therefor from the Purchase Contract Agent, execute and deliver to the Purchase Contract Agent such proxies and other instruments in respect of such Pledged Notes (in form and substance satisfactory to the Collateral Agent) as are prepared by the Purchase Contract Agent with respect to the Pledged Notes.

ARTICLE 7
Rights and Remedies

Section 7.01. Rights and Remedies of the Collateral Agent.

(a) In addition to the rights and remedies specified in Section 5.06 hereof or otherwise available at law or in equity, after an event of default (as specified in Section 7.01(b) below) hereunder, the Collateral Agent shall have all of the rights and remedies with respect to the Collateral of a secured party under the UCC (whether or not the UCC is in effect in the jurisdiction where the rights and remedies are asserted) and the TRADES Regulations and such additional rights and remedies to which a secured party is entitled under the laws in effect in any jurisdiction where any rights and remedies hereunder may be asserted. Without limiting the generality of the foregoing, such remedies may include, to the extent permitted by applicable law, (1) retention of the Pledged Notes, Pledged Treasury Securities or the appropriate Pledged Applicable Ownership Interests (as specified in clause (A) of the definition of such term) in full satisfaction of the Holders' obligations under the Purchase Contracts and the Purchase Contract Agreement or (2) sale of the Pledged Notes, Pledged Treasury Securities or the appropriate Pledged Applicable Ownership Interests (as specified in clause (A) of the definition of such term) in one or more public or private sales.

(b) Without limiting any rights or powers otherwise granted by this Agreement to the Collateral Agent, in the event the Collateral Agent is unable to make payments to the Company on account of the appropriate Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, or on account of principal payments of any Pledged Treasury Securities as provided in Article 3 hereof, in satisfaction of the Obligations of the Holder of the Securities of which such appropriate Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio or such Pledged Treasury Securities, as applicable, is a part under the related Purchase Contracts, the inability to make such payments shall constitute an event of default hereunder and the Collateral Agent shall have and may exercise, with reference to such Pledged Treasury Securities or the appropriate Applicable Ownership Interests (as specified in clause (A) of the definition of such term) of the Treasury Portfolio, as applicable, any and all of the rights and remedies available to a secured party under the UCC and the TRADES Regulations after default by a debtor, and as otherwise granted herein or under any other law.

(c) Without limiting any rights or powers otherwise granted by this Agreement to the Collateral Agent, the Collateral Agent is hereby irrevocably authorized to receive and collect all payments of (i) the principal amount of the Pledged Notes, (ii) the principal amount of the Pledged Treasury Securities and (iii) the Applicable Ownership Interest (as specified in clause (A) of the definition of such term) of the principal amount of the Treasury Portfolio, subject, in each case, to the provisions of Article 3 hereof, and as otherwise granted herein.

(d) The Purchase Contract Agent and each Holder of Securities agrees that, from time to time, upon the written request of the Collateral Agent or the Purchase Contract Agent, such Holder shall execute and deliver such further documents and do such other acts and things as the Collateral Agent may reasonably request in order to maintain the Pledge, and the perfection and priority thereof, and to confirm the rights of the Collateral Agent hereunder. The Purchase Contract Agent shall have no liability to any Holder for executing any documents or taking any such acts requested by the Collateral Agent hereunder, except for liability for its own negligent acts, its own negligent failure to act or its own willful misconduct.

Section 7.02. Tax Event Redemption. Upon the occurrence of a Tax Event Redemption prior to the Purchase Contract Settlement Date, the Redemption Amount, plus any accrued and unpaid interest payable on the Tax Event Redemption Date with respect to the Applicable Principal Amount shall be credited to the Collateral Account by the Indenture Trustee, on or prior to 12:30 p.m., New York City time on such Tax Event Redemption Date, by federal funds check or wire transfer of immediately available funds. The Collateral Agent is hereby authorized to present the Pledged Notes for payment as may be required by their respective terms. Upon receipt of such funds, the Pledged Notes, as the case may be, shall be released from the Collateral Account. In the event such funds are credited to the Collateral Account, the Collateral Agent, at the written direction of the Company, shall instruct the Securities Intermediary to (a) apply an amount equal to the Redemption Amount of such funds to purchase the Treasury Portfolio from the Quotation Agent for credit to the Collateral Account and (b) promptly remit the remaining portion of such funds, if any, to the Purchase Contract

Agent for payment to the Holders of Income PACS.

Section 7.03. Initial Remarketing. The Collateral Agent shall, by 11:00 a.m., New York City time, on the Business Day immediately preceding the Initial Remarketing Date, without any instruction from any Holder of Income PACS, present the related Pledged Notes to the Remarketing Agent for remarketing. Upon receiving such Pledged Notes, the Remarketing Agent, pursuant to the terms of the Remarketing Agreement, will use its reasonable efforts to remarket such Pledged Notes on the Initial Remarketing Date at a price of approximately 100.5% (but not less than 100%) of the Treasury Portfolio Purchase Price. After deduction as the Remarketing Fee of an amount not exceeding 25 basis points (.25%) of the Treasury Portfolio Purchase Price from any amount of such Proceeds in excess of the Treasury Portfolio Purchase Price, the Remarketing Agent will remit the entire amount of the Proceeds of such remarketing to the Collateral Agent on or prior to 12:00 p.m., New York City time, by check or wire transfer in immediately available funds at such place and at such account as may be designated by the Collateral Agent in exchange for the Pledged Notes. In the event the Collateral Agent receives such Proceeds, the Collateral Agent will, at the written direction of the Company, apply an amount equal to the Treasury Portfolio Purchase Price to purchase from the Quotation Agent the Treasury Portfolio and promptly remit the remaining portion of such Proceeds to the Purchase Contract Agent for payment to the Holders of Income PACS. The Collateral Agent shall Transfer the Treasury Portfolio to the Collateral Account to secure the obligation of all Holders of Income PACS to purchase Common Stock of the Company under the Purchase Contracts constituting a part of such Income PACS, in substitution for the Pledged Notes. In the event of a Failed Initial Remarketing, the Notes presented to the Remarketing Agent pursuant to this Section 7.03 for Remarketing shall be redeposited into the Collateral Account.

Section 7.04. Substitutions. Whenever a Holder has the right to substitute Treasury Securities, Notes or security entitlements for any of them or the appropriate Applicable Ownership Interests of the Treasury Portfolio, as the case may be, for financial assets held in the Collateral Account, such substitution shall not constitute a novation of the security interest created hereby.

ARTICLE 8 Representations and Warranties; Covenants

Section 8.01. Representations and Warranties. Each Holder from time to time, acting through the Purchase Contract Agent as attorney-in-fact (it being understood that the Purchase Contract Agent shall not be liable for any representation or warranty made by or on behalf of a Holder), hereby represents and warrants to the Collateral Agent (with respect to such Holder's interest in the Collateral), which representations and warranties shall be deemed repeated on each day a Holder Transfers Collateral that:

(a) such Holder has the power to grant a security interest in and lien on the Collateral;

(b) such Holder is the sole beneficial owner of the Collateral and, in the case of Collateral delivered in physical form, is the sole holder of such Collateral and is the sole beneficial owner of, or has the right to Transfer, the Collateral it Transfers to the Collateral Agent for credit to the Collateral Account, free and clear of any security interest, lien, encumbrance, call, liability to pay money or other restriction other than the security interest and lien granted under Article 2 hereof;

(c) upon the Transfer of the Collateral to the Collateral Agent for credit to the Collateral Account, the Collateral Agent, for the benefit of the Company, will have a valid and perfected first priority security interest therein (assuming that any central clearing operation or any securities intermediary or other entity not within the control of the Holder involved in the Transfer of the Collateral, including the Collateral Agent and the Securities Intermediary, gives the notices and takes the action required of it hereunder and under applicable law for perfection of that interest and assuming the establishment and exercise of control pursuant to Article 4 hereof); and

(d) the execution and performance by the Holder of its obligations under this Agreement will not result in the creation of any security interest, lien or other encumbrance on the Collateral other than the security interest and lien granted under Article 2 hereof or violate any provision of any existing law or regulation applicable to it or of any mortgage, charge, pledge, indenture, contract or undertaking to which it is a party or which is binding on it or any of its assets.

Section 8.02. Covenants. The Holders from time to time, acting through the Purchase Contract Agent as their attorney-in-fact (it being understood that the Purchase Contract Agent shall not be liable for any covenant made by or on behalf of a Holder), hereby covenant to the Collateral Agent that for so long as the Collateral remains subject to the Pledge:

(a) neither the Purchase Contract Agent nor such Holders will create or purport to create or allow to subsist any mortgage, charge, lien, pledge or any other security interest whatsoever over the Collateral or any part of it other than pursuant to this Agreement; and

(b) neither the Purchase Contract Agent nor such Holders will sell or otherwise dispose (or attempt to dispose) of the Collateral or any part of it except for the beneficial interest therein, subject to the Pledge hereunder, transferred in connection with the Transfer of the Securities.

ARTICLE 9

The Collateral Agent, the Custodial Agent and the Securities Intermediary

It is hereby agreed as follows:

Section 9.01. Appointment, Powers and Immunities. The Collateral Agent, the Custodial Agent or Securities Intermediary shall act as agent for the Company hereunder with such powers as are specifically vested in the Collateral Agent, the Custodial Agent or Securities Intermediary, as the case may be, by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. The Collateral Agent, the Custodial Agent and Securities Intermediary shall:

(a) have no duties or responsibilities except those expressly set forth in this Agreement and no implied covenants or obligations shall be inferred from this Agreement against the Collateral Agent, the Custodial Agent and Securities Intermediary, nor shall the Collateral Agent, the Custodial Agent and Securities Intermediary be bound by the provisions of any agreement by any party hereto beyond the specific terms hereof;

(b) not be responsible for any recitals contained in this Agreement, or in any certificate or other document referred to or provided for in, or received by it under, this Agreement, the Securities or the Purchase Contract Agreement, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement (other than as against the Collateral Agent, the Custodial Agent or Securities Intermediary, as the case may be,), the Securities or the Purchase Contract Agreement or any other document referred to or provided for herein or therein or for any failure by the Company or any other Person (except the Collateral Agent, the Custodial Agent or Securities Intermediary, as the case may be,) to perform any of its obligations hereunder or thereunder or for the perfection, priority or, except as expressly required hereby, maintenance of any security interest created hereunder;

(c) not be required to initiate or conduct any litigation or collection proceedings hereunder (except pursuant to directions furnished under Section 9.02 hereof, subject to Section 9.06 hereof);

(d) not be responsible for any action taken or omitted to be taken by it hereunder or under any other document or instrument referred to or provided for herein or in connection herewith or therewith, except for its own negligence or willful misconduct; and

(e) not be required to advise any party as to selling or retaining, or taking or refraining from taking any action with respect to, any securities or other property deposited hereunder.

Subject to the foregoing, during the term of this Agreement, the Collateral Agent, the Custodial Agent shall take all reasonable action in connection with the safekeeping and preservation of the Collateral hereunder.

No provision of this Agreement shall require the Collateral Agent or Securities Intermediary to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder. In no event shall the Collateral Agent or Securities Intermediary be liable for any amount in excess of the Value of the Collateral. Notwithstanding the foregoing, each of the Collateral Agent and the Securities Intermediary in its individual capacity hereby waives any right of setoff, bankers' lien, liens or perfection rights as securities intermediary or any counterclaim with respect to any of the Collateral.

Section 9.02. Instructions of the Company. The Company shall have the right, by one or more written instruments executed and delivered to the Collateral Agent, to direct the time, method and place of conducting any proceeding for the realization of any right or remedy available to the Collateral Agent, or of exercising any power conferred on the Collateral Agent, or to direct the taking or refraining from taking of any action authorized by this Agreement; provided, however, that (i) such direction shall not conflict with the provisions of any law or of this Agreement and (ii) the Collateral Agent shall be adequately indemnified as provided herein. Nothing contained in this Section 9.02 shall impair the right of the Collateral Agent in its discretion to take any action or omit to take any action which it deems proper and which is not inconsistent with such direction.

Section 9.03. Reliance by Collateral Agent and Securities

Intermediary. Each of the Securities Intermediary, the Custodial Agent and the Collateral Agent shall be entitled to rely upon any certification, order, judgment, opinion, notice or other written communication (including, without limitation, any thereof by e-mail or similar electronic means, telecopy, telex or facsimile) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons (without being required to determine the correctness of any fact stated therein) and consult with and rely upon advice, opinions and statements of legal counsel and other experts selected by the Collateral Agent, the Custodial Agent or the Securities Intermediary, as the case may be. As to any matters not expressly provided for by this Agreement, the Collateral Agent, the Custodial Agent and the Securities Intermediary shall in all cases be fully protected in acting, or in refraining from acting, hereunder in accordance with instructions given by the Company in accordance with this Agreement.

Section 9.04. Rights in Other Capacities. The Collateral Agent, the Custodial Agent and the Securities Intermediary and their affiliates may (without having to account therefor to the Company) accept deposits from, lend money to, make their investments in and generally engage in any kind of banking, trust or other business with the Purchase Contract Agent, any other Person interested herein and any Holder of Securities (and any of their respective subsidiaries or affiliates) as if it were not acting as the Collateral Agent, the Custodial Agent or the Securities Intermediary, as the case may be, and the Collateral Agent, the Custodial Agent, the Securities Intermediary and their affiliates may accept fees and other consideration from the Purchase Contract Agent and any Holder of Securities without having to account for the same to the Company; provided that each of the Securities Intermediary, the Custodial Agent and the Collateral Agent covenants and agrees with the Company that it shall not accept, receive or permit there to be created in favor of itself and shall take no affirmative action to permit there to be created in favor of any other Person, any security interest, lien or other encumbrance of any kind in or upon the Collateral other than the lien created by the Pledge.

Section 9.05. Non-Reliance on Collateral Agent, the Custodial Agent and Securities Intermediary. None of the Securities Intermediary, the Custodial Agent or the Collateral Agent shall be required to keep itself informed as to the performance or observance by the Purchase Contract Agent or any Holder of Securities of this Agreement, the Purchase Contract Agreement, the Securities or any other document referred to or provided for herein or therein or to inspect the properties or books of the Purchase Contract Agent or any Holder of Securities. None of the Collateral Agent, the Custodial Agent or the Securities Intermediary shall have any duty or responsibility to provide the Company with any credit or other information concerning the affairs, financial condition or business of the Purchase Contract Agent or any Holder of Securities (or any of their respective affiliates) that may come into the possession of the Collateral Agent, the Custodial Agent or the Securities Intermediary or any of their respective affiliates.

Section 9.06. Compensation and Indemnity. The Company agrees to:

(a) pay the Collateral Agent, the Custodial Agent and the Securities Intermediary from time to time such compensation as shall be agreed in writing between the Company and the Collateral Agent or the Securities Intermediary, as the case may be, for all services rendered by them hereunder;

(b) indemnify and hold harmless the Collateral Agent, the Custodial Agent, the Securities Intermediary and each of their respective directors, officers, agents and employees (collectively, the "Indemnitees"), harmless from and against any and all claims, liabilities, losses, damages, fines, penalties and expenses (including reasonable fees and expenses of counsel) (collectively, "Losses" and individually, a "Loss") that may be imposed on, incurred by, or asserted against, the Indemnitees or any of them for following any instructions or other directions upon which either the Collateral Agent, the Custodial Agent or the Securities Intermediary is entitled to rely pursuant to the terms of this Agreement; and

(c) in addition to and not in limitation of paragraph (b) immediately above, indemnify and hold the Indemnitees and each of them harmless from and against any and all Losses that may be imposed on, incurred by or asserted against, the Indemnitees or any of them in connection with or arising out of the Collateral Agent's, the Custodial Agent's or the Securities Intermediary's acceptance or performance of its powers and duties under this Agreement, provided the Collateral Agent, the Custodial Agent or the Securities Intermediary has not acted with negligence or engaged in willful misconduct or bad faith with respect to the specific Loss against which indemnification is sought.

Section 9.07. Failure to Act. In the event of any ambiguity in the provisions of this Agreement or any dispute between or conflicting claims by or among the parties hereto or any other Person with respect to any funds or property deposited hereunder, then at its sole option, each of the Collateral Agent, the Custodial Agent and the Securities Intermediary shall be entitled, after prompt notice to the Company and the Purchase Contract

Agent, to refuse to comply with any and all claims, demands or instructions with respect to such property or funds so long as such dispute or conflict shall continue, and the Collateral Agent, the Custodial Agent and the Securities Intermediary shall not be or become liable in any way to any of the parties hereto for its failure or refusal to comply with such conflicting claims, demands or instructions. The Collateral Agent, the Custodial Agent and the Securities Intermediary shall be entitled to refuse to act until either:

(a) such conflicting or adverse claims or demands shall have been finally determined by a court of competent jurisdiction or settled by agreement between the conflicting parties as evidenced in a writing satisfactory to the Collateral Agent, the Custodial Agent or the Securities Intermediary; or

(b) the Collateral Agent, the Custodial Agent or the Securities Intermediary shall have received security or an indemnity satisfactory to it sufficient to save it harmless from and against any and all loss, liability or reasonable out-of-pocket expense which it may incur by reason of its acting.

The Collateral Agent, the Custodial Agent and the Securities Intermediary may in addition elect to commence an interpleader action or seek other judicial relief or orders as the Collateral Agent, the Custodial Agent or the Securities Intermediary may deem necessary. Notwithstanding anything contained herein to the contrary, none of the Collateral Agent, the Custodial Agent or the Securities Intermediary shall be required to take any action that is in its opinion contrary to law or to the terms of this Agreement, or which would in its opinion subject it or any of its officers, employees or directors to liability.

Section 9.08. Resignation of Collateral Agent, the Custodial Agent and Securities Intermediary.

(a) Subject to the appointment and acceptance of a successor Collateral Agent, Custodial Agent or Securities Intermediary as provided below:

(i) if the Collateral Agent, the Custodial Agent or the Securities Intermediary is the same Person and the Purchase Contract Agent and an event of default occurs under the Purchase Contract Agreement or this Agreement, the Collateral Agent, the Custodial Agent or the Securities Intermediary shall resign immediately;

(ii) the Collateral Agent, the Custodial Agent and the Securities Intermediary may resign at any time by giving notice thereof to the Company and the Purchase Contract Agent as attorney-in-fact for the Holders of Securities;

(iii) the Collateral Agent, the Custodial Agent and the Securities Intermediary may be removed at any time by the Company; and

(iv) if the Collateral Agent, the Custodial Agent and the Securities Intermediary fails to perform any of its material obligations hereunder in any material respect for a period of not less than 20 days after receiving written notice of such failure by the Purchase Contract Agent and such failure shall be continuing, the Collateral Agent and the Securities Intermediary may be removed by the Purchase Contract Agent, acting at the direction of the Holders of Securities.

The Purchase Contract Agent shall promptly notify the Company of any removal of the Collateral Agent, the Custodial Agent pursuant to clause (iii) of this Section 9.08(a). Upon any such resignation or removal, the Company shall have the right to appoint a successor Collateral Agent, the Custodial Agent or Securities Intermediary, as the case may be. If no successor Collateral Agent, the Custodial Agent or Securities Intermediary shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Collateral Agent's, the Custodial Agent's or Securities Intermediary's giving of notice of resignation or the Company or the Purchase Contract Agent giving notice of such removal, then the retiring Collateral Agent, Custodial Agent or Securities Intermediary may petition any court of competent jurisdiction for the appointment of a successor Collateral Agent, Custodial Agent or Securities Intermediary. The Collateral Agent, the Custodial Agent and the Securities Intermediary shall each be a bank or a national banking association which has an office (or an agency office) in New York City with a combined capital and surplus of at least \$50,000,000. Upon the acceptance of any appointment as Collateral Agent, Custodial Agent or Securities Intermediary hereunder by a successor Collateral Agent or Securities Intermediary, as the case may be, such successor Collateral Agent, Custodial Agent or Securities Intermediary, as the case may be, shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent, Custodial Agent or Securities Intermediary, as the case may be, and the retiring Collateral Agent, Custodial Agent or Securities Intermediary, as the case may be, shall take all appropriate action to transfer any money and property held by it hereunder (including the Collateral) to such

successor. The retiring Collateral Agent, Custodial Agent or Securities Intermediary shall, upon such succession, be discharged from its duties and obligations as Collateral Agent, Custodial Agent or Securities Intermediary hereunder. After any retiring Collateral Agent's, Custodial Agent's or Securities Intermediary's resignation hereunder as Collateral Agent, Custodial Agent or Securities Intermediary, the provisions of this Article 9 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Collateral Agent, the Custodial Agent or Securities Intermediary. Any resignation or removal of the Collateral Agent, the Custodial Agent or the Securities Intermediary hereunder, at a time when such Person is acting as the Collateral Agent, the Custodial Agent or the Securities Intermediary, shall be deemed for all purposes of this Agreement as the simultaneous resignation or removal of the Securities Intermediary or the Custodial Agent.

Section 9.09. Right to Appoint Agent or Advisor. The Collateral Agent shall have the right to appoint agents or advisors in connection with any of its duties hereunder, and the Collateral Agent shall not be liable for any action taken or omitted by, or in reliance upon the advice of, such agents or advisors selected in good faith. The appointment of agents pursuant to this Section 9.09 shall be subject to prior consent of the Company, which consent shall not be unreasonably withheld.

Section 9.10. Survival. The provisions of this Article 9 shall survive termination of this Agreement and the resignation or removal of the Collateral Agent, the Custodial Agent or the Securities Intermediary.

Section 9.11. Exculpation. Anything contained in this Agreement to the contrary notwithstanding, in no event shall the Collateral Agent, the Custodial Agent or the Securities Intermediary or their officers, directors, employees or agents be liable under this Agreement to any third party for indirect, special, punitive, or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, whether or not the likelihood of such loss or damage was known to the Collateral Agent, the Custodial Agent or the Securities Intermediary, or any of them.

ARTICLE 10 Amendment

Section 10.01. Amendment Without Consent of Holders. Without the consent of any Holders, the Company, the Collateral Agent, , the Custodial Agent the Securities Intermediary and the Purchase Contract Agent, at any time and from time to time, may amend this Agreement, in form satisfactory to the Company, the Collateral Agent, , the Custodial Agent, the Securities Intermediary and the Purchase Contract Agent, to:

(a) evidence the succession of another Person to the Company, and the assumption by any such successor of the covenants of the Company;

(b) evidence and provide for the acceptance of appointment hereunder by a successor Collateral Agent, , the Custodial Agent, Securities Intermediary or Purchase Contract Agent;

(c) add to the covenants of the Company for the benefit of the Holders, or surrender any right or power herein conferred upon the Company, provided such covenants or such surrender do not adversely affect the validity, perfection or priority of the Pledge created hereunder; or

(d) cure any ambiguity (or formal defect), correct or supplement any provisions herein which may be inconsistent with any other such provisions herein, or make any other provisions with respect to such matters or questions arising under this Agreement, provided such action shall not adversely affect the interests of the Holders.

Section 10.02. Amendment with Consent of Holders. With the consent of the Holders of not less than a majority of the Purchase Contracts at the time outstanding, by Act of such Holders delivered to the Company, the Purchase Contract Agent, , the Custodial Agent, the Securities Intermediary or the Collateral Agent, as the case may be, the Company, when duly authorized, the Purchase Contract Agent, the Securities Intermediary and the Collateral Agent may amend this Agreement for the purpose of modifying in any manner the provisions of this Agreement or the rights of the Holders in respect of the Securities; provided, however, that no such supplemental agreement shall, without the unanimous consent of the Holders of each Outstanding Security adversely affected thereby:

(a) Change the amount or type of Collateral underlying a Security (except for the rights of holders of Income PACS to substitute the Treasury Securities for the Pledged Notes or the Applicable Ownership Interest (as specified in clause (A) of such term) of the Treasury Portfolio, as the case may be, or the rights of Holders of Growth PACS to substitute Notes or the Applicable Ownership Interest (as specified in clause (A) of such term) of the Treasury Portfolio, as applicable, for the Pledged Treasury Securities), impair the right of the Holder of any Security to receive distributions on the underlying Collateral or otherwise adversely affect the Holder's rights in or to such Collateral; or

(b) otherwise effect any action that would require the consent of the Holder of each Outstanding Security affected thereby pursuant to the Purchase Contract Agreement if such action were effected by an agreement supplemental thereto; or

(c) reduce the percentage of Purchase Contracts the consent of whose Holders is required for any such amendment;

provided that if any amendment or proposal referred to above would adversely affect only the Income PACS or only the Growth PACS, then only the affected class of Holders as of the record date for the Holders entitled to vote thereon will be entitled to vote on such amendment or proposal, and such amendment or proposal shall not be effective except with the consent of Holders of not less than a majority of such class; provided, further, that the unanimous consent of the Holders of each outstanding Purchase Contract of such class affected thereby shall be required to approve any amendment or proposal specified in clauses (a) through (c) above.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such Act shall approve the substance thereof.

Section 10.03. Execution of Amendments. In executing any amendment permitted by this Section, the Collateral Agent, , the Custodial Agent, the Securities Intermediary and the Purchase Contract Agent shall be entitled to receive and (subject to Section 7.01 of the Purchase Contract Agreement with respect to the Purchase Contract Agent) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this Agreement and that all conditions precedent, if any, to the execution and delivery of such amendment have been satisfied.

Section 10.04. Effect of Amendments. Upon the execution of any amendment under this Section, this Agreement shall be modified in accordance therewith, and such amendment shall form a part of this Agreement for all purposes; and every Holder of Certificates theretofore or thereafter authenticated, executed on behalf of the Holders and delivered under the Purchase Contract Agreement shall be bound thereby.

Section 10.05. Reference of Amendments. Certificates authenticated, executed on behalf of the Holders and delivered after the execution of any amendment pursuant to this Section may, and shall if required by the Collateral Agent or the Purchase Contract Agent, bear a notation in form approved by the Purchase Contract Agent and the Collateral Agent as to any matter provided for in such amendment. If the Company shall so determine, new Security Certificates so modified as to conform, in the opinion of the Collateral Agent, the Purchase Contract Agent and the Company, to any such amendment may be prepared and executed by the Company and authenticated, executed on behalf of the Holders and delivered by the Purchase Contract Agent in accordance with the Purchase Contract Agreement in exchange for Certificates representing Outstanding Securities.

ARTICLE 11 Miscellaneous

Section 11.01. No Waiver. No failure on the part of the Collateral Agent, the Securities Intermediary or any of their respective agents to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Collateral Agent, the Securities Intermediary or any of their respective agents of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein are cumulative and are not exclusive of any remedies provided by law.

Section 11.07. Expenses, Etc.. The Company agrees to reimburse the Collateral Agent, the Custodial Agent and the Securities Intermediary for:

(a) all reasonable costs and expenses of the Collateral Agent, the Custodial Agent and the Securities Intermediary (including, without limitation, the reasonable fees and expenses of counsel to the Collateral Agent and the Securities Intermediary), in connection with (i) the negotiation, preparation, execution and delivery or performance of this Agreement and (ii) any modification, supplement or waiver of any of the terms of this Agreement;

(b) all reasonable costs and expenses of the Collateral Agent and the Securities Intermediary (including, without limitation, reasonable fees and expenses of counsel) in connection with (i) any enforcement or proceedings resulting or incurred in connection with causing any Holder of Securities to satisfy its obligations under the Purchase Contracts forming a part of the Securities and (ii) the enforcement of this Section 11.07;

Section 11.08. Security Interest Absolute. All rights of the Collateral Agent and security interests hereunder, and all obligations of the Holders from time to time hereunder, shall be absolute and unconditional irrespective of:

REMARKETING AGREEMENT, dated as of _____, 2002 (the "Agreement") by and between The Williams Companies, Inc., a Delaware corporation (the "Company"), [Agent], a New York banking corporation, not individually but solely as Purchase Contract Agent (the "Purchase Contract Agent") and as attorney-in-fact of the holders of Purchase Contracts (as defined in the Purchase Contract Agreement (as defined herein)), and [Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated] (the "Remarketing Agent").

WITNESSETH:

WHEREAS, the Company will issue \$[] (or \$[] if the underwriters' overallotment option is exercised in full) aggregate Stated Amount of its FELINE PACS (the "FELINE PACS") under the Purchase Contract Agreement, dated as of _____, 2002, by and between the Purchase Contract Agent and the Company (the "Purchase Contract Agreement"); and

WHEREAS, the FELINE PACS will initially consist of [] (or [] if the underwriters' overallotment option is exercised in full) units referred to as "Income PACS."

WHEREAS, the Company will issue concurrently in connection with the issuance of the FELINE PACS \$[] (or \$[] if the underwriters' overallotment option is exercised in full) aggregate principal amount of Senior Notes due February 16, 2007 (the "Notes") of the Company; and

WHEREAS, the Notes forming a part of the Income PACS will be pledged pursuant to the Pledge Agreement (the "Pledge Agreement"), dated as of _____, 2002, by and among the Company, [Agent], as collateral agent (the "Collateral Agent") and the Purchase Contract Agent, to secure an Income PACS holder's obligations under the related Purchase Contract on the Purchase Contract Settlement Date; and

WHEREAS, the Notes of the Income PACS holders and of the Note holders electing to have their Notes remarketed will be remarketed by the Remarketing Agent on the third Business Day immediately preceding November 16, 2004 (the "Initial Remarketing Date"); and

WHEREAS, in the event of a Failed Initial Remarketing, the Notes of the Note holders electing to have their Notes remarketed and of the Income PACS holders who have elected not to settle the Purchase Contracts related to their Income PACS by Cash Settlement will be remarketed by the Remarketing Agent on the third Business Day immediately preceding the Purchase Contract Settlement Date; and

WHEREAS, in the event of a Successful Initial Remarketing, the applicable interest rate on the Notes will be reset on the Initial Remarketing Date, to the Reset Rate to be determined by the Reset Agent as the rate that such Notes should bear in order for the Applicable Principal Amount of the Notes to have an approximate aggregate market value of 100.5% of the Treasury Portfolio Purchase Price on the Initial Remarketing Date, provided that in the determination of such Reset Rate, the Company shall, if applicable, limit the Reset Rate to the maximum rate permitted by applicable law; and

WHEREAS, in the event of a Failed Initial Remarketing, the applicable interest rate on the Notes that remain outstanding on and after the Purchase Contract Settlement Date will be reset on the third Business Day immediately preceding the Purchase Contract Settlement Date, to the Reset Rate to be determined by the Reset Agent as the rate that such Notes should bear in order to have an approximate market value of 100.5% of the aggregate principal amount of the Notes on the third Business Day immediately preceding the Purchase Contract Settlement Date, provided that in the determination of such Reset Rate, the Company shall, if applicable, limit the Reset Rate to the maximum rate permitted by applicable law; and

WHEREAS, the Company has requested [Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch")] to act as the Reset Agent and as the Remarketing Agent, and as such to perform the services described herein; and

WHEREAS, [Merrill Lynch] is willing to act as Reset Agent and Remarketing Agent and as such to perform such duties on the terms and conditions expressly set forth herein;

NOW, THEREFORE, for and in consideration of the covenants herein made, and subject to the conditions herein set forth, the parties hereto agree as follows:

Section 1. Definitions. Capitalized terms used and not defined in this Agreement, in the recitals hereto or in the paragraph preceding such recitals shall have the meanings assigned to them in the Purchase Contract Agreement or, if not therein defined, the Pledge Agreement.

Section 2. Appointment and Obligations of Remarketing Agent. (a) The Company hereby appoints [Merrill Lynch] and [Merrill Lynch] hereby accepts such appointment, (i) as the Reset Agent to determine in consultation with the Company, in the manner provided for herein and in the Indenture (as defined in Schedule I hereto) (as in effect on the date of this Remarketing Agreement) with respect to the Notes, (1) the Reset Rate that, in the opinion of the Reset Agent, will, when applied to the Notes, enable the Applicable Principal Amount of the Notes to have an approximate aggregate market value of 100.5% of the Treasury Portfolio Purchase Price as of the Initial Remarketing Date, and (2) in the event of a Failed Initial Remarketing, the Reset Rate that, in the opinion of the Reset Agent, will, when applied to the Notes, enable a Note to have an approximate market value of 100.5% of its principal amount as of the third Business Day preceding the Purchase Contract Settlement Date, provided, in each case, that the Company, by notice to the Reset Agent prior to the tenth Business Day preceding (x) November 16, 2004, in the case of the Initial Remarketing (as defined below), or (y) the Purchase Contract Settlement Date, in the case of the Secondary Remarketing (as defined below), shall, if applicable, limit the Reset Rate so that it does not exceed the maximum rate permitted by applicable law and (ii) as the exclusive Remarketing Agent (subject to the right of Merrill Lynch to appoint additional remarketing agents hereunder as described below) to (1) remarket the Notes of the Note holders electing to have their Notes remarketed and of the Income PACS holders on the Initial Remarketing Date, for settlement on November 16, 2004 and (2) in the case of a Failed Initial Remarketing, remarket the Notes of the Note holders electing to have their Notes remarketed or of the Income PACS holders who have failed to notify the Purchase Contract Agent, on or prior to the fifth Business Day immediately preceding the Purchase Contract Settlement Date, of their intention to settle the related Purchase Contracts through Cash Settlement. In connection with the remarketing contemplated hereby, the Remarketing Agent will enter into a Supplemental Remarketing Agreement (the "Supplemental Remarketing Agreement") with the Company and the Purchase Contract Agent, which shall either be (i) substantially in the form attached hereto as Exhibit A (with such changes as the Company and the Remarketing Agent may agree upon, it being understood that changes may be necessary in the representations, warranties, covenants and other provisions of the Supplemental Remarketing Agreement due to changes in law or facts and circumstances or in the event that [Merrill Lynch] is not the sole remarketing agent, and with such further changes therein as the Remarketing Agent may reasonably request), or (ii) in such other form as the Remarketing Agent may reasonably request, subject to the approval of the Company (such approval not to be unreasonably withheld). Anything herein to the contrary notwithstanding, [Merrill Lynch] shall not be obligated to act as Remarketing Agent or Reset Agent hereunder unless the Supplemental Remarketing Agreement is in form and substance reasonably satisfactory to [Merrill Lynch]. The Company agrees that [Merrill Lynch] shall have the right, on 15 Business Days notice to the Company, to appoint one or more additional remarketing agents so long as any such additional remarketing agents shall be reasonably acceptable to the Company. Upon any such appointment, the parties shall enter into an appropriate amendment to this Agreement to reflect the addition of any such remarketing agent.

(b) Pursuant to the Supplemental Remarketing Agreement, the Remarketing Agent, either as sole remarketing agent or as representative of a group of remarketing agents appointed as aforesaid, will agree, subject to the terms and conditions set forth herein and therein, to use its reasonable efforts to (i) remarket, on the Initial Remarketing Date, the Notes that the Trustee (as such term is defined in the Indenture) and the Purchase Contract Agent shall have notified the Remarketing Agent have been tendered for, or otherwise are to be included in, the Initial Remarketing, at a price per Note such that the aggregate price for the Applicable Principal Amount of the Notes is approximately 100.5% of the Treasury Portfolio Purchase Price and (ii) in the event of a Failed Initial Remarketing, remarket, on the third Business Day immediately preceding the Purchase Contract Settlement Date, the Notes that the Trustee and the Purchase Contract Agent shall have notified the Remarketing Agent have been tendered for, or otherwise are to be included in, the Secondary Remarketing, at a price of approximately 100.5% of the aggregate principal amount of such Notes.

Notwithstanding the preceding sentence, the Remarketing Agent shall not remarket any Notes for a price less than the price necessary for the Applicable Principal Amount of the Notes to have an aggregate price equal to 100% of the Treasury Portfolio Purchase Price (the "Minimum Initial Remarketing Price"), in the case of the Initial Remarketing, or the aggregate principal amount of such Notes, in the case of the Secondary Remarketing. After deducting the fee specified in Section 3 below, the proceeds of such Initial Remarketing or Secondary Remarketing, as the case may be, shall be paid to the Collateral Agent in accordance with Section 5.07 of the Pledge Agreement and Section 5.02 of the Purchase Contract Agreement (each of which Sections are incorporated herein by reference). The right of each holder of Notes or Income PACS to have Notes tendered for the Initial Remarketing or the Secondary Remarketing, as the case may be, shall be limited to the extent that (i) the Remarketing Agent conducts an Initial Remarketing and, in the event of a Failed Initial Remarketing, a Secondary Remarketing pursuant to the terms of this Agreement, (ii) Notes

tendered have not been called for redemption, (iii) the Remarketing Agent is able to find a purchaser or purchasers for tendered Notes at a price of not less than the Minimum Initial Remarketing Price, in the case of the Initial Remarketing, and 100% of the principal amount thereof, in the case of the Secondary Remarketing and (iv) such purchaser or purchasers deliver the purchase price therefor to the Remarketing Agent as and when required.

(c) It is understood and agreed that neither the Remarketing Agent nor the Reset Agent shall have any obligation whatsoever to purchase any Notes, whether in the Initial Remarketing, Secondary Remarketing or otherwise, and shall in no way be obligated to provide funds to make payment upon tender of Notes for remarketing or to otherwise expend or risk their own funds or incur or be exposed to financial liability in the performance of their respective duties under this Agreement or the Supplemental Remarketing Agreement, and, without limitation of the foregoing, the Remarketing Agent shall not be deemed an underwriter of the remarketed Notes. The Company shall not be obligated in any case to provide funds to make payment upon tender of Notes for remarketing.

Section 3. Fees. In the event of a Successful Initial Remarketing, the Remarketing Agent shall retain as a remarketing fee (the "Remarketing Fee") an amount not exceeding 25 basis points (0.25%) of the Minimum Initial Remarketing Price from any amount received in connection with such Initial Remarketing in excess of the Minimum Initial Remarketing Price. In the event of a Successful Secondary Remarketing, the Remarketing Agent shall retain as the Remarketing Fee an amount not exceeding 25 basis points (0.25%), of the principal amount of the remarketed Notes from any amount received in connection with such Secondary Remarketing in excess of the aggregate principal amount of such remarketed Notes. In addition, the Reset Agent shall, in either case, receive from the Company a reasonable and customary fee (the "Reset Agent Fee"); provided, however, that if the Remarketing Agent shall also act as the Reset Agent, then the Reset Agent shall not be entitled to receive any such Reset Agent Fee. Payment of such Reset Agent Fee shall be made by the Company on the Initial Remarketing Date, in the case of a Successful Initial Remarketing, or on the third Business Day immediately preceding the Purchase Contract Settlement Date, in the case of a Successful Secondary Remarketing, in immediately available funds or, upon the instructions of the Reset Agent, by certified or official bank check or checks or by wire transfer.

Section 4. Replacement and Resignation of Remarketing Agent. (a) The Company may in its absolute discretion replace Merrill Lynch as the Remarketing Agent and as the Reset Agent hereunder by giving notice prior to 3:00 p.m., New York City time (i) on the [eleventh] Business Day immediately prior to November 16, 2004, or (ii) in the event of a Failed Initial Remarketing, prior to 3:00 p.m., New York City time on the eleventh Business Day immediately prior to the Purchase Contract Settlement Date, provided, in either case, that the Company must replace [Merrill Lynch] both as Remarketing Agent and as Reset Agent unless [Merrill Lynch] shall otherwise agree. Any such replacement shall become effective upon the Company's appointment of a successor to perform the services that would otherwise be performed hereunder by the Remarketing Agent and the Reset Agent. Upon providing such notice, the Company shall use all reasonable efforts to appoint such a successor and to enter into a remarketing agreement with such successor as soon as reasonably practicable. (b) [Merrill Lynch] may resign at any time and be discharged from its duties and obligations hereunder as the Remarketing Agent and/or as the Reset Agent by giving notice prior to 3:00 p.m., New York City time (i) on the [eleventh] Business Day immediately prior to November 16, 2004, or (ii) in the event of a Failed Initial Remarketing, on the eleventh Business Day immediately prior to the Purchase Contract Settlement Date. Any such resignation shall become effective upon the Company's appointment of a successor to perform the services that would otherwise be performed hereunder by the Remarketing Agent and/or the Reset Agent. Upon receiving notice from the Remarketing Agent and/or the Reset Agent that it wishes to resign hereunder, the Company shall appoint such a successor and enter into a remarketing agreement with it as soon as reasonably practicable.

Section 5. Dealing in the Notes. Each of the Remarketing Agent and the Reset Agent, when acting hereunder or, in the case of the Remarketing Agent, under the Supplemental Remarketing Agreement, or when acting in its individual or any other capacity, may, to the extent permitted by law, buy, sell, hold or deal in any of the Notes, Growth PACS, Income PACS or any other securities of the Company. With respect to any Notes, Growth PACS Units, Income PACS or any other securities of the Company owned by it, each of the Remarketing Agent and the Reset Agent may exercise any vote or join in any action with like effect as if it did not act in any capacity hereunder. Each of the Remarketing Agent and the Reset Agent, in its individual capacity, either as principal or agent, may also engage in or have an interest in any financial or other transaction with the Company as freely as if it did not act in any capacity hereunder.

Section 6. Registration Statement and Prospectus. (a) In connection with the Initial Remarketing, if and to the extent required in the view of counsel (which need not be an opinion) for either the Remarketing Agent or the Company by applicable law, regulations or interpretations in effect at the time of such Initial Remarketing, the Company (i) shall use its reasonable efforts to have a registration

statement relating to the Notes effective under the Securities Act of 1933 prior to the third Business Day immediately preceding November 16, 2004, (ii) if requested by the Remarketing Agent shall furnish a current preliminary prospectus and, if applicable, a current preliminary prospectus supplement to be used by the Remarketing Agent in the Initial Remarketing not later than seven Business Days prior to November 16, 2004 (or such earlier date as the Remarketing Agent may reasonably request) and in such quantities as the Remarketing Agent may reasonably request, and (iii) shall furnish a current final prospectus and, if applicable, a final prospectus supplement to be used by the Remarketing Agent in the Initial Remarketing not later than the third Business Day immediately preceding November 16, 2004 in such quantities as the Remarketing Agent may reasonably request, and shall pay all expenses relating thereto.

(b) In the event of a Failed Initial Remarketing and in connection with the Secondary Remarketing, if and to the extent required in the view of counsel (which need not be an opinion) for either the Remarketing Agent or the Company by applicable law, regulations or interpretations in effect at the time of such Secondary Remarketing, the Company (i) shall use its reasonable efforts to have a registration statement relating to the Notes effective under the Securities Act of 1933 prior to the third Business Day immediately preceding the Purchase Contract Settlement Date, (ii) if requested by the Remarketing Agent, shall furnish a current preliminary prospectus and, if applicable, a current preliminary prospectus supplement to be used by the Remarketing Agent in the Secondary Remarketing not later than seven Business Days prior to the Purchase Contract Settlement Date (or such earlier date as the Remarketing Agent may reasonably request) and in such quantities as the Remarketing Agent may reasonably request, and (iii) shall furnish a current final prospectus and, if applicable, a final prospectus supplement to be used by the Remarketing Agent in the Secondary Remarketing not later than the third Business Day immediately preceding the Purchase Contract Settlement Date in such quantities as the Remarketing Agent may reasonably request, and shall pay all expenses relating thereto.

(c) If in connection with the Initial Remarketing or, in the event of a Failed Initial Remarketing, the Secondary Remarketing, it shall not be possible, in the view of counsel (which need not be an opinion) for either the Remarketing Agent or the Company, under applicable law, regulations or interpretations in effect at the time of such Initial Remarketing or such Secondary Remarketing to register the offer and sale by the Company of the Notes under the Securities Act of 1933 as otherwise contemplated by this Section 6, the Company (i) shall use its reasonable efforts to take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper and advisable to permit and effectuate the offer and sale of the Notes in connection with the Initial Remarketing or the Secondary Remarketing, as the case may be, without registration under the Securities Act of 1933 pursuant to an exemption therefrom, if available, including the exemption afforded by Rule 144A under the rules and regulations promulgated under the Securities Act of 1933 by the Securities and Exchange Commission, (ii) if requested by the Remarketing Agent shall furnish a current preliminary remarketing memorandum to be used by the Remarketing Agent in the Initial Remarketing or the Secondary Remarketing, as the case may be, not later than seven Business Days prior to November 16, 2004, in the case of the Initial Remarketing, or the Purchase Contract Settlement Date, in the case of the Secondary Remarketing (or in either case such earlier date as the Remarketing Agent may reasonably request) and in such quantities as the Remarketing Agent may reasonably request and (iii) shall furnish a current final remarketing memorandum to be used by the Remarketing Agent in the Initial Remarketing or the Secondary Remarketing, as the case may be, not later than the third Business Day immediately preceding November 16, 2004, in the case of the Initial Remarketing, or the Purchase Contract Settlement Date, in the case of the Secondary Remarketing, in such quantities as the Remarketing Agent may reasonably request, and shall pay all expenses relating thereto.

(d) The Company shall also take all such actions as may (upon advice of counsel to the Company or the Remarketing Agent) be necessary or desirable under state securities or blue sky laws in connection with the Initial Remarketing and the Secondary Remarketing.

Section 7. Conditions to the Remarketing Agent's Obligations. (a) The obligations of the Remarketing Agent and the Reset Agent under this Agreement and, in the case of the Remarketing Agent, the Supplemental Remarketing Agreement shall be subject to the terms and conditions of this Agreement and the Supplemental Remarketing Agreement, including, without limitation, the following conditions: (i) the Notes tendered for, or otherwise to be included in the Initial Remarketing or Secondary Remarketing, as the case may be, have not been called for redemption, (ii) the Remarketing Agent is able to find a purchaser or purchasers for tendered Notes (1) in the case of the Initial Remarketing, at a price not less than Minimum Initial Remarketing Price, and (2) in the case of the Secondary Remarketing, at a price not less than 100% of the principal amount thereof, (iii) the Purchase Contract Agent, the Collateral Agent, the Custodial Agent, the Company and the Trustee shall have performed their respective obligations in connection with the Initial Remarketing and, in the event of a Failed Initial Remarketing, in connection with the Secondary Remarketing, in each case pursuant to the Purchase Contract Agreement, the Pledge Agreement, the Indenture, this Agreement and the Supplemental

Remarketing Agreement (including, without limitation, giving the Remarketing Agent notice of the Treasury Portfolio Purchase Price no later than 5:00 p.m., New York City time, on the fourth Business Day prior to November 16, 2004, in the case of the Initial Remarketing, and giving the Remarketing Agent notice of the aggregate principal amount, as the case may be, of Notes to be remarketed, no later than 5:00 p.m., New York City time, on the fourth Business Day prior to the Purchase Contract Settlement Date, in the case of the Secondary Remarketing, and, in each case, concurrently delivering the Notes to be remarketed to the Remarketing Agent), (iv) no Event of Default (as defined in the Indenture) shall have occurred and be continuing, (v) the accuracy of the representations and warranties of the Company included and incorporated by reference in this Agreement and the Supplemental Remarketing Agreement or in certificates of any officer of the Company or any of its subsidiaries delivered pursuant to the provisions included or incorporated by reference in this Agreement or the Supplemental Remarketing Agreement, (vi) the performance by the Company of its covenants and other obligations included and incorporated by reference in this Agreement and the Supplemental Remarketing Agreement, and (vii) the satisfaction of the other conditions set forth and incorporated by reference in this Agreement and the Supplemental Remarketing Agreement.

(b) If at any time during the term of this Agreement, any Event of Default (as defined in the Indenture) or event that with the passage of time or the giving of notice or both would become an Indenture Event of Default has occurred and is continuing under the Indenture, then the obligations and duties of the Remarketing Agent and the Reset Agent under this Agreement and the Supplemental Remarketing Agreement shall be suspended until such default or event has been cured. The Company will promptly give the Remarketing Agent notice of all such defaults and events of which the Company is aware.

Section 8. Termination of Remarketing Agreement. This Agreement shall terminate as to any Remarketing Agent or Reset Agent that is replaced on the effective date of its replacement pursuant to Section 4(a) hereof or pursuant to Section 4(b) hereof. Notwithstanding any such termination, the obligations set forth in Section 3 hereof shall survive and remain in full force and effect until all amounts payable under said Section 3 shall have been paid in full. In addition, each former Remarketing Agent and Reset Agent shall be entitled to the rights and benefits under Section 10 of this Agreement, notwithstanding the replacement or resignation of such Remarketing Agent or Reset Agent.

Section 9. Remarketing Agent's Performance; Duty of Care. The duties and obligations of the Remarketing Agent and the Reset Agent shall be determined solely by the express provisions of this Agreement and, in the case of the Remarketing Agent, the Supplemental Remarketing Agreement. No implied covenants or obligations of or against the Remarketing Agent or the Reset Agent shall be read into this Agreement or the Supplemental Remarketing Agreement. In the absence of bad faith on the part of the Remarketing Agent or the Reset Agent, as the case may be, the Remarketing Agent and the Reset Agent each may conclusively rely upon any document furnished to it which purports to conform to the requirements of this Agreement or the Supplemental Remarketing Agreement, as the case may be, as to the truth of the statements expressed therein. Each of the Remarketing Agent and the Reset Agent shall be protected in acting upon any document or communication reasonably believed by it to be signed, presented or made by the proper party or parties. Neither the Remarketing Agent nor the Reset Agent shall have any obligation to determine whether there is any limitation under applicable law on the Reset Rate on the Notes or, if there is any such limitation, the maximum permissible Reset Rate on the Notes, and they shall rely solely upon written notice from the Company (which the Company agrees to provide prior to the tenth Business Day before November 16, 2004, in the case of the Initial Remarketing, and prior to the tenth Business Day before Purchase Contract Settlement Date, in the case of the Secondary Remarketing) as to whether or not there is any such limitation and, if so, the maximum permissible Reset Rate. Neither the Remarketing Agent nor the Reset Agent shall incur any liability under this Agreement or the Supplemental Remarketing Agreement to any beneficial owner or holder of Notes, or other securities, either in its individual capacity or as Remarketing Agent or Reset Agent, as the case may be, for any action or failure to act in connection with the Remarketing or otherwise in connection with the transactions contemplated by this Agreement or the Supplemental Remarketing Agreement. The provisions of this Section 9 shall survive any termination of this Agreement and shall also continue to apply to every Remarketing Agent and Reset Agent notwithstanding their resignation or removal.

Section 10. Indemnification and Contribution. (a) The Company agrees to indemnify and hold harmless the Remarketing Agent, the Reset Agent and their respective directors, officers, employees, agents, affiliates and each person, if any, who controls the Remarketing Agent or the Reset Agent within the meaning of either Section 15 of the Securities Act of 1933, as amended (the "1933 Act"), or Section 20 of the Securities Exchange Act of 1934, as amended (the "1934 Act") (the Remarketing Agent, the Reset Agent and each such person or entity being an "Indemnified Party"), as follows:

(i) from and against any and all losses, claims, damages,

liabilities and expenses whatsoever, joint or several, as incurred, to which such Indemnified Party may become subject under any applicable federal or state law, or otherwise, and related to, arising out of, or based on (A) the failure to have an effective Registration Statement (as defined in the Supplemental Remarketing Agreement) under the 1933 Act relating to the Notes, as the case may be, if required, or the failure to satisfy the prospectus delivery requirements of the 1933 Act because the Company failed to provide the Remarketing Agent with a Prospectus (as defined in the Supplemental Remarketing Agreement) for delivery, or (B) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereto (including any information deemed to be a part of the Registration Statement at the time it became effective pursuant to paragraph (b) of Rule 430A under the 1933 Act, if applicable), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (C) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or the Prospectus, or any amendment or supplement thereto, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (D) any untrue statement or alleged untrue statement of a material fact contained in any preliminary remarketing memorandum or any final remarketing memorandum, or any amendment or supplement thereto, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (E) any untrue statement or alleged untrue statement of a material fact contained in any other information (whether oral or written) or documents (including, without limitation, any documents incorporated or deemed to be incorporated by reference in any such information or documents) provided by the Company for use in connection with the remarketing of the Notes or any of the transactions related thereto, or (F) any breach by the Company of any of the representations, warranties or agreements included or incorporated by reference in this Agreement or the Supplemental Remarketing Agreement, or (G) any failure by the Company to make or consummate the remarketing of the Notes (including, without limitation, any Failed Initial Remarketing or Failed Secondary Remarketing) or the withdrawal, recession, termination, amendment or extension of the terms of such remarketing, or (H) any failure on the part of the Company to comply, or any breach by the Company of, any of the provisions included or incorporated by reference in this Agreement, the Supplemental Remarketing Agreement, the Purchase Contract Agreement, the Income PACS, the Growth PACS, the Pledge Agreement, the Indenture or the Notes (collectively, the "Operative Documents") or (I) the remarketing of the Notes, as the case may be, or any other transaction contemplated by any of the Operative Documents, or the engagement of the Remarketing Agent or the Reset Agent pursuant to, or the performance by the Remarketing Agent or the Reset Agent of the respective services contemplated by, this Agreement or the Supplemental Remarketing Agreement, whether or not the Initial Remarketing or the Secondary Remarketing or the reset of the interest rate on the Notes as contemplated herein actually occur;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever related to, arising out of or based on any matter described in (i) above; and

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by Merrill Lynch), incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever related to, arising out or based on any matter described in (i) above, whether or not such Indemnified Party is a party and whether or not such claim, action or proceeding is initiated or brought by or on behalf of the Company to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that the Company shall not be liable under clause (i) (B), (i) (C), (i) (D) or (i) (E) to the extent any such loss, claim, damage, liability or expense arises out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and conformity with written information furnished to the Company by the Remarketing Agent or the Reset Agent expressly for use in the Registration Statement (or any amendment thereto), any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) or any preliminary or final remarketing memorandum (or any amendment or supplement thereto) or any other documents used in connection with remarketing of the Notes, as the case may be; provided, further, that with respect to any untrue

statement or omission of a material fact made in any preliminary prospectus, the indemnity agreement contained in this Section 10(a) shall not inure to the benefit of the Remarketing Agent to the extent that any such loss, claim, damage or liability of the Remarketing Agent occurs under the circumstance where it shall have been determined by a court of competent jurisdiction by final and nonappealable judgment that (w) the Company had previously furnished copies of the Prospectus to [Merrill Lynch], (x) delivery of the Prospectus was required to be made to such person, (y) the untrue statement or alleged untrue statement of a material fact or omission or alleged omission of a material fact contained in the preliminary prospectus was corrected in the Prospectus, and (z) there was not sent or given to such person, at or prior to the written confirmation of the sale of Notes to such person, a copy of the Prospectus and the delivery thereof would have constituted a complete defense to such person's claim in respect of such untrue statement or omission or alleged untrue statement or omission.

The Company agrees that no Indemnified Party shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Company or its respective security holders or creditors relating to or arising out of the engagement of the Remarketing Agent or the Reset Agent pursuant to, or the performance by the Remarketing Agent or the Reset Agent of their respective services contemplated by, this Agreement or the Supplemental Remarketing Agreement except to the extent that any loss, claim, damage, liability or expense is found in a final judgment by a court of competent jurisdiction to have resulted from the willful misconduct, gross negligence or bad faith of the Remarketing Agent or the Reset Agent, as the case may be.

The Company agrees that, without [Merrill Lynch]'s prior written consent, it will not settle, compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any action or claim whatsoever in respect of which indemnification or contribution could be sought under this Section 10 (whether or not [Merrill Lynch] or any other Indemnified Party is an actual or potential party to such claim, action or proceeding), unless such settlement, compromise or consent (i) includes an unconditional release of each Indemnified Party from all liability arising out of such litigation, investigation, proceeding, action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an Indemnified Party.

(b) If the indemnification provided for in Section 10(a) hereof is for any reason unavailable to or insufficient to hold harmless an Indemnified Party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then the Company shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such Indemnified Party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Remarketing Agent and the Reset Agent on the other hand from the remarketing of the Notes contemplated hereby or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of the Remarketing Agent and the Reset Agent on the other hand in connection with the statements, omissions or other matters which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Remarketing Agent and the Reset Agent on the other hand in connection with the remarketing of the Notes contemplated hereby shall be deemed to be in the same respective proportions as the aggregate principal amount of the Notes which are or are to be remarketed bears to the aggregate fees actually received by the Remarketing Agent and the Reset Agent under Section 3 hereof. The relative fault of the Company on the one hand and the Remarketing Agent and the Reset Agent on the other hand (i) in the case of an untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, shall be determined by reference to, among other things, whether such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or by the Remarketing Agent or the Reset Agent on the other hand and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission and (ii) in the case of any other action or omission shall be determined by reference to, among other things, whether such action or omission was taken or omitted to be taken by the Company on the one hand, or by the Remarketing Agent or the Reset Agent, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to prevent or correct such action or omission. The Company, the Remarketing Agent and the Reset Agent agree that it would not be just and equitable if contribution pursuant to this Section 10(b) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 10(b). The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an Indemnified Party and referred to above in this Section 10(b) shall be deemed to include any legal or other expenses incurred by such Indemnified Party in investigating,

preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or any such omission or alleged omission or any other such action or omission; provided, however, that to the extent permitted by applicable law, in no event shall the Remarketing Agent or the Reset Agent be required to contribute any amount which, in the aggregate, exceeds the aggregate fees received by them under Section 3 of this Agreement. No investigation or failure to investigate by any Indemnified Party shall impair the foregoing indemnification and contribution agreement or any rights an Indemnified Party may have. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(c) In the event an Indemnified Party is requested or required to appear as a witness in any action brought by or on behalf of or against the Company, the Company agrees to reimburse the Remarketing Agent or the Reset Agent, as the case may be, for all reasonable expenses, as incurred, which are incurred by the Remarketing Agent or the Reset Agent, as the case may be, in connection with such Indemnified Party's appearing and preparing to appear as such a witness, including, without limitation, the reasonable fees and disbursements of its legal counsel, and to compensate the Remarketing Agent or the Reset Agent, as the case may be, in an amount to be mutually agreed upon. In addition, the Company agrees to compensate the Remarketing Agent or the Reset Agent, as the case may be, in an amount to be mutually agreed upon per person per day for each day that an officer, director or employee of the Remarketing Agent or the Reset Agent, as the case may be, or any of their respective affiliates is involved in preparation, discovery or testimony pertaining to any litigation, discovery or investigation in connection with this Agreement or the Supplemental Remarketing Agreement.

(d) Promptly after receipt by an Indemnified Party of written notice of any claim or commencement of an action or proceeding with respect to which indemnification may be sought hereunder, such Indemnified Party will notify the Company in writing of such claim or of the commencement of such action or proceeding, but failure to so notify the Company will not relieve the Company from any liability which it may have to such Indemnified Party under this indemnification and contribution agreement, and in any event will not relieve the Company from any other liability that it may have to such Indemnified Party. Merrill Lynch shall have the right to select counsel in connection with any transaction for which any Indemnified Party may be entitled to indemnification or contribution hereunder, provided that in no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel, for all Indemnified Parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances.

(e) Anything herein or in the Supplemental Remarketing Agreement to the contrary notwithstanding, the provisions of this Section 10, and the rights of the Remarketing Agent, the Reset Agent and the other Indemnified Parties hereunder, shall be in addition to, and not in limitation of, any rights or benefits (including, without limitation, rights to indemnification or contribution) which the Remarketing Agent, the Reset Agent or any other Indemnified Party may have under any other instrument or agreement.

Section 11. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of laws.

Section 12. Term of Agreement. (a) Unless otherwise terminated in accordance with the provisions hereof and except as otherwise provided herein, this Agreement shall remain in full force and effect from the date hereof until the first day thereafter on which no Notes are outstanding, or, if earlier, the Business Day immediately following November 16, 2004, in the case of a Successful Initial Remarketing, or the Business Day immediately following the Purchase Contract Settlement Date, in the case of a Successful Secondary Remarketing. Anything herein to the contrary notwithstanding, the provisions of the last section of Section 8 hereof and the provisions of Sections 3, 9, 10 and 12(b) hereof shall survive any termination of this Agreement and remain in full force and effect.

(b) All representations and warranties included or incorporated by reference in this Agreement, or the Supplemental Remarketing Agreement, or contained in certificates of officers of the Company submitted pursuant hereto or thereto, shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of the Remarketing Agent, the Reset Agent or any of their controlling persons, or by or on behalf of the Company or the Purchase Contract Agent, and shall survive the remarketing of the Notes.

Section 13. Successors and Assigns. The rights and obligations of the Company and the Purchase Contract Agent (both in its capacity as Purchase Contract Agent and as attorney-in-fact) hereunder may not be

assigned or delegated to any other person without the prior written consent of the Remarketing Agent and the Reset Agent. The rights and obligations of the Remarketing Agent and the Reset Agent hereunder may not be assigned or delegated to any other person without the prior written consent of the Company, except that the Remarketing Agent shall have the right to appoint additional remarketing agents as provided herein. This Agreement shall inure to the benefit of and be binding upon the Company, the Purchase Contract Agent, the Remarketing Agent and the Reset Agent and their respective successors and assigns and the other Indemnified Parties (as defined in Section 10 hereof) and the successors, assigns, heirs and legal representatives of the Indemnified Parties. The terms "successors" and "assigns" shall not include any purchaser of Notes or Notes merely because of such purchase.

Section 14. Headings. Section headings have been inserted in this Agreement and the Supplemental Remarketing Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement or the Supplemental Remarketing Agreement and will not be used in the interpretation of any provision of this Agreement or the Supplemental Remarketing Agreement.

Section 15. Severability. If any provision of this Agreement or the Supplemental Remarketing Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any or all jurisdictions because it conflicts with any provisions of any constitution, statute, rule or public policy or for any other reason, then, to the extent permitted by law, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case, circumstances or jurisdiction, or of rendering any other provision or provisions of this Agreement or the Supplemental Remarketing Agreement, as the case may be, invalid, inoperative or unenforceable to any extent whatsoever.

Section 16. Counterparts. This Agreement and the Supplemental Remarketing Agreement may be executed in counterparts, each of which shall be regarded as an original and all of which shall constitute one and the same document.

Section 17. Amendments. This Agreement and the Supplemental Remarketing Agreement may be amended by any instrument in writing signed by the parties hereto. The Company and the Purchase Contract Agent agree that they will not enter into, cause or permit any amendment or modification of the Purchase Contract Agreement, the Indenture, the Pledge Agreement, the Notes, the FELINE PACS or any other instruments or agreements relating to the Notes or the FELINE PACS which would in any way affect the rights, duties or obligations of the Remarketing Agent or the Reset Agent without the prior written consent of the Remarketing Agent or the Reset Agent, as the case may be.

Section 18. Notices. Unless otherwise specified, any notices, requests, consents or other communications given or made hereunder or pursuant hereto shall be made in writing or transmitted by any standard form of telecommunication, including telephone or telecopy, and confirmed in writing. All written notices and confirmations of notices by telecommunication shall be deemed to have been validly given or made when delivered or mailed, registered or certified mail, return receipt requested and postage prepaid. All such notices, requests, consents or other communications shall be addressed as follows: if to the Company, to The Williams Companies, Inc., One Williams Center, Tulsa, Oklahoma 74172 Attention: Chief Financial Officer; if to the Remarketing Agent or Reset Agent, to [Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated, at World Financial Center, North Tower, New York, New York 10281], Attention: [Hugh Sullivan], with a copy to Davis Polk & Wardwell, 450 Lexington Avenue New York, New York 10017, Attention: []; and if to the Purchase Contract Agent, to [], _____ or to such other address as any of the above shall specify to the other in writing.

Section 19. Information. The Company agrees to furnish the Remarketing Agent and the Reset Agent with such information and documents as the Remarketing Agent or the Reset Agent may reasonably request in connection with the transactions contemplated by this Remarketing Agreement and the Supplemental Remarketing Agreement, and make reasonably available to the Remarketing Agent, the Reset Agent and any accountant, attorney or other advisor retained by the Remarketing Agent or the Reset Agent such information that parties would customarily require in connection with a due diligence investigation conducted in accordance with applicable securities laws and cause the Company's officers, directors, employees and accountants to participate in all such discussions and to supply all such information reasonably requested by any such person in connection with such investigation.

IN WITNESS WHEREOF, each of the Company, the Purchase Contract Agent and the Remarketing Agent has caused this Agreement to be executed in its name and on its behalf by one of its duly authorized signatories as of

the date first above written.
